

Dear Applicant,

Thank you for considering a Boyd Management property for your new home. Our team strives to make your future housing decision as easy as possible. If you have any questions or comments, please feel free to contact us.

Please provide the following:

Application- every question must be answered or indicated N/A (not applicable) and submitted with a \$25 application fee in check or money order, only. No cash accepted. Applications submitted without the \$25 fee will be returned to applicant.

(Note: HUD properties do not require an application fee.)

Social Security card for each household member- we can make copies.

Birth Certificate for each household member- we can make copies.

Returning your application in person is preferred as it can be reviewed with you to ensure that it is complete. All members of the household, including minors, must be listed on the application.

Upon receipt of the above items, we will process and evaluate your application through our acceptance criteria which are designed to be a fair and reasonable way to provide equality to all applicants. Part of this process includes verifying your income and assets in compliance with federal and state program regulations governing this property. This specific information can be found in our Resident Selection Plan on the bulletin board in the office. Again, thank you for your consideration of our community.

GENERAL INFORMATION

- **A.** Utilities may be the residents' responsibility, and if so, arrangements must be made with the appropriate utility company/companies prior to move-in. If a deposit is required by the utility company, the amount could vary widely, as there are no strict regulations on what service providers can charge.
- **B.** I/We understand that a security deposit for the apartment must be paid prior to move in, and this will hold the selected unit for a two week period. This deposit becomes non-refundable after a 72 hour waiting period. If you do not move in within a two week period after the deposit is received and when management advises unit is ready for occupancy, your security deposit will be forfeited. The selected unit will go back on the market and offered to the next eligible applicant.
- C. I/We understand that a credit, criminal and residency history verification will be performed on all adult household members to process the application.
- D. I/We understand that the SS# and verification of citizenship or eligible immigration status must be provided for each household member.
- E. I/We understand that the management company, acting on behalf of the owner, is required to verify your income and assets in compliance with program regulations governing this property. Information contained on this application may be used, as well as, verification of information from third party sources. You, and all adult members, are required to complete and sign the release form attached to this application. After verifications are received, if the household income exceeds the program qualifying income limit or other eligibility requirements are not met, this application will be denied. Changes in household composition, income, assets, and/or student status changes during this verification period, you should immediately report to the manager and your application may need updating. Approved applicants that remain on the waiting list for a period that exceeds 120 days must have all eligibility requirements re-verified upon notification. Should the re-verification process deem a previously approved applicant now ineligible, the applicant will be denied.
- **F.** By signing this application, you are stating that should you move into this complex, this unit will become your primary place of residence and you will not maintain a separate place of residence, whether subsidized or not.
