The Units in this Community are part of the Section 42 Low Income Housing Tax Credit Program. The information gathered to qualify a resident household can be no more than 120 days old at the time of move-in. Therefore, upon receipt of this form, your household will be placed on the waiting list in chronological order for the income percentage that your household qualifies for based on the information proved herein. **Please notify us immediately if there is a change to any of the information provided above.** Placement on the waiting list does not imply that you qualify for the program, only that you have been placed on the list. As your household gets close to the top of the list, we will contact you to come in, fill out an application, and pay the application fees. At that point your application will be processed. You will have 48 hours from the time you pick up the application to return it. Prior to move in a credit/criminal screening will be run for all adult household members. Your household will qualify only if all adult household members qualify based on the information obtained during the application and screening process. Once the process is complete you will then be notified that a unit is available, bring in the deposit/pro-rated rent and have the utilities transferred into your name.
