

Thank you for your inquiry.

Our Agency administers several housing programs whereby “Income Eligible” individuals or families can submit an application to be placed on an open waiting list.

At this time, most of our Waiting Lists are closed and we are not accepting applications for these Housing Programs. (see chart below)

If you would like, you can check back with us to see if any list has reopened. You can reach us at **(203) 869-1138 x120**.
