ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Alma Housing Commission is a small PHMAP High-Performer agency located in Gratiot County, Michigan. The AHC manages 94 units of public housing in two developments.

The mission of the AHC is:

The Alma Housing Commission is committed to excellence in providing quality housing and an environment which will ensure all residents opportunity, access to resources, and the expectation that our communities will be a safe, secure place to live and realize their potential.

To achieve the mission statement we will:

- Recognize residents as our ultimate customer;
- Improve Commission management and service delivery efforts through effective and efficient management of Commission staff;
- Seek problem-solving partnerships with residents, community, and government leadership; and
- Apply limited Commission resources to the effective and efficient management and operation of public housing programs.

The AHC will accomplish its mission ideals through its goals and objectives:

1. Providing decent, safe and affordable housing in our community.
2. Ensuring equal opportunity in housing for everyone
3. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
4. Improving community quality of life and economic vitality.
5. Increase resident participation through resident council and/or advisory committee.
6. To provide timely response to resident request for maintenance problems.

7. To return vacated units with new resident in 20 days.
8. To continue to enforce our "One Strike" policies for resident and applicants.
9. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The AHC's financial resources include an operating fund, capital fund, dwelling rental income, and Section 8 Administrative fees, which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The AHC has assessed the housing needs of Alma and surrounding Gratiot County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a very small agency. The AHC has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The AHC has determined that its housing strategy complies with the state of Michigan's Consolidated Plan

The AHC has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The AHC has established a minimum rent of \$0.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value

The AHC has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The AHC has no plans to demolish or dispose of any of its properties. The AHC has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The AHC has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The AHC has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing in addition, the AHC has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of AHC's Agency Plan to HUD on December 1, 1999

Because the AHC is a PHMAP High-Performer, it was not required to respond to the following Annual Plan components.

- Operations and Management
- Grievances Procedures
- Designation of Public Housing
- Conversion of Public Housing
- Homeownership
- Community Service
- Asset Management

Deconcentration Policy

It is the policy of the Alma Housing Commission to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the Housing Commission is to house no less than 40% of its inventory with families that have income at or below 30% of the area median income by public housing development. Also the Alma Housing Commission will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the Alma Housing Commission does not concentrate families with higher income levels, it is the goal of the Alma Housing Commission not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The Alma Housing Commission will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the Housing Commission.

To accomplish the deconcentration goals the Alma Housing Commission will take the following actions:

- A. At the beginning of each fiscal year, the Housing Commission will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
 1. Housing not less than 40% of its inventory on an annual basis with families that have incomes at or below 30% of area median income, and
 2. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income, the Housing Commission's Tenant Selection and Assignment Plan, which is part of this policy, provides for the utilization of local preferences with regards to applicant selection from its waiting list.

We will continue to encourage all eligible applicants to apply, continuing to admit applicants based on availability, as our main objective must be to fill all vacancies to maintain financial stability. A Flat Rent will be offered to higher income applicants to encourage their applying and continue to live in our developments.

Attachment G: Progress in meeting the 5-Year Plan Mission and Goals

The PHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of FY 2001 Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2002 application will continue that effort.

PHA has implemented local preferences to improve the living environment in addition to our modernization efforts.

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, PHA will implement a Community Service program beginning January 1, 2002 that has been discussed with residents and each adult member of every household has been notified of their responsibilities and the policy has been Board approved.

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY 2002.

(1) Eligibility Determination

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the following guidelines.

- a. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family to notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.

- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

(1) Work Activity Opportunities

The Alma Housing Commission has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

a. PHA Provided Activities.

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that the family member has performed the proper number of hours for the selected service activities.

b. Third Party Certification

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A (c)) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

c. Verification of Compliance.

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

d. Notice of Noncompliance.

Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- ✦ changes to rent or admissions policies or organization of the waiting list;
- ✦ additions of non-emergency work items (items not intended in the current 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and
- ✦ any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

B. Significant Amendment or Modification to the Annual Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- ✦ changes to rent or admissions policies or organization of the waiting list;
- ✦ additions of non-emergency work items (items not intended in the current Annual Statement) or change in use of replacement reserve funds under the Capital Fund; and
- ✦ any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.
