Deconcentration Policy

It is the policy of the Benton Harbor Housing Commission (BHHC) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the BHHC is to house no less than 40% of its BHHC inventory with families that have income at or below 30% of the area median income by public housing development. Also, the BHHC will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the BHHC does not concentrate families with higher income levels, it is the goal of the BHHC not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The BHHC will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the BHHC's computer system.

To accomplish the deconcentration goals the BHHC will take the following actions:

- A. At the beginning of each fiscal year, the BHHC will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
 1. Housing not less than 40% of its inventory on an annual basis with families that have incomes at or below 30% of area median income; and
 2. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income, the BHHC's Tenant Selection and Assignment Plan which is a part of this policy, provides for the utilization of "Local Preferences" in regards to the selection of applicants to meet the priorities of the policy.

Progress in meeting the 5-Year Plan Mission and Goals

The PHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of previous Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2002 application will continue that effort.

PHA has implemented local preferences to improve the living environment in addition to our modernization efforts

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, PHA implemented a Community Service program that began October 1, 2001, but has been suspended for FY 02 per HUD notification and has been discussed with residents and each adult member of every household.

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY 2002.

Attachment J: Implementation of Public Housing Resident Community Service Requirement

The Benton Harbor Housing Commission's policy is designed to identify which adult family members are subject to or exempt from the service requirements; to explain how the PHA will administer its program; to identify PHA and/or third party certification opportunities available to eligible adult family members; and to assure resident compliance with identified work activities with fair and equitable actions.

PHA Responsibilities

(1.) Eligibility Determination

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the following guidelines.

- a. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family to notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.
- b. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

(2.) Work Activity Opportunities

The Benton Harbor Housing Commission has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

- a. **PHA Provided Activities.**
When qualifying activities are provided by the Commission directly, designated Commission employee(s) shall provide signed certification that the family member has performed the proper number of hours for the selected service activities.
- b. **Third Party Certification**
When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A (c)) to the Commission by such third party organization that said family member has performed appropriate service activities for the required hours.
- c. **Verification of Compliance.**
The Commission is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.
- d. **Notice of Noncompliance.**
If the Commission determines that, a family member who is subject to fulfilling a service requirement, but who has violated the family's obligation (a noncompliant resident) the Commission must notify the specific family member of this determination.

The Notice of Noncompliance must:

1. Briefly, describe the noncompliance (inadequate number of hours).

2. State that the Commission will not renew the lease at the end of the twelve (12) month lease term unless:

The resident or any other noncompliant adult family member enters into a written agreement with the Commission to cure the noncompliance and in fact perform to the letter of agreement.

- Or -

The family provides written assurance satisfactory, to the PHA that the resident or other noncompliant adult family member no longer resides in the unit.

This Notice of Noncompliance must also state that the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Commission's non-renewal of the lease because of a noncompliance determination.

- e. Resident agreement to comply with the service requirement.

The written agreement entered into with the Commission to cure the service requirement noncompliance by the resident and any other adult family member must:

1. Agree to complete additional service hours needed to make up the total number of hours required over the twelve (12) month term of the new lease.
2. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.

- f. The Benton Harbor Housing Commission has developed a list of Agency certifiable and/or third party work activities of which each non-exempt adult family member can select to perform their individual service requirement.

Attachment K:

PET POLICY FOR FAMILY DEVELOPMENTS

In compliance with Section 526 of The Quality Housing and Work Responsibility Act of 1998, PHA residents shall be permitted to own and keep common household pets. Animals that are an auxiliary for persons with a disability are excluded from this policy. The ownership of common household pets is subject to rules and limitations:

1. Common household pets shall be defined as “domesticated animals such as a dog, cat, bird, rodent, fish or turtle”.
2. No more than one (1) dog or cat shall be permitted in a household. In the case of birds, a maximum of two birds may be permitted. There shall be no limit as to the number of fish, but no more than one aquarium with a maximum capacity of twenty (20) gallons shall be permitted. A Resident with a dog or cat may also have other categories of “common household pets” as defined above.
3. Pets other than a dog or cat shall be confined to an appropriate cage or container. Such a pet may be removed from its cage while inside the owner’s apartment for the purpose of handling, but shall not generally be unrestrained.
4. Only one (1) dog or cat is allowed per household. **NO PIT BULLS WILL BE PERMITTED.** All dogs and cats will need to be on a leash, tied up, or otherwise restrained at all times when they are outside. Neither dogs nor cats shall be permitted to run loose.
5. Pet owners shall maintain their pet in such a manner as to prevent any damage to their unit, yard or common areas of the community in which they live. The animal shall be maintained so as not to be a nuisance or a threat to the health or safety of neighbors, PHA employees, or the public, by reason of noise, unpleasant odors or other objectionable situations.
6. Each pet owner shall be fully responsible for the care of the pet, including the proper disposal of pet wastes in a safe and sanitary manner. Animal wastes must be collected by the pet owner and put into a plastic bag that is then tied shut and disposed of by placing the bag into a waste disposal container. Improper disposal of pet waste is a lease violation and may be grounds for termination.
7. All pets shall be inoculated and licensed in accordance with applicable state and local laws. All cats or dogs shall be neutered or spayed, unless a veterinarian certifies that the spaying or neutering would be inappropriate or unnecessary (because of health, age, etc.).
8. All pets shall be registered with the Management Office immediately.
9. Any litigation resulting from actions by pets shall be the sole responsibility of the pet owner. The pet owner agrees to indemnify and hold harmless the PHA from all claims, causes of action damages or expenses, including attorney’s fees, resulting from the action or the activities of his or her pet.
