[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Annual Plan was developed by the Boaz Housing Authority (BHA) in accordance with the Rules and Regulations promulgated by HUD.

The goals and objectives of the BHA are contained in the Five-Year Plan and the ACOP/Section 8 Administrative Plan. These were written to comply with the HUD guidelines, rules, regulations, and Federal Law. The basic goals and objectives are:

1. Increase the availability of decent, safe and affordable housing in Boaz, Alabama.
2. To insure equal opportunity in housing for all Americans.
3. To promote self-sufficiency and asset development of families and Individuals.
4. To help improve community quality of life and economic vitality.

This plan was written after consultation with necessary parties and entities as provided in the guidelines issued by HUD. All necessary accompanying documents are attached to the document, or are available upon request.

The PHA plans to make as many affordable housing units, that are suitable for living, and that will meet the economic needs of families, available to as many families as possible in the

jurisdiction it serves. We intend to make capital improvements to our existing housing stock with available funds to improve living conditions.

We further plan to improve our vacancies by improving our turn-around time for vacant units, and lease up capability to ensure more families in occupancy.

We plan to follow the deconcentration and income mixing policies, following information taken from the development analysis, to insure a balance of income levels and income mix at each development.

The PHA has set a discretionary minimum rent for public and Section 8 housing, and has adopted a minimum rent hardship policy.
