ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Kennett Housing Authority is a medium PHMAP Standard-Performer agency located in Dunklin County, Missouri. The KHA manages 300 units of public housing at five developments.

The mission of the KHA is:

Promote adequate and affordable housing, economic opportunity and a suitable living environment without discrimination for low-income, very low-income families, persons with disabilities or the elderly.

The KHA will accomplish its mission ideals through its goals and objectives:

- A. Providing decent, safe and affordable housing in your community.
- B. Ensuring equal opportunity in housing for everyone.
- C. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
- D. Improving community quality of life and economic vitality.
- E. Increase resident participation through resident council and/or advisory committee.
- F. To provide timely response to resident request for maintenance problems.
- G. To return vacated units with new residents in 20 days.
- H. To continue to enforce our "One Strike" policies for residents and applicants.
- I. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The KHAs financial resources include an operating fund, capital fund and dwelling

rental income which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The KHA has assessed the housing needs of Kennett and surrounding Dunklin County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a very small agency. The KHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The KHA has determined that its housing strategy complies with the state of Missouri's Consolidated Plan

The KHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The KHA has established a minimum rent of \$25.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value.

The KHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The KHA has no plans to demolish or dispose of any of its properties, but it has submitted an application to HUD to designate it's high rise facility for only the elderly

The KHA has no plans to convert any of it's public housing units to Section 8 Vouchers nor does it have or plan to develop a Homeownership program in the near future.

The KHA has identified compliance with the Community Service requirements by rewriting its Admission and Continued Occupancy Plan and Dwelling Lease to address those adult members of any family whom must perform community service activities annually. In addition, the CHA has developed a self-certification form that is enclosed.

The KHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The KHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The KHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the KHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of KHA's Agency Plan to HUD on January 16, 2002.

The KHA has developed a very effective Asset Management plan to maintain its properties and manage its. Operation through the proper utilization of the following Annual Plan components:

- Financial Resources
- Operations and Management
- Capital Improvements

Attachment A

Deconcentration Plan

The mission of Kennett Housing Authority is to provide the best possible housing we can to the greatest number of applicants. It is the policy of Kennett Housing Authority to house applicants according to time and date of application in the first available unit appropriate for their family size. Family income does not determine location of unit to be offered the applicant. We do not exercise any local preferences other than housing in-town applicants ahead of out of town applicants.

Kennett Housing Authority has 5 developments, two of which are designated elderly/disabled. Three developments house families. In MO 18-1, there are 1,2 and 3 BR units of which 80% of the tenants are under 30% of median and 6% are very low income. MO 18-2 is all 1 BR elderly/disabled units with 88% of occupants under 30% of median income, 6% very low and 3% low income. MO 18-5 is 1 and 2 BR elderly/disabled with 70% under 30% of median, 7% very low and 20% low income.

The matter of transfers to accommodate change in family size must also be considered when filling vacancies.

The Housing Authority has had a problem with lack of waiting list and a increase in the number of move-outs. As the waiting lists increase and the vacancy rate decreases, efforts will be made to place higher income residents into lower income developments and lower income residents in the area with higher income residents.

The Kennett Housing Authority's (KHA) Criteria for Substantial Deviation and Significant Amendments

Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and
- any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

B. Significant Amendment or Modification to the Annual Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current Annual Statement) or change in use of replacement reserve funds under the Capital Fund; and
- any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Progress in meeting the 5-Year Plan Mission and Goals

The KHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our properties and our FY 2002 application will continue that effort.

KHA has implemented local preferences to improve the living environment by addressing deconcentration, promoting income mixing, and improving security throughout our developments.

The KHA created and continues to facilitate self-sufficiency programs to improve resident employability as well as solicit support services for the elderly and families with disabilities.

We are confident that the KHA will be able to continue to meet and accommodate all our goals and objectives for FY 2002.

Attachment J:

Implementation of Public Housing Resident Community Service Requirement

The Kennett Housing Authority's policy is designed to identify which adult family members are subject to or exempt from the service requirements; to explain how the PHA will administer its program; to identify PHA and/or third party certification opportunities available to eligible adult family members; and to assure resident compliance with identified work activities with fair and equitable actions.

A. PHA Responsibilities

(1) Eligibility Determination

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the guidelines of 24CFR, Part 960.6.

- a. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.
- b. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

(2) Work Activity Opportunities

The Kennett Housing Authority has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

a. PHA Provided Activities.

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that the family member has performed the proper number of hours for the selected service activities.

b. Third Party Certification

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A (c)) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

c. Verification of Compliance.

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

d. Notice of Noncompliance.

If the Authority determines that, a family member who is subject to fulfilling a service requirement, but who has violated the family's obligation (a noncompliant resident) the Authority must notify the specific family member of this determination.

The Notice of Noncompliance must:

Briefly, describe the noncompliance (inadequate number of hours).

State that the Authority will not renew the lease at the end of the twelve (12) month lease term unless:

The resident or any other noncompliant adult family member enters into a written agreement with the Authority to cure the noncompliance and in fact perform to the letter of agreement.

- Or -

The family provides written assurance satisfactory, to the PHA that the resident or other noncompliant adult family member no longer resides in the unit.

This Notice of Noncompliance must also state that the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Authority's non-renewal of the lease because of a noncompliance determination.

e. Resident agreement to comply with the service requirement.

The written agreement entered into with the Authority to cure the service requirement noncompliance by the resident and any other adult family member must:

1. Agree to complete additional service hours needed to make up the total number of hours required over the twelve (12) month term of the new lease.

2. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.
- f. The Kennett Housing Authority has developed the following list of Agency certifiable and/or third party work activities of which each non-exempt adult family member can select to perform their individual service requirement.

The Authority has identified the following PHA certifiable activities, which are available to meet the requirements:

Neighborhood Watch
Daily Phone Monitor for elderly
Daily Phone Monitor for disabled
Welcome Wagon Attendant
Playground Monitor
Or other certifiable activities

The following third party entities that have entered into an agreement with the Authority to provide activities available to satisfy the Community Service activities will be listed by Entity, work activity and contact person. If a Adult individual elected to utilize a third party entity they must notify the PHA.

NO PIT BULLS WILL BE PERMITTED

Cats Cats must be spayed or neutered and be de-clawed or have scratching post, and should not exceed fifteen pounds (15lbs.).

Rodents At no time will the KHA allow rodents, such as hamsters, gerbils, white rats or mice, etc.

Reptiles At no time will the KHA allow reptiles, such as turtles, lizards, chameleons, etc.

Exotic Pets At no time will the KHA approve of exotic pets, such as snakes, monkeys, game pets, etc.

2. No more than one (1) dog or cat shall be permitted in a household. In the case of birds, a maximum of two birds may be permitted. There shall be no limit as to the number of fish, but no more than one aquarium with a maximum capacity of twenty (20) gallons shall be permitted. A Resident with a dog or cat may also have other categories of "common household pets" as defined above.
3. Pets other than a dog or cat shall be confined to an appropriate cage or container. Such a pet may be removed from its cage while inside the owner's housing unit for the purpose of handling, but shall not generally be unrestrained.

4. Only one (1) dog or cat is allowed per household. NO PIT BULLS WILL BE PERMITTED. All dogs and cats will need to be on a leash at times when they are outside. All dogs and cats are not to be tied to any tree, shrub, stake or otherwise left unattended outside the apartment. Neither dogs nor cats shall be permitted to run loose.
5. Pet owners shall maintain their pet in such a manner as to prevent any damage to their unit, yard or common areas of the community in which they live. The animal shall be maintained so as not to be a nuisance or a threat to the health or safety of neighbors, KHA employees, or the public, by reason of noise, unpleasant odors or other objectionable situations.
6. Each pet owner shall be fully responsible for the care of the pet, including proper disposal of pet wastes in a safe and sanitary manner. Specific instructions for pet waste shall be available in the management office. Improper disposal of pet waste is a lease violation and may be grounds for termination.
7. All pets shall be inoculated and licensed in accordance with applicable state and local laws. All cats or dogs shall be neutered or spayed, unless a veterinarian certifies that the spaying or neutering would be inappropriate or unnecessary (because of health, age, etc.).
8. Visiting pets may be allowed as long as they generally conform to the guidelines expressed in this policy, except that: no additional security deposit shall be required of the Resident with whom the pet is visiting unless the visit is in excess of seventy-two (72) hours, and two (2) verified complaints shall be grounds for excluding the pet from further visits.
9. All pets shall be registered with the Management Office before their introduction to the community. Registration shall consist of providing:
 - a. Basic information about the pet (type, age, description, name, etc.);
 - b. Yearly proof of inoculation and licensing;
 - c. Proof of neutering or spaying. All female dogs over the age of six (6) months and female cats over the age of five (5) months must be spayed. All male dogs over the age of eight (8) months and all male cats over the age of ten (10) months must be neutered. If health problems prevent such spaying or neutering, a veterinarian's certificate will be necessary to allow the pet to become or continue to be a Resident of the community;
 - d. All personal property damage and any physical damage caused by the pet shall be the sole responsibility of the resident who shall be held liable for reimbursement for damages. A resident must provide written proof of liability insurance YEARLY, which will provide protection to a minimum of a \$100,000 limit.
 - e. Payment of a pet deposit of \$200.00 (to be paid in advance) to defray the cost of potential damage done by the pet to the unit or to common areas of the community. There shall be no pet deposit for pets other than dogs or cats. The pet deposit shall not preclude charges to a Resident for repair of damages done on an ongoing basis by a pet. The Resident is responsible for all damages caused by the pet and will reimburse the Authority for all costs it incurs in repairing such damages. This deposit is refundable if no damage is identified at the move-out inspection.

If a Resident cannot care for their pet due to an illness, absence, or death, and no other person can be found to care for the pet, after twenty-four (24) hours have elapsed, the Resident hereby gives permission for the pet to be released to the Humane Society/Animal Control, in accordance with their procedures. In no case shall

KHA incur any costs or liability for the care of a pet placed in the care of another individual or agency under this procedure. The KHA strongly advises Resident to obtain liability insurance.

Provide the name, address and phone number of one or more persons who will care for the pet if you are unable to do so. This information will be updated annually.
