2. Rose Gratton (Section 8)
3. Raymond Wolff (Forge Pond Apts.)
4. Henry Genovese (Forge Pond Apts.)
5. Jean Simmons (Conway Apts.)
6. Marie Holloway (Conway Apts.)

ATTACHMENT H: Resident Membership On The PHA Governing Board

The Brick Housing Authority is aware of the recently enacted HUD regulation requiring PHA's to include at least one resident on its governing board. The Authority meets the exemption criteria provided under Section 2(b)(2) of the U.S. Housing Act of 1937 in that:

1. The Authority has less than 300 public housing units; and
2. The Authority has notified its Resident Advisory Board of the availability of a position on the governing board and has waited a reasonable time for a positive response; however, no resident has expressed interest in serving in said capacity.

The Authority is aware that this recruitment process must be repeated on an annual basis. Decisions regarding appointment to the PHA Governing Board are made by the Township Mayor and Council. The next position on the Board will be available in March 2002.

ATTACHMENT I: Consistency With Consolidated Plan

The Brick Housing Authority's Agency Plan is consistent with the County's Consolidated Plan in that:

1. The Authority has implemented a voucher-based Homeownership Program pursuant to section 8 (y) of the USHA of 1937 (24 CFR 982).
2. The Authority seeks to apply for additional rental vouchers in order to provide assistance to a great number of participants.
3. The Authority intends to continue its efforts to attract potential landlords to participate in the Section 8 Program.
4. The Authority seeks to renovate/modernize public housing sites in order to provide more suitable public housing.

ATTACHMENT J: PHA Criteria For Amendments To Plan

Pursuant to applicable HUD regulations, a PHA may change or modify its Annual and Five-Year Plans and the policies described therein. However, any “significant amendment or modification” to the Annual Plan and any “substantial deviations” from the Five-Year Plan would require that the PHA submit a revised Plan that has met full public process requirements, including Resident Advisory Board review.

The Brick Housing Authority will consider the following to be “significant amendments or modifications”:

1. Changes to rent or admissions policies or organization of the waiting list;
2. Changes to Operations and Management Policies;
3. Changes to grievance procedures;
4. Additions of non-emergency work items (items not included in the current Annual Statement of 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
5. Additions of new activities not included in the current PHDEP Plan;
6. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities

The Authority will consider the following to constitute a “substantial deviation” from the Five-Year Plan:

1. Any modification to the PHA’s Mission Statement or any substantial modification to the PHA’s goals and/or objectives.

An exception to these definitions will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered substantial deviations or significant amendments by the Authority.

ATTACHMENT K: Summary of Pet Policy

In accordance with the new HUD regulations, implementing Section 31 of the U.S. Housing Act of 1937, the Brick Housing Authority has adopted a formal Pet Policy permitting public housing residents in general occupancy developments to own pets. As expressed in the said Pet Policy, pet ownership is subject to the following “reasonable requirements”:

1. Limitations on the size of the pet and the number of pets permitted in a given unit
2. Issuance of Pet Permit and payment of fee
3. Procurement of Insurance policy for liability and property damage
4. Registration of pet with municipality
5. Posting of security deposit for damage done by pet to apartment
6. Inspection of apartment, upon notice, to ensure compliance

ATTACHMENT L: Implementation of Public Housing Resident Community Service Requirement

Pursuant to Section 12 (c) of the U.S. Housing Act of 1937, each adult resident of public housing must participate in eight (8) hours of community service and/or economic self-sufficiency activities per month, unless they meet criteria for an exemption. In response to the implementation of Section 12 (c), the Brick Housing Authority has taken the following administrative steps:

1. The Authority's Admissions and Occupancy Policy includes its full policy on the community service requirement.
2. The Authority will identify all adult family members who are apparently not exempt from the community service requirement. The Authority will notify in writing such family members of the community service requirement and of the categories of individuals who are exempt from the requirement.
3. The Authority will coordinate with social service agencies, local schools, and the appropriate Human Resources Office in identifying a list of volunteer community service programs.
4. The Authority will assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family members' progress monthly and will meet with the family members as needed to best encourage compliance.

Notice: Presently, all residents of this Authority are exempt from the Community Service Requirement.

ATTACHMENT N: Resident Survey Follow-Up Plan—Safety Section

The following corrective action are being taken to address problem areas identified by the aggregate results of our first annual (year 2000) Resident Services and Satisfaction Survey-Safety section:

The Housing Authority is implementing a comprehensive security and prevention based approach to attack crime in our Public Housing developments, and thereby improve the overall living environment within such areas.

We utilize video and call entry systems to control and secure entry to our buildings, and Community Policing Patrols to further assure the safety of residents in our housing developments. In addition, we instituted crime prevention educational programming on-site; and continue providing community space for resident educational, training, social and recreational activities and programs.

The Community Policing Patrols are being provided by the Brick Township Police Department on the peripheries of our public housing developments. This police presence serves as a major deterrent to criminal activity in the targeted areas.

In addition to said community police patrols, the Brick Township Police Department will also continue to supply the Authority's residents with investigative services; undercover operations; response to calls for police services as a result of illegal activity, real or apparent; provision of necessary assistance to the Authority in the enforcement of its "One Strike and You're Out Policy," and provision of assistance to our residents in establishing a Crime Watch Program.

The goals of the Authority's crime prevention/education programming are as follows:

1. To make residents aware of drug prevention activities.
2. To increase resident's perception of personal safety.
3. To obtain resident input concerning the security needs of the community.
4. To encourage residents to report crime and disorder problems to the Housing Authority and Police Department.
5. To seek resident assistance in the enforcement of the Housing Authority's "One Strike and You're Out Policy."

In addition to the above components, the Authority's comprehensive crime prevention strategy includes the continued administration of our screening, leasing and eviction policies, in accord with the Authority's "One Strike and You're Out" policy.

The Housing Authority's "One Strike and You're Out" policy and our new Admissions Policy, Dwelling Lease and Applicant Screening and Eviction Procedures are designed to assure the rejection of applicants for admission to public housing who have a history of drug abuse or other involvement in drug-related criminal activity, and to provide for the eviction of existing residents found to be involved in such activity.

The screening procedures include review of police records to determine the existence of drug-related or other criminal history; if found, admission is denied.

The Authority will continue to service notice on all of its employees regarding the prohibitions under the Drug-Free Workplace Policy, specifying the actions that will be taken against employees in violation of such prohibitions.

The Authority will continue to strengthen its on-site management presence. The Authority views such presence as a critical element in preventing crime and other problems in its housing developments. Management personnel walk the project sites on a daily basis. While doing so they check to see that vacant units are properly secured.

Housing management personnel oversee the selection of new residents and perform home visits and inspections. While making home inspections, they observe activities and make note of problems as well as opportunities, to reward desirable behavior. They work closely with the Tenants Associations and involve them in management decisions related to the development of management policies and procedures that affect them directly. They assist residents in the development of community partnerships involving, among others, the Police Department, Social, Health, and other resident services agencies. They refer residents in need of human services to the appropriate service agencies and are involved along with Tenant Association representatives, in the planning, development, implementation and monitoring of resident service programs, projects, and other activities.

Our management personnel will continue the above activities, and will also communicate clear expectations and consequences to residents concerning: 1) payment of rent on time; 2) zero tolerance for criminal activity; 3) responsibility for care of Housing Authority property; 4) responsibility for conduct of guests.

ATTACHMENT O: Section 8 Homeownership Capacity Statement

The Housing Authority of the Township of Brick has been very successful in implementing an FSS Program for the Section 8 Rental Program. To insure the success of the Section 8 Homeownership Program, the Housing Authority will hire a part-time employee to help with the administration of this program.

*As defined in the Housing Authority's Board approved
Section 8 Homeownership Program*

Financing for purchase of a home under Section 8 Homeownership Assistance Program must:

1. Be provided, insured or guaranteed by the State or Federal government;
2. Comply with secondary mortgage market underwriting requirements; or
3. Comply with generally accepted private sector underwriting standards.

And

The applicant family must demonstrate the financial capacity to pay the Housing Authority's established minimum homeowner case downpayment of three percent of the purchase price for participation in the Section 8 Homeownership Program. At least one percent of the purchase price must come from the family's personal resources.

MEMORANDUM

RE: BRICK HOUSING AUTHORITY

The Brick Housing Authority has prepared its Agency Plan in compliance with section 511 of the Quality Housing and Work Responsibility Act of 1998 and ensuing HUD requirements. In accordance with said requirements, the Authority conducted a public hearing in order to invite public discussion on the Agency Plan.
