[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Port Chester Housing Authority has prepared this Annual PHA Plan in compliance with Section 511 of the Quality Housing and Work and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The purpose of this Annual Plan is to provide a framework for local accountability and easily identifiable source by which housing residents, participants in the tenant-based assistance program and other members of the public may locate basic PHA policies, rules and requirements related to the operations, programs and services of the agency.

The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and will ensure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on display with this Plan. The Admissions and Occupancy Policy and Section 8 Administrative Plan are the two primary policies on display. These important documents cover the public housing tenant selection and assignment plan, outreach services, grievance procedures, etc.

The most important challenges to be met by the Port Chester Housing Authority during FY 2002 include:

- Improvement of the physical conditions of the housing developments through the Capital Funds activities.
- Involve the public housing residents through the Annual Plan Resident Advisory Board.
