ExecutiveSummary(ii)(notarequireditem,butsuppliedbyAHA)

EXECUTIVESUMMARYOFTHEANNUALPHAPLAN

Albany Housing Authority has developed its initial Agency Plan and 5 -Year Plan in comp liance with the 1998 Quality Housing and Work Responsibility Act. The Plancovers the Authority's strategies for administration, admissions, occupancy, financial accountability, capital improvements, crime and safety, and asset management over the course of the next five years. This submission reflects AHA's second Annual Plan submission.

AHA derived its strategies based on a needs assessment of both its assets (properties) and the housing needs of the renter population in the jurisdiction. AHA has deter mined that the Authority must implement an asset management plan to enhance the market ability of our developments. We must encourage families to reach higher income categories without increasing rents in order to promote the incentives of self -sufficiency to other residents. AHA will work towards fully occupying its family developments and promote income mixing by utilizing waiting listskipping as allowed under the QHWRA. Deconcentration strategies will be developed for the next annual plan update.

In this, the second update of the annual plan Albany Housing Authority has revised its Admissions and Continued Occupancy Plan for public housing to include special provisions for admission and occupancy of the new HOPE VI rental units at North Albany. (Anticipa ted project number is NY9 -23) AHA has updated its public housing lease accordingly by amendment. The ACOP and the lease amendment we regiven the appropriate resident comment period, as they were included in the comment period and public hearing for this a nnual update. All resident and public comment is ncluded in the attachment that incorporates AHA's responses.

AHA's HOPE VI initiative in North Albany will continue to develop programs, affordable housing opportunities and self -sufficiency services for the North Albany residents and neighborhoods. Partnerships and community-basedlinkagescontinuetobedevelopedtoensurethatresidentsandcommunityneedswillbeservedin the neighborhood to the greatest extent possible. New Community Service and Self -Sufficiency programs have beenimplementedforthenewresidentswhowillliveattheNorthAlbanydevelopment

AHAincludesthisyear, an attachmentfor the Replacement Housing Fund. The fund will be used towards the purchase of 2 units on Ontario Stre et in the city of Albany I2001, and for the development of 7 public housing units at the NY9 -22 Pieter Schuyler Court apartment in 2002.

Albany Housing Authority follows its mission statement of being "committed to achieving excellence in providing safe, clean, and modern housing assistance while promoting self -sufficiency to the residents of the Albany Housing Authority. Our goal is to be a leader in the City of Albany housing industry by building a reputation for excellent community service and custo mersatisfaction."

AHAResponse

The complete Admission and Continued Occupancy Policy is available for review by any resident at their management of fice. This document contains the complete HUD - approved process that AHA uses for persons who apply for housing at all AHA sites. The Authority invites residents to review the policy at the convenience of the management of fice. AHA welcomessuggestions from residents regarding ways to improve the AHA selection process within the confines of the effect alregulations. It is the Authority's contention that the opinions of Association members being used as areas on to deny some one housing could expose the Authority to costly litigation.

AHACompactors are emptied on weekends. However, occasionally some one will throw a large box or bag in the chute that can get jammed near the bottom making it appear that the chute is full. The jambis removed by hand; again this is just an ormal part of what can happen periodically. The AHAM aintenance Supervisor will advise the weekend maintenances that the complaint and makes use that they check the chutes appropriately during the weekend. This is one of their responsibilities that they have to perform at all of our high -rise building seach and every weekend.

Where some or all utilities (except telephone) and other essential housing services are not supplied by the AHA and the cost thereof is not included in the amount paid as rent, Tenant Rent equals Total Tenant Payment less the Utility Allowance. (Tenant Rent is a term established and defined by 24 CFR (§913) and as such, is occasionally awkward in ordinary usage. For this reason, the term "Tenant Rent" is used inter-change ably with "rent" elsewhere in this ACOP to refer to the net monthly payment by the family to AHA. The only exception is the term "rent" as defined in this policy in reference to admission priorities based on an applicant's rent as a percentage of monthly income, minimum rents and flat rents as described below).

When tenant chooses a flat rent, the tenant rent amount is the established flat rent amount. Any utility allowance that may be applicable for the unit is <u>not</u> deducted from the flat rent amoun t. Tenant is responsible for payment of any utilities infull when a flat rent option is taken.

Incalculating a family's payments toward utilities and other housing services, the Housing Authority will use its reasonable eestimate of tenant -purchased utilities and other housing services that are normally included in rent; or if the family chooses, the family's average monthly utility costs, based on the family's utility bills furnished by the family, for the most recent 1 2-month period, or, where bills are notobtainable for the entire period, for an appropriate recent period.

For the purposes of calculating rent under this paragraph, amounts paid to or on behalf of a family under any energy assistance program must be sub tracted from the otherwise applicable rental amount to the extent that they are not included in the family's income.

In the case of an applicant who owns a manufactured home, but who rents the space upon which it is located, rent under this paragraph incl udes the monthly payment to amortize the purchase price of the home, as calculated in accordance with HUD's requirements. In the case of members of a cooperative, rentunder this paragraph means the charge sunder the occupancy agreement between the member sand the cooperative.

If these income profiles of AHA family developments shows a deviation of more than 15 in any category (in terms of present occupants), applicants of the income category needed to balance the development's profile relative to other developments shall be offered a housing unit in that development first. This practices hall continue until sufficient numbers of families housed in the development inquestion to rectify the imbalance such that cat egory deviation is less than 15% in any category.

 $\label{eq:approx} AHA will require applicants for public housing to list their family incomes and these will be tracked in the above categories.$

13. The Housing Authority shall require the family head and other such family members as it designates to execute a HUD -approved release and consent from authorizing any depository or privat e source of income, or any Federal, state, or local agency to furnish or release to the AHA and to HUD such information as AHA or HUD determines to be necessary. Because eligibility for Federal Housing Assistance is not based on a "declaration system" but upon verification of actual income and family circumstances, the Housing Authority is not limited to verification of data supplied by applicants or residents. Failure of an applicant to cooperate with the Housing Authority in obtaining verifications will result in the application being declared incomplete and inactive. A tenant who fails to cooperate or to release information may be evicted. In addition, interim rent reductions will not be made for residents until after receipt of all required verificat ions. In consideration of the privacy rights of residents and applicants, the Housing Authority shall restrict its requests to those matters of income, assets, family composition and other family circumstance which are related to eligibility, rent, unit s ize and type, admission priority rating, or other lawful determinations made by the Housing Authority. If the verified data as listed in this policy are not more than two months old at the time an applicant is selected for admission, and the applicant cer tifies by written statement that no change has occurred in his status, the datawillbeconsideredasreflectingtheapplicantfamily'sstatusatthetimeofadmission.Ifdataaremore than two months old, all factors are to be reverified and findings re corded. 14. <u>Specialverificationrequirementsforearnedincomeexclusions</u>

All residents who desire to claim an earned income exclusion must report the new earned income or increased income within ten (10) days after they begin. Failure to accurately and promptly report changes in employment or increased income (or other changes in income or family circumstances affecting eligibility for the same) will result in d enial or loss of the earned income exclusions. If such failure results in the resident paying lower rent than he/she would have other wise been required to pay, the resident is subject to the same penalties for any other failure to report all changes in income within ten (10) days after they occur.

In addition to such other verification as the Housing Authority shall require, any resident or applicant claiming an earned income exclusion must supply documentation in a form prescribed by the Housing Authority from employers and social services agencies, as applicable.

No resident or applicant is automatically entitled to earned income exclusion. Determination of the eligibility for the earned income exclusion is the sole responsibility of the Housing Authority. Not withstanding the above, it is the responsibility of the resident/applicant to supply the complete and accurate information, which the Housing Authorityr equires to make an eligibility determination.

In the event that the Housing Authority determines that the information supplied by the resident and/or training agency is not adequate to determine eligibility, the Housing Authority may require additional information beyond that originally submitted. No exclusions will be granted until all required information is obtained and verified.

An adverse decision on the eligibility of an existing resident for an earned income exclusion may be appealed through the resident grievance procedure (subject to limitations of that procedure, especially as they pertain to the inapplicability of the procedure to policy issues), but the Housing Authority shall not beliable for any retroactive payments due to reversal of an in itial determination.

As with other interim rent changes, any reduction in rents, which result from the application of this policy, shall be effective on the first day of the month following that month in which the eligibility for the deduction is determined. The Housing Authority shall not be liable for retroactive reductions if the resident fails to report the change within the required time period.

Rentincreases resulting from expiration of the phase -indisallowance period provided under the earned income exclusion, are effective on the first day of the following month. All other rent increases resulting from the application of this policy, are implemented in the same manner as other increases resulting from changes in income or benefits. If there ident complies in an accurate and timely manner with all reporting requirements, (including requirements to report any changes in training or employment status which affect eligibility for exclusions) any increase in rent will be effective on the first day of the second month after the income changes are reported. Failure to meet reporting requirements will result in rentincrease retroactive to the date the change actually took place.

SECTION8ADMINISTRA TIVEPLAN

1.0 STATEMENTOFAPPROAC H

1.1 ALBANYHOUSINGAUTHORITYMISSIONSTATEMENT

The mission of The Albany Housing Authority is to lead the community, with professionalism, integrity and spirit in providing quality housing of choice for a diverse population and to partner with the community to maximize social and economic opportunity.

1.2 SCOPE

This plan is intended to cover all Section 8 Existing Programs Housing Certificate and Voucher administration, or other applicable Section 8 Programs administered by the AlbanyHousingAuthority.

1.3 OBJECTIVE

The overall objective is to permit qualified families to obtain decent, safe, sanitary and affordablehousing.

1.4 GENERALAPPROACH

The general approach of the program is to inform the community of the service, determine client eligibility, make the characteristics of the rental market known to program participants to enable them to search for hous ing within program rent levels and housing quality threshold, and to ensue that the program is administered according to HUD rules and regulations regarding the program. In addition, programs are to be administered in a manner consistent with statelaw.

The Housing Authority shall use all program contracts and forms required by HUD, including the:

- ConsolidatedAnnualContributionsContract
- HousingAssistancePaymentContract
- Leaselanguageintheaddendum

Required contracts and forms shall be word -for-word as required by HUD; HUD headquartersshallapproveadditionsormodifications.

2.1 FAIRHOUSING

It is the policy of the Albany Housing Authority to comply fully with all Federal, State, and local nondiscrimination laws; the Americans With Disabilitie s Act; and the U.S. Department of Housing and Urban Development regulations governing Fair Housing and EqualOpportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familialstatus, ordisabilitybeexcluded from participation in, bedenied the benefits of, or be otherwise subjected to discrimination under the Albany Housing Authority housing programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Albany Housing Authorit y will provide Federal/State/local information to applicants for and participants in the Section 8 Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be m ade available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Albany Housing Authority office. In addition, all appropriate written information and advertisementswillconta intheappropriateEqualOpportunitylanguageandlogo.

The Albany Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The Albany Housing Authority w ill also assist them in completing the form, if requested, and will provide them with the address of the nearest HUDOffice of Fair Housing and Equal Opportunity.

2.2 REASONABLEACCOMMODATION

Sometimespeoplewithdisabilitiesmayneedareasonableacco mmodationinordertotake full advantage of the Albany Housing Authority housing programs and related services. Whensuchaccommodations are granted they donot conferspecial treatmentor advantage for the person with a disability; rather, they make the program fully accessible to the mina way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guide lines the Albany Housing Authority will follow in determining whether it is rea sonable to provide a requested accommodation. Because disabilities are not always apparent, the Albany Housing Authority will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

2.3 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable AccommodationForm.

Notifications of reexamination, inspection, appointment, or termination of assistance will include information about requesting a reasonable accommodation. Any not ification requesting action by the participant will include information about requesting areasonable accommodation.

Alldecisionsgrantingordenyingrequestswillbeinwriting.

2.4 QUESTIONSTOASKINGRANTINGTHEACCOMMODATION

A. Is the requestor a person with disabilities? For this purpose the definition of disabilities is different than the definition used for admission. The Fair Housing definitionused for this purpose is:

A person with a physical or mental impairment that substantially limits o ne or more major life activities, has a record of such impairment, or is regarded as having such impairment. (The disabilitymaynotbeapparenttoothers, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this q uestion is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Albany Housing Authority will obtain verification that the person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Albany Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Albany Housing Authority will not inquire ast other attraction the disability.
- C. Is there quested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
 - 1. Would the accommodation constitute a fundamental alteration? The Albany Housing Authority's business is housing. If the request would alter the fundamental business that the Albany Housing Authority conducts, that would not be reasonable. For instance, the Albany Housing Authority would deny a request to have the Albany Housing Authority do grocery shopping for the person with disabilities.
 - 2. Would there quested accommodation creat ean undue financial hardship or administrative burden? Frequently there quested accommodation costs little or nothing. If the cost would be an undue burden, the Albany Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.

Generally the individual knows best what they need; however, the Albany Housing Authority retains the right to be shown how the requested accommodation enables the individualtoaccessorusetheAlbanyHousingAuthority's programsorservices.

If more than one accommodation is equally effective in providing access to the Albany Housing Authority's programs and services, the Albany Housing Authority retains the righttoselectthemostefficientoreconomicchoice.

If the participant requests, as a reasonable accommodation, that hears he be permitted to

make physical modifications to their dwelling unit, at their own expense, the request should be made to the property owner/manager. The Housing Authority does not have responsibility for the owner's unit and does not have responsibility to make the unit accessible.

Any request for an accommodation that would enable a participant to materially violate familyobligations will not be approved.

2.5 SERVICESFORNON -ENGLISH SPEAKINGPERSONSANDPARTICIPANTS

The Albany Housing Authority will endeavor to have bilingual staff or access to people whospeaklanguages other than English.

2.6 FAMILY/OWNEROUTREACH

The Albany Housing Authority will publicize the availability and nature of the Section 8 Program for extremely low -income, very low and low -income families in a new spaper of general circulation, minority media, and by other suitable means.

To reach persons, who cannot or do not read newspapers, the Albany Housing Autho rity will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Albany Housing Authority will also try toutilize public service announcements.

The Albany Housin g Authority will communicate the status of program availability to other service providers in the community and advise them of housing eligibility factors and guideliness othat they can make proper referral of their clients to the program.

The Albany Hou sing Authority will hold briefings for owners who participate in or who are seeking information about the Section 8 Program. The briefings will be conducted in association with the Rental Property Owners Association. Owners and managers participating in the Section 8 Program will participate in making this presentation. The briefing is intended to:

- A. Explainhowtheprogramworks;
- B. Explainhowtheprogrambenefitsowners;

#3:Allotherfamilies.

The Albany Housing Authority will not deny a local preference, nor otherwise excludeor penalize a family in admission to the program, solely because the family resides in public housing.

6.3 SELECTIONFROMTHEWAITINGLIST

Basedontheabovepreferences, all families in preference 1 will be offer edhousing before any families in preference 2, and preference 2 families will be offered housing before any families in preference 3, and so forth.

The date and time of application will be utilized to determine the sequence within the above-prescribedpr eferences.

Not withstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low -income (unless adifferent target is agreed to by HUD), the Albany Housing Autho rity retains the right to skip higher income families on the waiting to reach extremely low -income families. This measure willonly be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor in comes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low -income families on the waiting list we will conduct outreach on a non -discriminatory basis to attract extremely low -income families to reach the statutory requirement.

6.4 SPECIALCIRCUMSTANCES

a. SplithouseholdspriortoVoucherIssuance

Whenafamilyonthewaitinglistsplitsintotwoeligiblefamiliesduetodivorceor legal separation, and the new families both claim the same p lacement on the waitinglist, and there is no court determination, the Housing Authority will make the decision of whore mains on the waiting list. Documentation must be provided by the applicant families. If either or both of the families do not provide documentation, they may be denied placement on the waiting list for failure to supply information requested by the Housing Authority.

b. MultipleFamiliesinthesamehousehold

Familiesconsisting of two families applying as a family unit will be treated as one family unit.

c. JointCustodyofChildren(2choices)

Children who are subject to a joint custody agreement but live with one parent at least 51% of the time will be considered members of the household. "Fifty -one (51%) of the time" is defined as 183 days of the year, which do not have to run consecutively. The parent must provide documentation of custody.

Whenbothparents are on the waiting list and both are trying to claim the child, the parent whose address is listed on the school records will b e allowed to claim the school-age child as a dependent. Otherwise, for children under school age, court orders or other official documentation of custod ywill be required.

7.0 ASSIGNMENTOFBE DROOMSIZES(SUBSIDY STANDARDS)

The Albany Housing Authority will issue a voucher for a particular bedroom size – the bedroom size is a factor in determining the family's level of assistance. The following guidelines will determine each family's units ize without overcrowding or ver -housing:

| NumberofBedrooms | NumberofPersons | |
|------------------|-----------------|---------|
| | Minimum | Maximum |
| 0 | 1 | 1 |
| 1 | 1 | 2 |
| 2 | 2 | 4 |
| 3 | 3 | 6 |
| 4 | 4 | 8 |

These standards are based on the assumption that each bedroom will accommodate no more than two(2) persons. Two adults will share a bedroom unless related by blood.

In determining be droom size, the Albany Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being

adopted, children whose custody is being obtained, children who are temporarily away at school or tempor arily infoster -care.

Bedroomsizewillalsobedeterminedusingthefollowingguidelines:

- A. Childrenofthesamesexwillshareabedroom.
- B. Children of the opposite sex, both under the age of five (5) years may share a bedroom.
- C. Children of the sames ex that have an age difference of seven (7) years or greater donot have to share abedroom.
- D. Adultsandchildrenwillnotberequiredtoshareabedroom.
- E. Foster-adults and children will not be required to share a bedroom with family members.
- F. Live-inaideswillgetaseparatebedroom.

The Albany Housing Authority will grant exceptions to normal occupancy standards when a family requests a larger size than the guidelines allow and documents a medical reason why the larger size is necessary.

The family unit size will be determined by the Albany Housing Authority in accordance with the above guidelines and will determine the maximum rent subsidy for the family; however, the family may select a unit that may be larger or smaller than the family uni size. If the family selects a smaller unit, the payment standard for the smaller size will be used to calculate the subsidy. If the family selects a larger size, the payment standard for the family unit size will determine the maximum subsidy.

7.1 BRIEFING

When the Albany Housing Authority selects a family from the waiting list, the family will be invited to attend a briefing explaining how the program works. In order to receive a voucher the family is required to attend the briefing. If they cannot at tend the originally scheduled briefing, they may attend a later session. If the family fails to attend two briefings without good cause, they will be denied admission.

If an applicant with a disability requires auxiliary aids to gain full benefit from th briefing,theHousingAuthoritywillfurnishsuchaidswheredoingsowouldnotresultina fundamental alteration of the nature of the program or in an undue financial or administrative burden. 7.3 ISSUANCEOFVOUCHER; REQUESTFOR APPROVALOFTENANCY

Since October 1, 1999, the Albany Housing Authority has issued only vouchers. Treatment of previo usly issued certificates and vouchers was dealt with as outlined in Section 23.0 Transition to the New Housing Choice Voucher Program Completed. Note: as of 9/30/01, all previously issued certificates have been transitioned to vouchers as per HUD regulations.

Once all family information has been verified, eligibility determined, subsidy calculated, and the family has attended the family briefing, the Albany Housing Authority will issue the voucher. At this point the family begins their search for a unit.

When the family finds a unit that the owner is willing to lease under the program, the family and the owner will complete and sign aproposed lease; the HUD required tenancy addendum and the request for approval of the tenancy form. The terms of the HUD tenancy addendum shall prevail over any other provisions of the lease. The family will submitthe proposed lease and the request form to the Housing Authority during the termof the voucher. The Housing Authority will review the request, the lease, and the HUD required tenancy addendum and make an initial determination of approval of tenancy. The Housing Authority may assist the family in negotiating changes that may be required for the tenancy to be approved. Once it appears the tenancy may be approved, the Housing Authority will schedule an appointment to inspect the unit within 15 days after the receipt of inspection request from the family and owner. The 15 day period is suspended during any period the unit is unavailable for inspection. The Housing Autho rity will promptly notifytheownerandthefamilywhethertheunitandtenancyareapproved.

During the initial stage of qualifying the unit, the Housing Authority will provide the prospective owner with information regarding the program. Information wil linclude Housing Authority and owner responsibilities for screening and other essential program elements. The Housing Authority will provide the owner with the family's current and prioraddressasshowninthe Housing Authorityrecords along with the name eand address (ifknown) of the landlords for those addresses.

Additional screening is the responsibility of the owner. Upon request by a prospective owner, the Housing Authority will provide any factual information or third party written information they have relevant to avouch erholder's history of, or ability to, comply with standard material lease terms.

7.4 TERMOFTHEVOUCHER

The initial term of the voucher will be 60 days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will not exceed 180 calendar days from the initial date of issuance

without an extraordinary reason. To obtain an extension, the family must make a request in writing pr ior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 120 days, which everisless.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 180 days search time. If the Housing Authority determines that additional search time would be a reasonable accommodation , the Housing Authority will request HUD to approve an additional extension.

Upon submittal of a complete drequest for approval of tenancy form, the Albany Housing Authority may suspend the term of the voucher. The term may be suspended in the case of documented illness, hospitalization or death in the family, upon request.

7.41VOUCHERTERMEXPIRATION

The voucher term expiration date is the deadline for submission of ar equest for tenancy approval; it is not the date the unit must be available for occupancy. The unit may not be ready for occupancy until several months after the date of the expiration of the voucher, but as long as the request for tenancy approval was subm itted before the deadline, the family has metthis procedural requirement.

7.5 APPROVALTOLEASEAUNIT

When the tenant moves out of the dwelling unit, the owner, subject to Stateor local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid rent payable by the tenant, damages to the unit or for other amounts the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balancetothetenant.

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant.

8.0 MOVESWITHCONTI NUEDASS ISTANCE

Participating families are allowed to move to another unit after the initial 12 months has expired, if the landlord and the participant have mutually agreed to terminate the lease, or if the Housing Authority has terminated the HAP contract. The A lbany Housing Authority will issue the family a new voucher if the family does not owe the Albany Housing Authority or any other Housing Authority money, has not violated a Family Obligation, has not moved or been issued a certificate or voucher within the last 12 months, and if the Albany Housing Authority has sufficient funding for continued assistance. If the move is necessitated for a reason other than family choice, the 12 -month requirement will be waived.

If the family moves from the unit before the initial term of the lease ends without the owner's and the Albany Housing Authority's approval, it will be considered a serious lease violation and subject the family to termination from the program.

The family is required to give the Albany Housing Authority a copy of the notice to terminate the lease at the same time as it gives the notice to the landlord. A famil y's failure to provide a copy of the lease termination notice to the Albany Housing Authority will be considered a violation of Family Obligations and may cause the family to be terminated from the program.

A familywhogives notice to terminate the lease must mail the notice by certified mailor have the landlord or his agent sign a statement stating the date and time received. The family will be required to provide the certified mail receipt and a copy of the lease

9.5FSSPARTICIPANTPROGRAMPORTABILITY

The Albany Housing Authority requires that a family participating in the Section 8 Department FSSP rogrammust lease a unit in the city of Albany for a minimum of 1 years after the effective edate of the contract of participation. An exception would be a situation where a move is necessitated due to good cause, and approved on a case by case basis by the Administrator of the Section 8 Department. After the first year, a family may move to an a partmentinanother community and continue to be a FSS participant provided it has fulfilled the terms of the original lease.

The AHA will maintain the FSS escrow account until the receiving PHA absorbs the family into its Housing Choice Voucher Program.

If the receiving PHA absorbs the family, the family may participate in that PHA'SFSSProgramifthatPHA approves their participation. The receiving PHA will enterint oanewFSS contract with the family for the time period remaining on the family's i nitial FSS contract. The new PHA must use the initial income and rent information from the Albany Housing Authority Section 8 Department contract. The AHA will then transfer the family's FSS account to the receiving PHA.

If the participant ports to anothe rPHA in the immediate Capitol District, and that receiving PHA does not offer an FSSP rogram, the Albany Housing Authority may offer the client continued participation in its FSSP rograms inceprogram resources would still be nearby.

If the family fails to fulfill its FSS contract obligations, the Albany Housing Authority may terminate the family from the FSS Program and recommend to the absorbing PHA that they terminate the family's housing choice voucher. In cases where the AHA is administering the fami ly's voucher, although the family has portedout, the AHA may terminate the housing choice voucher. Any escrowfunds being held will then be treated as program receipts of the Albany Housing AuthoritySection8Department.

Clients who wish to port into t he Albany Housing Authority's Section 8 FSS Program will be (upon approval of a new program participant application) absorbed into the Albany Housing Authority's Section 8 FSS Program. Since such a client already is a participant in an FSS Program, this cl ient will be given any selection preference that may be necessary to effect an immediate absorption into the program.

10.0 DETERMINATIONO FFAMILY INCOME

10.1 INCOME, EXCLUSIONSFROMINCOME, DEDUCTIONSFROMINCOME

To determine annual income, the Albany Housing Authority counts the income of all familymembers, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Albany Housing Authority subtracts out all allowable deductions (allowances) as the next step in determining the Total Tenant Payment.

10.2 INCOME

A. Annualincomemeansallamounts,monetaryornot,that:

- 1. Go to (or on be half of) the family head or spouse (even if temporarily absent)ortoanyotherfamilymember,or
- 2. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; an d
- 3. Arenotspecifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12 -month period (e.g. seasonal or cyclic income), or the Albany Housing Authority believes that past income is the best available indicator of expected future income, the Albany Housing Authority may annualize the income anticipated for a shorter period subjecttoaredeterminationattheendoftheshorterperiod.

- B. Annualincomeincludes, but is not limited to:
 - 1. The full amount, before any payroll deductions, of wages and salaries, overtimepay,commissions,fees,tipsandbonuses,andothercompensation forpersonalservices.

(Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other inform ation will be verified by third party verification. This type of verification includes written documentation (with forms sent directly to and received directly from a source, not passed through the hands of the family). This verification may also be direct contact with the source, in person or bytelephone. It may also be a report generated by a request from the Albany Housing Authority or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports rec eived will be contained in the applicant/tenant file. 11.3 VERIFICATIONOFCITIZENSHIPORELIGIBLENONCITIZENSTATUS

The citizenshipeligible/noncitizenstatus of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. (They will be required to show proof of their status by such means a sbirth certification or the PHADe claration of Section 214 Status form.)

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under pen alty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Albany Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Albany Housing Authority also will verify their status through the INSSAVE system. If the INSSAVE system cannot confirm eligibility, the Albany Housing Authority will mail information to the INS so a manual check can be made of INS records. If the information returned by the INS indicates that the applicant is otherwise eligible, then the client is eligible for housing assistance.

Family members who do not claim to be citizens, nationals or eligible noncitizens, or whose status cannot be confirmed, mus tbelisted on a statement of non -eligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to the Section 8 Program.

Any family member who does not choose to declare the status must be listed on the statementofnon -eligiblemembers.

If no family member is determined to be eligible under this Section, the family's admissionwillbedenied.

The family's assistance will not be denied, del ayed, reduced or terminated because of a delay in the process of determining eligible status under this Section, except to the extent that the delay is caused by the family.

If the Albany Housing Authority determines that a family member has knowingly permitted an ineligible non -citizen (other than any ineligible non -citizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a permitted to Section 8 for

11.4 VERIFICATIONOFSOCIALSECURITYNUMBERS

Priortoadmission, each family member who has a Social Security Number and who is at least six years of age must provide verification of his orher Social Security Number. New family members at least six years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security Number is the origin al Social Security card. If the card is not available, the Albany Housing Authority will accept letters from Social Security that establish and state the number. Documentation from other governmental agencies will also be accepted that establish and state the number. Driver's license, military ID, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security Number they will be required to signastatement to this effect. The Albany Housing Authority will not require any individual who does not have a Social Security Number to obtain a Social Security Number.

If a member of an applicant family indicates they have a Social Security Number, but cannotreadilyve rifyit, the family cannot be assisted until verification is provided.

If a member of a tenant family indicates they have a Social Security Number, but cannot readily verify it, they shall be asked to certify to this fact and shall up to 60 days to provide the verification. If the individual is at least 62 years of age, they will be given 120 days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated.

11.5 TIMINGOFVERIFICATION

Verification must be dated within sixty (60) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and updateonlythoseelementsreported to have changed.

11.6 FREQUENCYOFOBTAININGVERIFICATION

For each family member, citizenship/eligible noncitizen status will be everified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member jo ining the family, their status will be verified. For each family member age 6 and above, verification of Social Security Number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security Number at admission receives a Social Security Number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

If the Housing Authority determines that the RFLA cannot be approved for any reason, the landlord and the family will be notified in writing. The Housing Authority will instruct the owner and family of the steps that are necessary to approve the request.

The owner will be given five (5) calender days to submit an approvable Request For Leas approval from the date of disapproval.

e

When, for any reason a RFLA is not approved, the Housing Authority will furnish another Request for Lease Approval form to the family along with the notice of disapproval so that the family can continue to search or eligible housing.

12.3 RENTREASONABLENESS

The Housing Authority will not approve an initial rent or a rent increase in any of the tenant-based programs without determining that the rent amount is reasonable. Reasonablenessisdeterminedpriortoth einitialleaseandatthefollowingtimes:

- A. Beforeanyincreaseinrenttoownerisapproved;
- B. If 60 days before the contract anniversary date there is a 5% decrease in the publishedFMRascomparedtothepreviousFMR;and
- C. If the Housing A uthority or HUD directs that reasonable ness bere -determined.

12.4 COMPARABILITY

In making a rent reasonableness determination, the Housing Authority will compare the rentfortheunittotherent of comparableunits in the same or comparableneighbor hoods, by census tract. The Housing Authority will maintain currents urvey information on rental units in the jurisdiction. The Housing Authority will also obtain from landlord associations and management firms the value of the array of amenities.

The Ho using Authority will maintain current survey information on rental units in the jurisdiction. The Housing Authority will also obtain from landlord associations and managementfirmsthevalueofthearrayofamenities.

The Housing Authority will establish minimum base rent amounts for each unit type and bedroomsize. To the base the Housing Authority will be able to add or subtract the dollar value for each characteristic and amenity of a proposed unit.

Owners are invited to submit information to the surve ey at any time. Owners may review the determination made on their unit and may submit additional information or make improvements to the unit that will enable the Housing Authority to establish a higher value.

The owner must certify the rents charged for other units. By accepting the housing assistance payment each month the owner is certifying that the rent to owner is not more than the rent charged by the owner for comparable unassisted units in the premises.

12.5 MAXIMUMSUBSIDY

The Fair Market Rent (FMR) published by HUD or the exception payment standard rent (requested by the Albany Housing Authority and approved by HUD) determines the maximum subsidy for a family.

For a regular tenancy under the Certificate Program, the FMR/exception rent limiti s the maximum initial gross rent under the assisted lease. This only applies until the transition of the merger of the Section 8 Certificate and Voucher programs as outlined in 24 CFR 982.502 is complete.

For the Voucher Program, the minimum payment stan dard will be 90% of the FMR and the maximum payment standard will be 110% of the FMR without prior approval from HUD, or the exception payment standard approved by HUD.

For a voucher tenancy in an insured or noninsured 236 project, a 515 project of the Development Administration, or a Section 221(d)(3) below market interestrate project the payment standard may not exceed the basic rent charged including the cost of tenant utilities. Paid

Formanufactured home space rental, the maximum subsidy und erany form of assistance is the Fair Market Rentfor the space as outlined in 24 CFR 982.888.

12.5.1SettingThePaymentStandard

The Statuterequires that the payments tandard beset by the Housing Authority at between 90 and 110% of the FMR without HU D's prior approval. The Albany Housing Authority will review its determination of the payment standard annually after publication of the FMRs. The Albany Housing Authority will consider vacancy rates and rents in the market area, size and quality of units leased under the program, rents for units leased under the program, success rates of voucher holders in finding units, and the percentage of annual income families are paying for rent under the Voucher Program. If it is determined that success rates wills uffer or that families are having to rent low quality units or pay over 40% of income forrent, the payment standard may be raised to the level judged necessary to alleviate these hardships. The Albany Housing Authority may establish apayment standards et at 110% of the FMR for families locating housing incensus tracts outside the documented high poverty areas.

The Albany Housing Authority may establish a higher payment standard (although still within 110% of the published fair market rent) as a reason able accommodation for a familythatincludes people with disabilities. With approval of the HUDFieldOffice, the payment standard cangoto 120%.

Paymentstandardswillnotberaisedsolelytoallowtherentingofluxuryqualityunits.

If success leve ls are projected to be extremely high and rents are projected to be at or below 30% of income, the Housing Authority will reduce the payment standard. Payment standards for each be droom size are evaluated separately so that the payment standard for one bed room size may increase or decrease while another remains unchanged. The Albany Housing Authority may consider adjusting payment standards at times other than the annual review when circumstances warrant.

Before increasing any payment standard, the Housing Authority will conduct a financial feasibility test to ensure that in using the higher standard, adequate funds will continue to be available to assist families in the program.

12.5.2 SelectingtheCorrectPaymentStandardforaFamily

12.5.3AreaExceptionRents

In order to help families find housing outsi de areas of high poverty or when voucher holders are having trouble finding housing for lease under the program, the Housing Authority may request that HUD approve an exception payment standard rent for certain areas within its jurisdiction. The areas may be of any size, though generally not smaller than a census tract. The Housing Authority may request one such exception payment standard areaormany. If the FMR decreases, the exception payment standard rent authority automatically expires.

If granted after that date, the maximum period of time for assistance under the provision is 18 months. The Albany Housing Authority will grant each family a period of 6 months to find suitable affordable housing. If the family cannot find suitable affordable housing, the Albany Housing Authority will provide additional search period suptothe maximum time allowable.

Suitable housing mean shousing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plusutilities, plus 25%.

Thefamily'sassistanceisproratedint hefollowingmanner:

- 1. Find the prorated housing assistance payment (HAP) by dividing the HAP by the total number of family members, and then multiplying the result by the number of eligible family members.
- 2. Obtain the prorated family share by subtr acting the prorated HAP from the grossrent (contract rent plusutility allowance).
- 3. The prorated tenant rent equals the prorated family share minus the full utilityallowance.

12.7 CONTRACTEXECUTION

The Housing Authority shall enter into a Housing Assist ance payment (HAP) contract with the property owner. The Housing Assistance Payment Contract is a written contract providing housing assistance payments to the owner on behalf of the eligible family.

HousingAssistancePaymentContractExecutionProcess:

(a). The Housing Assistance Payment contract shall be in the form required by HUD.

- (b). The term of the Housing Assistance Payment contract shall be gin on the first day of the term of the lease and end on the last day of the term of the lease.
- (c). The Housing Assistance Payment contract shall terminate if the lease terminates.

- (i). Any Housing Assistance Payment contract executed after the 60 -day period is void and the Housing Authority shall not pay any Housing Assistance Payment to the owner.

- (k). The owner shall not demand or accept any rent payment from the tenant in excessofthecalculated tenantrent.

12.8 UTILITYALLOWANCE

The Housing Authority maintains autility allowance schedule for all tenant -paid utilities (except telephone) and an allowance for the cost of tenant -supplied refrigerators and ranges.

The utility allowance schedule is determined b ased on the typical cost of utilities and services paid by energy -conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the Housing Authority uses normal patterns of consumption for the community as whole, and current utility rates.

The Housing Authority uses a service annually that collects and compiles utility consumption data that is used to update the utility allowance schedule. A database of 2000 units with a ten -year history is used . The service provides rate data, consumption report, rate and average consumption report, summary sheet and utility schedules. Participants may review this information at any time by making an appointment with the AlbanyHousingAuthority.

The Housing Authority uses the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the Housing Authority subsidy standards).

Ateachreexamination, the Housing Authority app lies the utility allowance from the most current utility allowance schedule.

The Housing Authority will approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by thefamilymember with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting f romutility costs below the amount of the allowance belong to the tenant.

Utility allowances greater than the TTP resulting in a utility allowance payment (UAP) may be paid directly to the utility company by the Albany Housing Authority. In these cases, thefamilywillbenotified of the amountpaid.

12.9 DISTRIBUTIONOFHOUSINGASSISTANCEPAYMENT

The Housing Authority pays the owner the lesser of the housing assistance payment or the rent to owner. If payments are not made when due, the owner may char ge the Albany Housing Authority a late payment, agreed to in the Contract and in accordance with generally accepted practices in the Albany jurisdiction if the following conditions apply:

C.DeterminingtheTotalFamilyContribution

TheTFC is that portion of the homeownership expense that the family must pay. It is generally 30% percent of the family's adjusted income, plus any gap between the payment standard and the actual housing cost. All family income (including public assistance), will be counted to determine the family's adjusted monthly income for purposes of determining the amount of assistance.

D.PaymenttoFamilyorLender.

AHA will provide the lender with notice of the amount of the housing assistance payment prior to close of escrow and will pay AHA's contribution towards the family's home owner expense directly to the family, unless otherwise required by the lender. The family will be responsible to submit the entire mort gage payment to the lender unless the lender requires direct payment of AHA's contribution.
