Admissions Policy for Deconcentration

DECONCENTRATION POLICY

It is Graham Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Towards this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Graham Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

The Graham Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and non-discriminatory manner.

When the Graham Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Graham Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given three (3) business days from the date the letter was mailed to contact the Graham housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have 24 hours to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Graham Housing Authority will send the family a letter documenting the offer and the rejection.

Continued Occupancy & Community Service Requirement

Graham Housing Authority Continued Occupancy and Community Service

General

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

Exemptions

The following adult family members of tenant families are exempt from this requirement.

- A. Family members who are 62 or older
- B. Family members who are blind or disabled as defined under 216(1)(1) or 1614 of the Social Security Act (42 U.S.C. 416 (1)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirements.
- C. Family members who are the primary care giver for someone who is blind or disabled as set fourth in Paragraph B above.
- D. Family members engaged in work activity
- E. Family members who are exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program.
- F. Family members receiving assistance, benefits or services under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program.

Notification of the Requirement

The Graham Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The Graham Housing Authority or Resident Advisory Board shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Graham Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after 1-1-2001. For family's paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

Volunteer Opportunities

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship & any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Graham Housing Authority or Resident Advisory board members will coordinate with Social Service Agencies, local schools & the Human Resources Office in identifying a list of volunteer community service positions.

The Process

The Graham Housing Authority agrees to employ part-time Resident Advisory Board Members to assist the Authority in implementation and operation.

At the first annual reexamination on or after January 1, 2001, and each annual reexamination thereafter, the following will be accomplished:

Provide a list of volunteer opportunities to the family members.

Provide information about obtaining suitable volunteer positions.

Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.

Assign family members to a coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The coordinator will track the family member as needed to best encourage compliance.

Thirty (30) days before the families next lease anniversary date, the Graham Housing Authority will advise whether each applicable adult family member is in compliance with the community service requirement.

Notification of Non-Compliance with Community Service Requirement

The Graham Housing Authority will notify any family found to be non-compliance of the following:

The family member(s) has been determined to be in non-compliance;

That the determination is subject to grievance procedure; and

That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated.

Opportunity for Cure

The Graham Housing Authority will offer the family member(s) the opportunity to enter an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes towards the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service by more than three (3) hours after three (3) months, the Graham Housing Authority shall take action to terminate the lease.

Prohibition against Replacement of Agency Employees

Implementing the service requirement, the Graham Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

Re-certifications

At least annually, the Graham Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

General

The Graham Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or income method, and scheduling an appointment if they are currently paying an income rent. If the family thinks they may want to switch from a flat rent to an income rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Graham Housing Authority will determine whether family composition may require a transfer to a different bedroom size, unit, and if so, the families name will be placed on the transfer list.
