ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Minot Housing Authority submits the following Annual Agency Plan for 2002. The 5 Year Strategic Plan has been submitted for the previous two years, and as there are no substantial deviations from this plan no additional plan will be submitted. The Minot Housing Authority operates a Public Housing program of 259 units; Section 8 rental assistance program of 715 vouchers; Capital Funds program; Elder Service Coordinator (ROSS grant); Family Self-Sufficiency; Entrepreneurship Training Program; EDSS program; provides management for a Section 8 New Construction project and for Neighborhood Development Enterprises, Inc. MHA participates in numerous other activities in conjunction with the community as a whole such as: SAFE program with the Minot Police Department; Homeownership classes with Community Action Organization; the Mayor's Committee on a Renaissance Zone; and Landlord Training Sessions.

Goals which have been accomplished are listed in Attachment A following the text of this Plan. A note on the Deconcentration Policy: MHA has two projects, one of which is a high-rise building which has been used to house elderly and non-elderly disabled. The second project consists of 40 units of family housing scattered around the community. The units are not identified as public housing and blend in with the surrounding residences. The nature of the community is such that housing a various income levels is mixed and there are few real areas of concentrated poverty. For this reason deconcentration issues are not relevant to the Minot Housing Authority.

Minot Housing Authority plans to enhance the availability of affordable homeownership in the community by developing a homeownership program using Section 8 vouchers. This program will be coordinated with the Family Self-Sufficiency program and will target the participants of this program as the initial recipients.

MHA is a High Performing Agency and as such will submit a streamlined plan.

ACCOMPLISHED GOALS

Assisted Living Project

MHA has received a grant from a private Foundation to purchase twelve emergency call units to enable residents to have an immediate response at all times. Some provider difficulties have been encountered with staffing the Assisted Living project, however these are being addressed.

Fair Share Vouchers

MHA has been able to increase the number of Section 8 Vouchers through the award of a Fair Share Grant for 2001. These additional vouchers will help MHA meet its ongoing goal of providing safe and affordable housing to a greater number of the area population.

Modernized Units

MHA continues to modernize units throughout the Public Housing Properties. Items updated include kitchen cabinets and appliances, plumbing, electrical, closet doors and flooring. MHA is dedicated to seeing that our public housing residents continue to be provided with quality housing that is also safe and affordable.

Increased Tenant Space

MHA has been able to relocate our offices from Milton Young Towers to an office building across the street. Close in proximity, the new office has also provided the tenants in Milton Young Towers with more common space and more parking space. The increased common area will be used for a hair salon, a computer lab, and possibly a craft room.

Increased Community Involvement

MHA is reaching out to the community and working with many of the community service providers to create more responsive and relevant programs. To achieve this goal MHA has collaborated with the Minot Police Department on the SAFE program. This is a program of education relevant to security issues among rental units in the community.

INITIAL ASSESSMENT BY MINOT HOUSING AUTHORITY FOR VOLUNTARY CONVERSION OF PUBLIC HOUSING STOCK TO TENANT-BASED ASSISTANCE

Minot Housing Authority has two public housing developments, one of which is subject to initial assessment. The remaining development is a 219 unit high-rise which is an elderly and/or disabled development. The following initial assessment was completed on August 15, 2001:

A review of 40 public housing family units located throughout the Minot community and administered by MHA has been completed pursuant to FR 24 CFR Part 972, Voluntary Conversion of Developments From Public Housing Stock; Required Initial Assessments; Final Rule dated Friday, June 22, 2001. It was the finding of the review committee during this initial assessment that converting any or all of these units from public housing to tenant-based assistance is inappropriate at this time.

The review found that:

1. Conversion may be more expensive than continuing to operate the development as public housing;
2. No clear indication that there would be a benefit for residents of the public housing development and the community; and
3. Conversion may adversely affect the availability of affordable housing in the community.

The "40 Family Units" consist of single-family and duplex structures configured in 1-4 bedroom sizes. An extensive waiting list exists for all units, whereas, there are negligible or no waiting lists for tenant-based assistance units in the community.

ATTACHMENT E

ADMISSIONS POLICY FOR DECONCENTRATION

It is Minot Housing Authority policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. The Housing Authority will affirmatively market housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

RESIDENT ADVISORY BOARD SEPTEMBER 11, 2001 MEETING

All members present; Nema Canon, Maxine Malcomb, Susan Pixler, John Debowey, Jodi Zellers, Lucinda Landis, Jeanene Licht, Mary Forness and Brenda Boehler.

Not present; Delores Schieve.

Changes made to June minutes; Susan Pixler phone number, Jeanene Licht change to Street not Avenue and removal of Bill Flesch from MHA Board of Directors list.

Charter was submitted by Brenda Boehler. Board reviewed and approved.

Board reviewed the 5 Year PHA Agency Plan. Following is a list of comments;

1. There was a question on Tenant charges page 12, #4. What does this refer too?
2. Waiting list for Public Housing and Section 8, does the individual get more than one choice?
3. How many are too many for a household size?
4. Page 25 #1 at family option?
5. Pet Policy. Why does having a fish in a bowl of water cost the same as having a small dog or cat?

In reviewing the PHA Plans the Board found a number of errors, mostly the numbering of items.

We are submitting this to the Executive Director for further comments.

After review by the MHA Board of Commissioners, all questions were answered. It was noted that the numbering of items would not be correct or final until the agency plan is completed.
