5-YEAR PLAN PHA FISCAL YEARS 2000 - 2004

[24 CFR Part 903.5]

A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

 \square The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

 \boxtimes The PHA's mission is: To be a leader and a partner in providing long-term, quality housing opportunities for individuals and families within our jurisdiction. We are committed to helping the people we serve achieve independence and improve the quality of their lives.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS. (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- \boxtimes PHA Goal: Expand the supply of assisted housing **Objectives:**
 - \square Apply for additional rental vouchers:
 - Reduce public housing vacancies:
 - Leverage private or other public funds to create additional housing opportunities:
 - Acquire or build units or developments
 - Other (list below)
- \square PHA Goal: Improve the quality of assisted housing **Objectives**:
 - Improve public housing management: (PHAS score)
 - Improve voucher management: (SEMAP score)
 - Increase customer satisfaction:
 - Concentrate on efforts to improve specific management functions: Streamline voucher unit inspections;

 - Convert public housing to vouchers:
 - Other: (list below)

HUD Strategic Goal: Improve community quality of life and economic vitality

- PHA Goal: Provide an improved living environment Objectives:
 - Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments:
 - Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:
 - Implement public housing security improvements:
 - Designate developments or buildings for particular resident groups (elderly, persons with disabilities)
 - Other: (list below)

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

PHA Goal: Promote self-sufficiency and asset development of assisted households

Objectives:

- Increase the number and percentage of employed persons in assisted families:
- Provide or attract supportive services to improve assistance recipients' employability:

Provide or attract supportive services to increase independence for the elderly or families with disabilities.

Other: Provide speakers and information on areas of health and wellness, medical and other insurance, fraud and assisted living.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

PHA Goal: Ensure equal opportunity and affirmatively further fair housing Objectives:

- Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability:
- Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability:

<u>1. Statement of Housing Needs</u> [24 CFR Part 903.7 9 (a)]

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have

housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for
each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate
that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

\square	Employ effective maintenance and management policies to minimize the number
	of public housing units off-line
\boxtimes	Reduce turnover time for vacated public housing units
	Reduce time to renovate public housing units
	Seek replacement of public housing units lost to the inventory through mixed
	finance development
	Seek replacement of public housing units lost to the inventory through section 8
	replacement housing resources
\boxtimes	Maintain or increase section 8 lease-up rates by establishing payment standards
	that will enable families to rent throughout the jurisdiction
\boxtimes	Undertake measures to ensure access to affordable housing among families
	assisted by the PHA, regardless of unit size required
\boxtimes	Maintain or increase section 8 lease-up rates by marketing the program to owners,
	particularly those outside of areas of minority and poverty concentration
\boxtimes	Maintain or increase section 8 lease-up rates by effectively screening Section 8
	applicants to increase owner acceptance of program
\boxtimes	Participate in the Consolidated Plan development process to ensure coordination
	with broader community strategies
	Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Table Library

Select all that apply

 \boxtimes

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.

Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
 - Employ admissions preferences aimed at families with economic hardships

Adopt rent policies to support and encourage work

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly: Select all that apply

Seek designation of public housing for the elderly Apply for special-purpose vouchers targeted to the elderly, should they become available

Other: (list below)

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities: Select all that apply

- Seek designation of public housing for families with disabilities $\overline{\mathbf{X}}$
 - Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- \square Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- \square Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

 \square

Affirmatively market to races/ethnicities shown to have disproportionate housing needs

Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- \boxtimes Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- \square Market the section 8 program to owners outside of areas of poverty /minority concentrations

Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)

(2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

- \boxtimes
- Funding constraints
- Staffing constraints
- Limited availability of sites for assisted housing
- Extent to which particular housing needs are met by other organizations in the community
- \boxtimes Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA

Deconcentration Public Housing

At the beginning of fiscal year 2000, the HA established a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous HA fiscal year. To accomplish the goals of: 1)Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median income, and 2)Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income, the HA's Tenant Selection and Assignment Plan, which is part of this policy, provides for skipping families on the waiting list to accomplish this goal. The HA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the HA computer system.

Deconcentration Section 8

The objective of the deconcentration rule for Section 8 tenant based assistance is to admit no less than 75% of its new admissions to the program to families that have incomes at or below 30% of the area median income. The LMHA will track the status of all new admissions monthly utilizing income reports generated by the HA computer system. The goal will be tracked monthly. If the HA is not meeting its goal, families will be skipped on the waiting list to admit a family that has income that is at or below 30% of the area median income.

Progress Report

In its FY 2001 Annual Plan, the LMHA listed the following as housing strategies the responsive actions of the HA to address these needs is stated in boldface below each strategy.

1. Maximize the number of affordable units available to the PHA within its current resources by: Employ effective maintenance and management policies to minimize the number of public housing units off-line

Reduce turnover time for vacated public housing units

Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction

Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required

- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

The LMHA's new maintenance person was able to reduce unit turnover and began using the UPCS standards for inspections. The LMHA reviewed payment standards for the program and utility allowances. The HA offered a meeting room for use by the local property association and remained active members. The LMHA participated in the Community Consolidated Plan. The HA researched the idea of project basing its own Section 8 units to other entities/owners.

2. Increase the number of affordable housing units by:

Apply for additional section 8 units should they become available Pursue housing resources other than public housing or Section 8 tenant-based assistance.

The LMHA applied for and received \$20,000 in CDBG funds for energy improvements and State of Ohio funds as well. The HA developed its own non-profit housing development organization.

3. Target available assistance to families at or below 30 % of AMI

Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance

Adopt rent policies to support and encourage work

The LMHA met its targeting goal and continued the "no-income up" policy to encourage work.

4. Target available assistance to families at or below 50% of AMI Adopt rent policies to support and encourage work

See above

6. Target available assistance to the elderly:

Apply for special-purpose vouchers targeted to the elderly, should they become available

None were made available.

7. Target available assistance to Families with Disabilities:

Apply for special-purpose vouchers targeted to families with disabilities, should they become available

Affirmatively market to local non-profit agencies that assist families with disabilities

Remained an active participant in the local mental health housing committee.

8. Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Affirmatively market to races/ethnicities shown to have disproportionate housing needs

Marketed program through new brochures and posters and email.

9. Conduct activities to affirmatively further fair housing

Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units Market the section 8 program to owners outside of areas of poverty /minority concentrations

Extensively marketed program to existing and new property owners. Counseled all voucher families on areas of poverty and minority concentration.

Community Service Requirements

The LMHA adopted provisions for community service requirements in December of 1999 with the understanding that the requirement would be enforced when further guidance was issued from the Department of Housing and Urban Development. The policy states:

Each adult member of a public housing household, who is not classified as elderly or disabled, must complete eight hours per month of either community work or must be enrolled and actively participating in an economic self sufficiency program as part of the unit lease. The service will be coordinated by LMHA personnel. The work to be done can be either on the complex grounds or in the larger community. No employees shall be replaced by community service workers. The following are exempt from community service requirements:

Any resident over age 62 The blind or disabled (there are some exceptions for disability) The employed A person engaged in work or training program

Community Service will not be limited to any single type of activity but will be geared toward the resident's personal preference when such opportunities are available. Community service may include work on the project grounds, volunteering at a school, hospital or child care center, non-profit organization, church or neighborhood group. Activities that are designed to help residents become self sufficient may be substituted for or combined with community service to meet the required eight hours. Self sufficiency activities may include apprenticeships and job readiness training, substance abuse and mental health counseling or treatment, or household budgeting and credit counseling. Political activity is prohibited as a community service activity.

The LMHA will verify the exemption status of residents annually at recertification, individuals exempt due to age are not required to verify exemption every year. If a resident's situation changes which would affect his or her exemption status, he or she must notify the LMHA of the change within ten days, for example, unemployed individuals must be able to request a determination of exemption if they find work or begin a training program.

An annual review will be done of each resident to see if he/she has kept up with any required hours of community work. If a resident who is required to complete community work does not complete his or her eight hours of work per month (or 96 hours within the year) then that person shall be notified of the following:

That the person is in noncompliance That the determination of noncompliance is subject to LMHA's grievance procedures That unless the person enters into an agreement with the LMHA the resident's lease will not be renewed

In order to prevent non-renewal of the lease, an agreement between the LMHA and the resident must be signed by both parties. The agreement would state that the resident would either enroll in an economic self

sufficiency program or keep up with all future community work hours in addition to making up all missed hours over the past year.

Community Service requirements were incorporated into the lease with a written rider that as no such program had yet been established, new residents would not be forced to comply until such time as the LMHA had the proper record keeping standards and policies in place and had begun to identify community work sites or activities.

Beginning January 1, 2001 all new residents (meeting the criteria for compliance) will engage in community service activities. Existing residents (meeting the criteria for compliance) will be notified of the new requirements and will begin community service activities within 90 days. A rider will be attached to their current lease.

RULES AND REGULATIONS REGARDING THE KEEPING OF PETS AT THE SENIOR HI-RISE

The following rules and regulations for the keeping of pets in public housing were adopted in accordance with 24 CFR 942. This policy does not apply to animals that are used to assist the handicapped.

Any resident who wishes to own a pet must file an application at the LMHA Office to register the pet for housing. This application must be approved by management before the pet can be on the premises. Only common household pets may be kept by a tenant. For purposes of this regulation, a common household pet is defined as a dog, cat, bird or fish, gerbil, hamster or guinea pig. The keeping of rats, mice and snakes is prohibited. Tenants shall keep no more than one dog or one cat, two birds, one hamster, one guinea pig, or one gerbil. Aquariums shall not exceed ten gallons. Birds must be kept in a cage. In the case of cats, gerbils, guinea pigs and hamsters, should an applicant have two like animals at the time of lease up, the tenant shall be allowed to keep both animals until such time as a good home is found for one or the animal passes. After such time, the tenant shall abide by the standards set forth above. No pets mature growth shall exceed (15) inches in height, measure from ground to shoulder, no more than 40 pounds in weight.

In order to cover the cost of potential damages, a pet deposit of \$150.00 is required for each dog or cat, \$5.00 each for a bird, or other animals. A deposit of \$50.00 is required for each fish tank, fish bowls will require a \$5.00 deposit. This deposit is refundable if no damage is done as verified by the LMHA, after tenant disposes of pet/pets, or moves. Deposits for dogs and cats may be paid in installments with \$50.00 required at lease up and a subsequent \$10.00 per month until the balance is collected. The pet deposit is in addition to the normal security deposit required by the LMHA and is in addition to the normal rent paid by the tenant.

Tenants are encouraged to obtain liability or other insurance to cover possible damages or liabilities incurred through the boarding of a pet.

Before acquiring a pet, the tenant must provide the LMHA, in writing, with the name of the adult(s) who will be responsible for the care of the tenant's pet in case of the tenant's illness, hospitalization, or other emergency. No pet is to be left unattended in a unit for more than 12 consecutive hours.

Tenant must have verification of current license, all pet vaccinations required applicable law or ordinance and a certificate verifying spaying or neutering for all dogs and cats. Tenant must provide the LMHA with evidence of annual updates and also evidence that the animal is in good health, has no communicable diseases or pests and shows general good temperament and behavior.

The adult size of pet may not exceed 40 pounds. No pet mature growth shall exceed 15 inches in height.

Each tenant shall be limited to either one dog, or cat in addition to a small bird and to one tank of fish per unit. Cats and dogs must be spayed or neutered prior to being added to the dwelling lease. Should any pet housed in an LMHA unit give birth to a litter, the resident shall move from the premises all of the pets except one.

Residents shall not permit their pet to disturb, interfere, or diminish the peaceful enjoyment of other residents. The terms "disturb, interfere and diminish" will include but not be limited to barking, howling, chirping, biting, scratching, growling, baring teeth in a threatening way, soiling common areas, and other like activities.

Tenant agrees that if fellow tenants or employees of the LMHA develop allergies resulting from a pet, its owner will voluntarily relinquish habitation of the pet on LMHA premises.

Pet owners are liable for any damage caused by their pet. Damage includes charges for infestation and spraying. Also any materials and labor involved in repairing or replacing any damages will be charged to the tenant. Fish aquarium rocks and gravel and cat box litter are not to be placed down drains or toilets.

Pets are not permitted in any common areas including laundry, elevators and office area except when directly leaving or entering the building.

Dogs and cats must be in control of an adult and on a leash when outside the apartment. Other small animals such as birds, hamsters. etc., must be caged at all times. Dogs and cats must be caged or secured in the apartment when the owner is not home.

The pet owner must keep the apartment in a sanitary condition that is free from animal odors.

All pet owners are required to keep a clean-up device for waste. Litter boxes are required for cats. The owner of every pet will be responsible for picking up waste left by the pet on LMHA property and disposing of it in a dumpster or other designated area. In addition, the waste must be wrapped. At no time will pet waste be placed in trash chutes. Avoid traveled areas, walkways, trees and shrubs.

The resident may not alter the apartment or outside area to provide an enclosure for a pet.

No guests may bring pets onto the premises. Tenants are not permitted to "pet sit."

Any resident who receives three letters regarding violations of the pet policy will be required to permanently remove the animal from the premises. Three violations could also result in the eviction of the resident.

The LMHA encourages residents who live in a pet-authorized location to form a Pet Association. This association would deal with pet-related complaints and monitor reported violations of the rules.

Nothing in these rules will prohibit the LMHA or an appropriate community authority from requiring the removal of any pet from a project if the pet's conduct or condition is duly determined to constitute, under the provisions of State or local law, a nuisance or a threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

If the LMHA feels, based upon past experiences with a tenant, that tenant is not capable of providing for pet, the application will not be approved to allow a pet in the unit. Otherwise, the tenant must prove they are capable of properly caring for the pet.

Furthermore, in the event of an emergency the LMHA reserves the right to remove any pet from the premises that constitutes an immediate threat to health or safety.

RAB Comments

The RAB was surveyed on the goals and strategies of the LMHA and also on matters of policy. The following is a summary of survey responses.

The LMHA should stay open one evening per week to accommodate schedules of Section 8 families. The LMHA should offer a preference for victims of domestic violence, the homeless, working families, the disabled. The LMHA should produce more housing for the elderly and disabled The LMHA should allow Section 8 families to move from Licking County during their first year of assistance. The LMHA should restrict application to the Section 8 program to those families who have lived or worked in Licking County for at least one year. The LMHA should offer a homeownership program using the Section 8 Housing Choice Voucher. The LMHA should not take applications for Section 8 via phone. The LMHA should not change its zero income policy for Section 8 households. The LMHA should hire a staff person specifically for fraud investigation. The LMHA should impose higher standards on landlords. The LMHA should continue its current staff to client ratio and distribution. The residents of Terrace Gardens should not have to dispose of their own trash.

Homeownership Program

The LMHA will continue to explore the possibility of using the Housing Choice Voucher for a homeownership program. The LMHA will begin to design the program in 2002 based on the following model. Units will be sold on a lease/purchase model. Families will be selected based on participation in the Welfare to Work program. A very few families will be selected for the pilot (10). Families will be referred to the Individual Development Account program maintained by the Licking County Coalition for Housing. Families will be required to attend pre and post purchase counseling.

Conversion Assessment

In accordance with HUD rules, the LMHA began an assessment of its public housing program to determine its current and future viability. The LMHA's only public housing project, Terrace Gardens, is an elderly high rise located in Newark's downtown business district which is also a low income census tract. The building has a back-log of maintenance needs. An architectural estimate concluded that the improvements may total \$2million dollars. The LMHA has tried unsuccessfully to prioritize maintenance needs as many of the improvements needed are to major systems that cannot be delayed. The individual apartment units themselves are all in good condition with fairly new amenities. The LMHA has explored various financing methods to include the State of Ohio Low Income Housing Tax Credit, Capital Fund and private lenders. The LMHA has determined that it cannot support the debt service for a bond deal nor would it score high enough in a tax credit application due to the bedroom size of the current units. The LMHA has considered and continues to review the option of disposing of the structure to a non-profit organization so that it may receive Section 8 project based assistance. At first glance this seems to be a way to increase the income stream of the facility so that it may support debt service. The conversion assessment necessary to complete this plan is still underway. The LMHA will require a review of utility rates and consumption, improvement needs, rent reasonableness, and housing quality inspection for the conversion assessment to be completed.

Licking Metropolitan Housing Authority Agency Plan Public Hearing August 13, 2001

Those present: Sylvia Ray-Taylor, Stacy Clapper, Bill Slocum, Theresa Mills, Tillie Swonger, Merianne Prior, Donna Ducheck, Rita Keffer, Kathy Whitelatch, Reiko Ridenbaugh, Rebecca Krakora, Linda Ivers, Beth Ivers

Ms. Ray-Taylor opened the meeting by explaining the purpose and goals of the Five Year Agency Plan and Annual Plan:

On 10-12-98 President Clinton signed into law the Quality Housing and Work Responsibility Act better known as the Housing Act. The Housing Act made several changes to the way that Housing Authorities nationwide are doing business. One of the changes is the required Five Year Plan and Annual Plan.

The Five Year Plan outlines the Authorities mission for serving low income families in its jurisdiction, and details the agencies goals and objectives for the coming five years. The annual plan details actual activities to be implemented in the coming year, funds available for these activities and the admissions policies and procedures governing the Section 8 and public housing program.

Ms. Ray-Taylor read the following goals that the LMHA will attempt to address in the coming five years.

- 1. Increase the availability of decent, safe and affordable housing.
- 2. Improve community quality of life and economic vitality.
- 3. Promote self sufficiency and asset development of families and individuals.
- 4. Ensure equal opportunity in housing for all Americans

Public Comments

Ms. Theresa Mills asked about trash removal for public housing residents. Ms. Ray-Taylor explained that the refuse company would no longer service the LMHA due to problems with the trash chute. In order to retain service, maintenance would do a pick-up of garbage on a set schedule. Tenants who do not keep with the schedule may be fined. All residents will have the option of depositing their own refuse in the back lot.

Ms. Mills requested there be changes made to staff so that there would be more staff for residents of the high rise to come to with concerns. Ms. Ray-Taylor noted that there did not seem to be an issue with responses to resident complaints. Residents may always come to the staff office, use the suggestion box or leave notes under the office door.

Ms. Mills and Ms. Swonger and Ms. Prior noted that some residents needed assisted living.

Ms. Swonger asked when the windows of high rise residents would be replaced. Ms. Ray-Taylor stated that the Housing Authority was exploring various options to pay for complete window replacements.

One citizen remarked that the LMHA should increase the availability and choices for voucher recipients by starting a homeownership program.

Ms. Swonger noted a need for intervention in neighbor disputes at the public housing development. Ms. Ray-Taylor stated that the LMHA was investigating the possibility of providing training in mediation skills for high rise residents using resident participation funds. Ms. Ray-Taylor stated a portion of these funds would be used for pest control education. Ms. Prior stated that the LMHA should provide the "discs" for residents. Ms. Mills noted that keeping the trash dumpster in the building most likely contributed to the problem.

Ms. Prior asked if the Henrietta building and adjacent properties were going to be torn down and new senior housing developed. Ms. Ray-Taylor stated that she knew of no plans to do so and that those properties were owned by a private individual. Ms. Ray-Taylor informed those present that there had been a proposal to turn the Avalon building into senior housing but funding requests had not been approved.

One citizen noted that many social service clients had difficulty finding rental houisng due to poor credit or prior cirminal historty. Ms. Ray-Taylor stated that a homeownership program may assist those who have difficulty renting. In addition, should the Housing Authority elect to project base a portion of its Section 8 assistance and non-profits are awarded the vouchers as owners, they may look more favorably to tenants who have such backgrounds. Ms. Ray-Taylor also stated that the LMHA contracts with the LCCH for good tenant workshops.

There were no other questions.

The hearing was closed at 3:05.
