Attachment D: CommunityServiceRequire ments

The Mansfield MHA has none, and administers no, Public Housing units. As such, the HA is not subject to the Public Housing Resident Community Service Requirements.

However, the Mansfield HA has entered into a cooperative agreement with the Richlan County Department of Joband Family Services (the local TANF [welfare] agency) to assist the HA and TANF agency inverifying compliance with various components of programs operated by each agency.

Attachment \underline{E} : ProgressinMeetingthe5 -YearPlanMission andGoals

The Mansfield MHA is working diligently to achieve a 95% lease - uprate in its Section 8 Housing Choice Voucher Programs, as mandated by the U.S. Department of Housing and Urban Development. The Authority has already exceeded utilization of over 103% of the funds allocated to it, thus making a 95% lease - upex tremely difficult achieve. The Authority will continue to utilize as much funding as legally permitted in an attempt to assist as many low income families as possible.

In addition, the Mansfield MHA has been consulted and has leant its support to various low-incometax credit projects built, and proposed, for Richland County in a continuing effort to provide a sgreat ahousing opport unity as possible for low to moderate income Richland County residents.

The HA will also attempt to obtain a smany additional Housing Choice Vouchers as possible in the marginal earful ture, once a full lease uprate is attained.
