ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Medina Metropolitan Housing Authority
Annual Plan for Fiscal Year 2002

Executive Summary

The Medina Metropolitan Housing Authority (MMHA or the "Authority") Annual Plan includes components for both the Public Housing and Section 8 Programs.

For Public Housing (PH), the Authority plans to continue the modernization of apartments as called for in the Modernization Needs Assessment. In addition, the Authority plans to complete an energy audit to determine, what, if any additional energy efficiency activities might be planned for the future.

The Authority also plans to continue to work with advocacy groups of Special Populations to assure a sufficient waiting list for the development. Regular meetings will continue, as well, with the Resident Advisory Board (RAB).

The Authority is also committed to keeping its staff trained on new legislative initiatives as well as innovative management techniques and legal issues pertaining to rental housing. As such, all possible training initiatives will be reviewed for merit and staff will be trained as resources allow.

For Section 8 (S8), Authority staff will aggressively market the program to landlords. The Authority increased the number of landlords participating in the program by 10% in fiscal years 2000 and 2001. A similar increase is sought for fiscal year 2002.

The Authority will also apply for additional Vouchers, as funding opportunities become known to it. This includes Welfare to Work Vouchers, Mainstream, and other special increments.

Most importantly, the Authority will continue its Home Ownership Program for its Family Self-Sufficiency (FSS) clients or a new base of clients, should the FSS participants not be able to demonstrate financial ability. The Authority hopes, too, to maintain its expanded FSS Program with funding from the local department of Human Services, HUD, or other sources of funding.

Each of the items noted in this Executive Summary are designed to help the Authority meet its third year goals and objectives as outlined in the Five Year Plan.
