# Resident Membership of the PHA Governing Board

Marion County Housing Authority does not have a resident serving on the PHA Governing Board. The Governing Board for MCHA is publicly elected officials (Commissioners) for the County of Marion. Marion County Housing Authority is exempt from establishing a resident on the **PHA Governing Board** because it has less than 250 units of Public Housing and is considered a small housing authority.

MARION COUNTY HOUSING AUTHORITY

Statement of Progress in Meeting the 5 Years

## MCHA Progress in Meeting the 5 -Year Plan Mission and Goals

Marion County Housing Authority is working toward achieving our mission of providing a better place to live for citizens of Marion County by developing, administering, and maintaining, safe, decent and affordable housing.

MCHA has made excellent progress toward meeting our goals including but not limited to modernizing our current Public Housing stock, disposing of obsolete Public Housing, providing replacement housing and promoting self sufficiency and opportunity while conducting outreach to assist in housing choices.

Progress has been made in maintaining our housing stock by replacing obsolete and worn out appliances, furnishings, and equipment. Major systems have been updated as needed, including plumbing, electrical and heating.

The agency has completed the purchase of 8 new units through Oregon Housing and Community Services, the HUD Risk Sharing Program and replacement reserve funds. MCHA is also in the process of planning for the disposition of 3 units of Public Housing, which no longer meet the intent of neither our mission statement nor the budgetary constraints for low income public housing. MCHA expects to begin the application process in the spring of 2002.

MCHA has been awarded additional Vouchers to meet the growing need for affordable housing in Marion County. The agency has partnered with the Community Action Agency, Salud De La Familia and the local/district TANF agencies to improve assistance to our mutual clients and improve our community service programs.

Marion County Housing is working with local and state housing agencies to utilize all available resources for the development of new or existing affordable housing units. MCHA has added 86 units of multifamily housing units in the past year. The mixed source of funding included Revenue Bonds and Low Rent Public Housing Replacement funds. This project called Creekside Park is serving one of our most rural areas in Aumsville, Oregon.
