TENANT ADVISORY COMMITTEE

July 8, 2002

10:30 a.m.

Attendees:

Joy Wolf – The Abbie, Lewis Run

Dixie McGavisk – Dickinson Manor, Smethport

Vernon Shaffer – Brooklynside Apts., Liberty Township

Viola Goodyear – Jenny L Manor, Eldred

Brenda Morris – Cris Drive, Eldred

Penny Eddy – McKean County Housing Authority

Connie Ferguson – McKean County Housing Authority

Colleen Cuthbertson – McKean County Housing Authority

Cathy Mitchell – McKean County Housing Authority

The proposed projects that were in the Annual Plan were reviewed and it was discussed that a few of these items such as storm doors for 80 -3 and water tanks be done out of the operating budget and 80 -1 closet door replacements, patio enclosures and fences be put back to 2004 Capital Funds along with storage sheds for 80 -2 window and porch replacements and window screens for 80 -3 and storm doors for 80 -4.

The purpose for moving these items is to be able to concentrate on Handicap Accessibility items. This is an item that HUD has determined that each Authority needs to be looking at very seriously. Especially making sure that we have handicap available units within the family units.

Ms. Eddy told the committee that she would like to buy at least a dozen transfer seats for showers that could be available as needed. We would also like to amend 3 apartmentsto include a bathroom and bath on the 1st floor, 1 at Center Hall, 1 in Eldred either at Allegany Apartments or at Cris Drive, and 1 in Port Allegany. We will be amending a few of the sidewalks at Cris Drive to provide for handicap accessibility where possible and create an access ramp for handicap visitability at Brooklynside. Also, we would amend a few of the sidewalks at Welsh Street in Kane for handicap visitability.

Suggestions from the committee were as follows:

Joy Wolf suggested tall toilets; she has heard a few of the residents at The Abbies say that this is a problem for some of them. Ms. Eddy responded with the suggestion that toilet risers would be more beneficial because they would actually give a n addition 4” where as the tall toilets would only provide 2”. She explained to the group what a toilet riser was.

Dixie McGavisk suggested the hallway railings be installed on both sides of the hallway. She also had suggestions from the residents of the building for safety issues. They would like to have a fire drill and representatives from the fire department talk to the residents on what to do in case of fire. They would also like to have someone come and talk to them about where to go and what to do during a tornado. They have requested a poster in the community room with instructions for choking. They would also like better lighting in the parking lot.

Vern Shaffers suggested grab bars for the shower. The current grab bars are set for tub bathing but there is nothing provided for showering.

Brenda Morris suggested a railing of some sort outside the family unit that someone could hold onto in bad weather.

Ms. Eddy explained that letters were being sent out to each of the applicant to file to determine any physical needs they might have and another letter going to our current residents to determine if there are any special housing needs which are not being met.

Ms. Eddy asked that the committee think about these issues and to check with fellow residents to determine any other suggestions for meeting physical needs.

A public hearing for the Annual Plan will be held on Friday at 10:30 a.m.
