- eligible for additional funding increments of Section 8 Housing Choice Vouchers.
2. The current occupancy rate is 97% as of this date (8/26/02) due to criminal activity and screening of clients. This Authority has increased lighting, is in the process of adding a security fence at two community complexes and is dealing with lease enforcement.
 3. Two Housing Authority staff members attended training for the State Housing Authority's funding opportunities for "lease purchase". As of this date no "formal" partnerships or non-profits have been established. Anticipated partners meeting scheduled for October.
 4. The new administration has identified the quality of housing needs to improve before it can be reflected in the scoring of PHAS, critical improvements of modernization and capital funds have been refocused and the quality standards have been increased. This has provided an increase of units occupied before physical year end 12/31/02, placing central heat and air conditioning will assist with occupancy increase. This shall continue to be a primary long-term goal to set and achieve a higher standard each year.
 5. Customer satisfaction has improved with the team efforts of the support staff, including partnerships with the police department, the school district and resident services thru Title 5 funding. The Authority is currently focusing on tenant services and resident boards which will assist with the long-term goal.
 6. Concentrate on efforts to improve specific management functions: Tenant's accounts receivables are being addressed through the Debit setoff opportunities, Section 8 unit inspections have improved with the placement of a new inspector and occupancy will increase with the improvements outline in the capital fund changes including but not limited to security, services, fencing, lighting, lease enforcement and central heat and air conversions.
 7. Utilization is maximized at 100%, the PHA will have to consider billing Portable clients to utilize the funding allowance in the near future. The Administrative Plan replaced the use of

“legal domicile” to ensure the Sumter Community will receive proper allowance of residency requirements.

8. Focus on security, fencing, services, lighting, resident involvement and lease enforcement has been started with high expectations of the resident council’s participation.

Attachment ___E___: RESIDENT SURVEY RESPONSE

Neighborhood Appearances @ Hampton Manor, Harmony Court & Friendship Apartments 60%

The Housing Authority has created a survey to prioritize the concerns in the communities: These will be distributed and collected during resident council meetings October 13 through October 27. Until these surveys are received the staff is making the assumption of litter control and infestation as the two primary concerns. Actions taken as of the date resident response to REAC’s survey include:

1. Resident services coordinator has scheduled clean up days in two of the three communities. This has been done on several occasions and seems to be a continuous problem. The PHA is currently addressing this problem through Capital Fund with additional dumpster pads, dumpsters, fencing and planting of shrubbery around the dumpsters to prevent fallen debris from scattering.
2. Infestation: The PHA is in the process of accepting proposals for exterminating services. Efforts by staff do not seem to keep the infestation manageable. We have also enrolled maintenance staff in the extermination classes available through Clemson Extension to assist current efforts.
