The mission of the Housing Authority of the City of Searcy is to provide and maintain decent, safe, sanitary housing for eligible families in a cost-effective manner. The PHA offers rental assistance and suitable living environment without discrimination for all participants.

In support of this mission, our Authority has ensured that our mission and strategic goals respond to the needs described in the State Consolidated Plan and are consistent with HUD's mission and goals, as set out in the Supplementary Information of HUD Guidance to the Interim Rule, 24 CFR 903, at Section III, *The Public Housing Agency Plans*, part A,2, "An Acceptable 5-Year Plan," which states:

Deconcentration Policy

It is Searcy Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Searcy Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.
