[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Sparta Housing Authority has completed this FY 2002 Agency Plan in consultation with SHA residents and the local community. The Resident Advisory Board reviewed the plan on September 6, 2001. A formal public hearing was conducted on September 26, 2001. The Annual Agency Plan is summarized as follows:

1. Housing Needs  
Although there are currently only 36 applicants on the waiting list, the demand for public housing is evident. The greatest demand for new applicants are for one- and two-bedroom units.  
  
There is not sufficient statistical data available to determine the specific needs of the elderly, families with disabilities or various races or ethnic groups.
2. Financial Resources  
The SHA expects to expend approximately \$700,000 in fiscal year 2002 for operations, capital improvements, and administrative costs. This is not inclusive of prior fiscal year program expenditures.
3. Eligibility, Selection and Admission Policies  
The SHA has revised its standard operating policies to comply with the requirements of the QHWRA through regulations published in the Federal Register on March 29, 2000. These policies will be updated as HUD issues further guidance.
4. Rent Determination - Discretionary Policies  
Our discretionary rent policies include:
  - \$ Allowance for transportation expenses.
  - \$ \$50.00 minimum rent
  - \$ Ceiling Rents

The SHA will develop and administer flat rents prior to October 1, 2002, in order to comply with HUD QWHRA regulations.

5. Operations and Management  
The SHA has developed policies relating to public housing administration, management, maintenance, leasing and occupancy. These policies have been revised to comply with the recently mandated requirements of the QHWRA.
6. Grievance Procedure  
We have revised our Grievance Procedure to comply with the QHWRA and we will continue to make revisions as additional issues are addressed by HUD regulations.
7. Capital Improvements  
Our projected funding under the Capital Fund Program is projected to be approximately \$300,000. Our primary focus for the 2002 program year includes the continued installation of new interiors (kitchen cabinets, painting, bathrooms, floor tile, and mechanical closets) in Project TN044-003.
8. Demolition and/or Disposition  
The SHA has no current plans for demolition or disposition.
9. Designation  
The SHA has no plans to designate additional units in the future.
10. Conversion of Public Housing  
The SHA has no current plans to designate any developments or buildings to tenant-based assistance.
11. Homeownership  
The SHA has no current plans to develop a Homeownership Program. However, the SHA does provide programs, information and referrals for our residents.
12. Community Services and Self-Sufficiency Programs  
We have adopted the policy revisions required by the QHWRA related to income changes for welfare recipients.  
  
We are implementing a Community Service Program to comply with HUD requirements.
13. Safety and Crime Prevention  
The SHA does not have an on-going safety and crime prevention program.
14. Ownership of Pets  
The SHA has a policy related to tenant-owned pets. We have revised our pet policy, as necessary, to comply with the requirements of the Final Pet Ownership Rule QHWRA.
15. Civil Rights Certification  
We have included the required certification regarding Fair Housing and Civil Rights in this plan.
16. Annual Audit  
Our most recent annual audit is on file at our local HUD office in Nashville, Tennessee, and is available for review at our main office during normal business hours.
17. Asset Management  
It is the goal of the SHA to manage our assets (physical property, financial resources and manpower) as efficiently as possible to meet the intent of our mission statement.

### **ATTACHMENT A - Deconcentration Policy for the Sparta Housing Authority**

#### **I. DECONCENTRATION POLICY**

- A. The objective of the Deconcentration Policy for the Sparta Housing Authority (SHA) is to achieve the goal that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development or census tract. The SHA will take actions as necessary to achieve the goal that no individual development has a concentration of higher income or lower income families. To ensure that the SHA does not concentrate families with higher or lower income levels in any one development, the SHA will track the status of family income, by development, on a monthly basis utilizing income reports generated by the SHA's computer system.
1. The SHA will periodically compare the relative incomes of its developments to the relative incomes of the census tracts in which they are located. Where significant differences are identified, income targeting will be applied.

#### **II. INCOME TARGETING**

- A. To accomplish the deconcentration goals, the Sparta Housing Authority will take the following actions:
1. At the beginning of each fiscal year the Sparta Housing Authority will establish a numerical goal for admission of families whose incomes are at or below 30 percent of the area median income. The target annual goal will be calculated by taking 40 percent of the total number of move-ins from the previous PHA fiscal year.
  2. The SHA will limit the number of admissions to ensure that not less than 40 percent of admissions are families with incomes at or below 30 percent of the area median income.
  3. SHA will skip families on the waiting list or skip developments to accomplish these goals.

The Sparta Housing Authority will not hold units vacant to accomplish these goals.

## **ATTACHMENT B - Definition of Substantial Deviation**

PHA's definition of "Significant Amendment or Substantial Deviation" from its 5-Year and Annual Plans:

1. Changes to rent or admissions policies or organization of the waiting list.
2. Addition of non-emergency work, items (items not included in the Annual Statement or 5-Year Action Plan) or a change in the use of replacement reserve funds under the Capital Fund.
3. Any change with regard to demolition or disposition, designation, or homeownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements.

## **ATTACHMENT C: Community Service Program Description**

All families will be given a written description of the service requirement, and of the process for claiming status as an exempt person. This will include the SHAs determination identifying the family members who are subject to the service requirement, and the family members who are exempt persons. The SHA will provide a form to any family members requesting exemption from the service and will advise the member what documentation is required to support the exemption. The SHA will approve or deny the request for exemption within 30 days from receipt of a request that includes required documentation. A family member may request an exempt status at anytime.

The SHA will provide a listing of qualifying community service or self-sufficiency activities that will meet this requirement. The SHA may update this list at anytime. Each nonexempt family member will be given a community service time sheet to track the monthly volunteer hours. A supervisor must sign and date each period of work. If qualifying activities are administered by an organization other than the SHA, a family member who is required to fulfill a service requirement must provide signed community service time sheets certifying to the SHA by such other organization that the family member has performed such qualifying activities.

The SHA must review family compliance with service requirements, and must verify such compliance annually at least thirty days before the end of the twelve-month lease term. The SHA must retain reasonable documentation of service requirement performance in tenant files.

If the SHA determines that there is a family member who is required to fulfill a service requirement, but who has violated this family obligation (noncompliant resident), the SHA must notify the tenant of this determination.

If the tenant or another family member has violated the service requirement, the SHA may not renew the lease upon expiration of the term with exceptions.

In implementing the service requirement, the SHA may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by SHA employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

#### **ATTACHMENT D - Membership of the Resident Advisory Board**

##### **BOARD MEMBERS:**

Sandra Richmond – Development #44-1  
Delmar Anderson – Development #44-2  
Ernest Jones – Development #44

#### **ATTACHMENT E - Resident Membership of the PHA Board of Commissioners**

The SHA presently does not have a resident on the Board of Commissioners. The SHA has made efforts to do so through public notices, however, no resident has demonstrated a willingness to serve on the Board of Commissioners. The SHA will continue to solicit a resident for the position at such time the next Board member opportunity occurs.

#### **ATTACHMENT F –Progress in Meeting the 5-Year Plan Mission and Goals**

- 1. Goal – Increase customer satisfaction:** The SHA is attempting to keep the residents better informed of PHA policy and programs through more frequent notices and through meetings related to the Agency Planning process. The SHA is also concentrating on efforts to improve the PHA's elements including, maintenance/repair, communication, safety, services and neighborhood.
- 2. Goal – Implement measures to promote income mixing and to deconcentrate poverty by bringing higher income public housing households into lower income developments:** The SHA has revised its ACOP to promote deconcentration and income mixing by employing waiting list skipping.
