Use this section to provide any additional information requested by HUD.

#### **Definition of “Substantial Deviation” and/or “Significant Amendment or Modification.”**

The Dickson Housing Authority will consider a “Substantial Deviation” to be a change in the Mission, Goals, and Objectives of the PHA Plans that is duly determined by the Board of Commissioners and the Resident Advisory Board to be a deviation from the latest approved PHA Plans. If the Board of Commissioners and the Resident Advisory Board consider the change(s) in the Mission, Goals, and Objectives to be substantial, in their determination the Plans will be submitted to HUD for review and approval.

In addition, if there is a change in funding of greater than 20 percent of the Operating Budget and/or the Capital Fund amount, this will be considered an amendment/modification to the Plans, except for emergencies that are beyond the control of the PHA. ### **DECONCENTRATION POLICY:**

The objective of the De-concentration Rule for **public housing** units is to ensure that families are housed in a manner that will prevent concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the PHA is to house no less than 40% of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also, the PHA will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the PHA does not concentrate families with higher income levels, it is the goal of the PHA not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The PHA will track the status of family income, by development, on a monthly basis by utilizing income data maintained by the PHA. To accomplish the de-concentration goals, the PHA will take the following actions:

1. At the beginning of each PHA fiscal year, the PHA will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous PHA fiscal year.
2. To accomplish the goals of:
  - ☞ Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median income; and
  - ☞ Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income, in accordance with the incentives reflected in the PHA's ACOP.

**SECTION 8 TENANT-BASED ASSISTANCE:**

**INCOME MIX TARGETING:** In each fiscal year, not less than 75% of the new admissions will have incomes at or below 30% of the area median income.

In March 2002, the Authority had 250 families on its Section 8 waiting list. Of the total, 247 or (98.8 %) had incomes at or below 30% of the median income and 3 or (1.2 %) above 30% but below 50% of the median income. There were no applicants with incomes above 51% of the median income.

Efforts through marketing and outreach shall be made so that at least 75% of all new vouchers will be issued to families with incomes at or below 30% of the median income.

**DICKSON HOUSING AUTHORITY'S  
RESIDENT SERVICES AND SATISFACTION  
FOLLOW-UP PLAN**

**Attachment tn079a002**

**October 1, 2002-2003**

In Fiscal Year 2001, the HUD Real Estate Assessment Center (REAC) conducted a Resident Services and Satisfaction Survey of the residents of the Dickson Housing Authority, TN079. As a result of the Survey of the residents, the Housing Authority is required to prepare a Resident Satisfaction Follow-up Plan for one (1) of the five (5) Sections/Factors reflected in the Survey.

The Section/Factor that the Housing Authority received the lowest scores was Neighborhood Appearance with a score of 74 percent.

The following is an evaluation of the various scores of the survey for Neighborhood Appearance:

**NEIGHBORHOOD APPEARANCE:**

Based on the resident survey results, the concerns of the residents under the Neighborhood Appearance Section/Factor were as follows:

1. The residents believed that the upkeep of the various areas identified in the survey could be improved. The building exteriors received a 73.2 percent and the recreation areas had a score of 57.5 percent. The upkeep of the common areas and parking areas received scores of 73.1 percent and 75.0 percent, respectively.
- 2 The survey reflected concerns to the residents of trash/litter (55.0 percent) and rodents and insects received a score of 69.6 percent.

The remaining factors under this Section received scores ranging from 82.5 percent to 95.0 percent.

**PLAN ACTIONS:**

In an attempt to improve the Resident Services and Satisfaction concerns of the residents, the following actions will be implemented before and during the coming Fiscal Year as the Housing Authority's Resident Services and Satisfaction Follow-up Plan:

**NEIGHBORHOOD APPEARANCE:**

1. The Housing Authority will hold meetings and discuss the concerns of the residents before submission of the Public Housing Agency Plans.
2. The Housing Authority may implement the stipend program for any resident that wishes to participate in the upkeep of the developments. This will provide an incentive for the residents to keep the development free of trash and litter. In addition the Housing Authority may use residents within various identified problem areas to assist if the activity is not in the PHA employee job description.
3. The Housing Authority will determine the locations of the building exteriors, parking areas and recreation areas where improvements are needed and include in the Capital Fund program.
4. The Housing Authority will evaluate the implementation of the current pest control contract to determine its effectiveness. If improvements are not seen, the contract will be terminated and another pest control contract will be solicited.

Mission and Goal Progress:

The PHA has responded to the Resident Services and Satisfaction Survey (attachment tn079a002) identifying efforts to increase customer satisfaction within the developments.

Efforts to improve management functions are included in the amendments to the ACOP and Lease.

Capital improvement activities identified in the FY 2001 Agency Plan have been implemented..

De-concentration within the two developments is being accomplished by implementation of ACOP revisions and admissions criteria.

Security improvements have been increased by amending the ACOP to allow police officers to reside in the developments.

Increasing the number and percentage of employed persons in the developments is being accomplished by a preference for working families included in the revised ACOP.

Based on the PHA's waiting list the goals to ensure equal opportunity in Housing for all Americans are being met.
