### ATTACHMENT - B IMPLEMENTATION OF COMMUNITY SERVICE

The MHA will establish written policy of the administration of the Community Service requirements for the Public Housing residents. This policy will address the specific procedures that will be used to determine who is exempt from the community service requirement. We have established procedures with the Department of Human Services to insure that there is proper coordination. The MHA will administer the program and require that proper documentation to be presented to indicate when the residents have completed the required service. The community service requirement will be incorporated in the Occupancy Policy that is used to manage the public housing units.

### ATTACHMENT - C PET POLICY

registrations and the type of pets that are not allowed in the units. The policy also identifies the deposit requirements and the indicates the responsibility that the family has in regards to maintaining the pet and maintaining the property or yard.

# ATTACHMENT - D PROGRESS IN MEETING THE 5-YEAR PLAN AND MISSION AND GOALS

The MHA has had conversations and meetings with private developers about creating additional housing opportunities for our clients. These discussions have included the possibility of the MHA forming partnerships with various persons in order to expand housing opportunities. We expect that within the near future, we will see some improvement in the housing opportunities by expanding the supply of units available. We are conducting mobility counseling for all section 8 families and we have been successful in increasing the housing choices for families by conducting landlord outreach programs. We have taken measures to insure that all families are aware of equal housing opportunities and we have taken action to affirmatively further fair housing regardless of race, color, religion, national origin, sex, familial status or disability.

We expect that within the near future, we will see some improvement in the housing opportunities by expanding the supply of units available. We are conducting mobility counseling for all section 8 families and we have been successful in increasing the housing choices for families by conducting landlord outreach programs. We have taken measures to insure that all families are aware of equal housing opportunities and we have taken action to affirmatively further fair housing regardless of race, color, religion, national origin, sex, familial status or disability.
