ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Montgomery County Housing Authority has recently transitioned to a large Housing Authority, administering 323 Vouchers. The fiscal year reflected in this Plan starts July 1, 2002. Copies of this plan have been made available at the Main H.A. office for Public comment. A Public Hearing was held on March 12, 2002 at the 1022 McCall office, with no attendance.

Our mission is the same as HUD to promote adequate and affordable housing, economic opportunities and a suitable living environment free of discrimination.

Montgomery County Housing Authority's goals are as follows:

1. Expand and enhance services to the elderly/disabled population, which comprises nearly 50% of rent rolls and over 50% of the waiting list. This will be achieved through increased collaborations with other service providers and additional vouchers, if available. MCHA will apply for additional vouchers through SuperNofa, particularly for elderly/disabled vouchers.
2. Expand the Family Self-Sufficiency program. MCHA plans to apply for additional FSS vouchers via the county-wide Continuum of Care grant process, strengthen collaborations with other service providers for referral and other case management enhancements, and improve ongoing case manager training within the agency.
3. Participate in County Needs Assessment process. MCHA will take a leadership role in the Continuum of Care Gaps Analysis and Needs Assessment process for Montgomery County, including a homeless count, inventory of current services and prioritization of funding applications.

4. County-Wide Database. MCHA will take a leadership role in the development of a shared database for service providers in Montgomery County, required to be launched by 2004.
5. Expand Outreach to Landlords. Due to a severe shortage of housing stock and our plans to apply for more vouchers, MCHA will identify, target and market to landlords in the East and West County areas to participate in the Section 8 Voucher program. North and South County areas are adequately covered at this time.

Tenant- Based Assistance Waiting Lists**

State the housing needs of the families on the PHA’s waiting list/s. **Complete one table for each type of PHA-wide waiting list administered by the PHA.** PHAs may provide separate tables for site-based or sub-jurisdictional public housing waiting lists at their option.

Montgomery County Housing Authority has a waiting list consisting of approximately 936 families. Half of these family are disabled or in process of applying for disability. The waiting list has been closed since October 2000, with no anticipated date of re-opening. We receive approximately 10 to 12 additional request per day for assistance. Montgomery County is one of the fastest growing County in the nation. Our need for affordable, decent and safe housing is great. Being located outside of the Houston, we are an ideal location for business and families that do not want to live in a large city but still have the opportunities a large city can provide.
