C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

Addressing needs in Grand County has been a challenge the few years in existence. When we sat down to plan the next five years we had to address the current programs in existence and the future needs of our community. So we decided to take a different approach to housing by promoting self-sufficiency to those who are participants in the Section 8 Rental Assistance program. Encouraging homeownership by setting realistic goals to reduce personal debt and applying for additional Housing Choice Vouchers as they become available. In the upcoming year our agency's goal is to increase and maintain the lease up rate of 95% of our total Section 8 Rental Assistance program funding and to apply for additional Housing Choice Vouchers.
