**Standard Plan**

**Streamlined Plan:**

- High Performing PHA**
- Small Agency (<250 Public Housing Units)**
- Administering Section 8 Only**

**Troubled Agency Plan**

**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The 2002 plan continues most of the goals previously included in past plans with one major exception. The RCHA will begin implementing the Section 8 Homeownership plan during this coming year. The plan for this program will be submitted along with our certifications. This plan will include increasing the FMR by 10% for all voucher holders in this program who have a mortgage.

The HomeOwnership Center, sponsored by the RCHA has become its own legal entity with its own employees, ledger, etc. A memorandum of agreement exists between the RCHA and the HOC. Funding is committed from other sources besides the RCHA and this has allowed more staff to be hired and more families to be served. The HOC will provide the counseling needed in the Section 8 Homeownership program.

The Section 8 staff has been able to serve additional families due to the Fair Share Allocation Award. With these 50 new vouchers, RCHA was able to meet many of the needs previously to be met by special vouchers for elderly and handicapped. These special vouchers require additional planning because of the social service requirements. The RCHA will join the Mountain Housing Consortium's application for Family Unification Vouchers. Our agency would not be an eligible candidate for an award based on its own need, however, if there is a need our membership in this consortium would allow us access to this special needs voucher.

Still the turnover is high and it takes a lot more work than it did in the past to keep vouchers in use. Last year the RCHA increased the FMR by 10% for one and two bedroom vouchers. This has decreased the amount of search time significantly.

The RCHA will seek an increased admin fee for serving a multi-county area. This was in last year's plan and the request will be submitted before the end of the year. It is also a financial necessity as the contract with a New Construction Project will expire.

RCHA plans to continue the YouthBuild Program. This commitment is demonstrated in the agency's purchase of a building which will be used as a permanent site for the YouthBuild Program. This site will also allow the program to return to modular construction in the future. Funding from the West Virginia Housing Development Fund has been committed for the construction of 11 rental units to be built by young adults funded by the HUD grant that was submitted earlier this summer.

A home repair program has begun, and will continue in 2002. The construction crew will build another eight houses next year for the Rural Homeownership Program. These houses will be sold to low income families under a local homeownership plan, modeled after the 5(h) plan.

The RCHA will continue to participate with other community groups that do affordable housing as well as community economic development activities.

## **11. Homeownership Programs Administered by the PHA**

[24 CFR Part 903.7 9 (k)]

The RCHA has had a 5(h) Homeownership Program (51 units) and continues to work on increasing homeownership by using the proceeds of sale to continue building more houses for eligible families. The RCHA has founded and is a major sponsor of a non-profit called the HomeOwnership Center, Inc. with staff that are trained in housing counseling and loan origination through certification courses at the Neighborhood Reinvestment Corporation's Institutes. Through the RCHA and the HomeOwnership Center, area residents have access to budget/credit counseling and training in all areas of home purchase, maintenance and foreclosure prevention. Local residents also have access to most of the state housing finance agency's loan products along with other loan products available through the Federation of Appalachian Housing Enterprises (a regional CDFI) and CommunityWorks (a statewide CDFI).

The RCHA plans to start a Section 8 Voucher Homeownership Program this year. The goal for the first year is two new homebuyers.

Required Attachment: Resident Membership on the PHA Governing Board

A meeting was held on December 13, 1999, with four of the six Homeownership Program participants who had volunteered to be on the Resident Advisory Board. (Twenty-five Section 8 clients were invited personally to the public hearing in September in order to get volunteers for the Resident Board, but no one came.)

The Executive Director explained that before it was a rule, the RCHA requested the County Commission to appoint a participant of the Homeownership Program on the Board of Commissioners of the RCHA. The first person served for five years and the second started her five-year term in 1999.

The Executive Director explained the HUD guidelines that say a consumer representative can be asked to step down if they no longer meet the definition of "directly assisted" or they can be allowed to fill out their term. I explained the current consumer had purchased her house through the RCHA program and was the beneficiary of a silent second mortgage held by the housing authority.

The members of the Resident Advisory Board were told that they could vote to replace the current consumer representative if they wanted to do so. They were advised that if they wanted to replace her that they should let the Executive Director know by January 16. No one objected to the current consumer representative.

#### **Membership of the Resident Advisory Board**

In 1999, Mr. and Mrs. Richard Shreve, Mr. and Mrs. J. W. Tramell, Mrs. Debbie Dumire and Ms. Simone Bradley agreed to serve on the advisory board. All are (or were) participants in the Homeownership Program.

Only the Shreves and Tramells came to the first meeting. Ms. Dumire has moved out of state and the Tramells, while still in the Homeownership Program, were in a very serious motorcycle accident and will be unable to participate for a while.

At a public meeting on the new voucher program, the Executive Director gave a presentation on the Resident Advisory Board and asked for volunteers to serve on the board. The following people filled out a form expressing interest in board membership:

### **DECONCENTRATION POLICY**

The Deconcentration Policy of the Randolph County Housing Authority will be to review the locations where our Section 8 tenants have leased units and determine if there is a need to create policies which will create more diversity of tenants in certain areas. This review will be done each year before our annual agency plan is due.

Our units are scattered over a six county area. Randolph County alone is nearly as big as the state of Rhode Island. This is not an issue in our area.

It is not an issue for our homeownership program either. Not more than 4 houses were developed in any one neighborhood. All units are completed and all but one are occupied by purchasers.

Dotted lines are agencies founded by the RCHA but not controlled by the RCHA. Cooperative relationships exist among all three organizations.

  - The PHA regularly submits required data to HUD's MTCS in an accurate, complete and timely manner (as specified in PIH Notice 99-2);
  - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
  - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
  - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
  - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
