ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Walworth County Housing Authority has prepared an Agency Plan in compliance with Section 511 of QHWRA of 1998 and ensuing HUD requirements.

Expanded Goals and Objectives

The following mission statement has been adopted to guide the activities of the Walworth County Housing Authority.

The mission of the Walworth County Housing Authority is to improve the economic situation and living standards of families and individuals by addressing their housing needs. To achieve the end, the Walworth County Housing Authority will involve itself in the administration and development of programs that provide affordable, safe, decent and sanitary housing.

The following goals and objectives were adopted for the 5 Year Plan for Fiscal Years 2000-2004 with updated progress noted in highlighted bold print:

Goal One: Expand the range and quality of housing choices available to participants in the Walworth County Housing Authority's tenant-based Section 8 Program.

Objectives:

1. The Walworth County Housing Authority will apply for additional rental vouchers to meet the needs of groups specifically targeted by available funding.
2. The Walworth County Housing Authority will develop efficiency units by acquiring or building appropriate housing by December 31, 2004. These units will address a long-standing need in the county especially for residents with disabilities.
In December of 2000, a facility was located that was appropriate for efficiency units and SROs. The Walworth County Housing Authority made an offer to purchase on the property that was accepted pending financing and zoning. Early in 2001, Tarentino and Company was engaged to assist with the development of the project located in a historical building in

downtown Lake Geneva. The project was to consist of commercial space and affordable housing. Plans were submitted to the Planning Commission but the zoning was not approved due to strict adherence to the parking requirements of the city. Comments made at the public hearing left the definite impression that many City residents were afraid that the development would bring what they classified as an undesirable element to their business district.

In the summer of 2001, another opportunity presented itself in the City of Delavan to acquire an older complex in need of rehabilitation. The complex has 56 units and 4 buildings. Currently negotiations with the owner are in progress.

Goal Two: The Walworth County Housing Authority will improve the quality of assisted Housing.

Objectives:

1. The Walworth County Housing Authority will work to increase customer satisfaction by providing supportive services and appropriate referrals.
2. The Walworth County Housing Authority will become a high performing housing authority through improvement of voucher management. This objective will be measured by improved SEMAP scores.
3. The Walworth County Housing Authority will develop a plan for acquiring the four tax credit projects currently being managed.
4. **In 2001 the Walworth County Housing Authority applied for and received HOME funds for rental rehabilitation and developed a program for administering those funds.**

Goal Three: The Walworth County Housing Authority will promote self-sufficiency and asset development of families and individuals.

Objectives:

1. The Walworth County Housing Authority will continue administering a Family Self Sufficiency Program that attempts to remove the barriers that prevent families and individuals from achieving financial independence.
2. The Walworth County Housing Authority will establish a program to assist program participants in using their Section 8 Voucher towards the purchase of a home. **Homeownership and the use of the Section 8 Voucher was explored in 2001. Conventional lending institutions as well as mortgage brokers were consulted and the property prices in the Walworth County area are such that the feasibility of such a program meeting with success is minimal.**
3. The Walworth County Housing Authority will increase the number of working families and individuals assisted through the Section 8 Program by 20% by December 31, 2004.
