Chippewa County Housing Authority (CCHA) will continue to administer the Section 8 Voucher and Certificate Programs. We have leased the 50 new vouchers as of October of 2001. We intend to monitor the affect of the increased number of assisted families on our waiting list. Initially we are seeing the waiting list shorten significantly. We will monitor the waiting list for at least one year before deciding whether to apply for any additional vouchers during the next fiscal year.

CCHA will continue to work cooperatively with the municipalities in its jurisdiction to administer the CDBG Housing Rehab programs assisting in the application and administration of these programs. Two applications (City of Chippewa Falls and City of Stanley) were submitted in the fall of 2001.

CCHA will continue to administer the First Time Home Buyers assistance programs where we provide loans for down payment and or closing costs. CCHA will complete three lease to purchase projects over the next fiscal year and 4 units of self-help housing.

Other existing programs include the VISION program, a minor home repair program, Emergency Homeless Loan Program and Delinquent Property Tax assistance program and emergency Mortgage assistance.

HOME OWNERSHIP CAPACITY ATTACHMENT

Chippewa County Housing Authority has expertise in managing and administering a homeownership program. We currently handle several homeownership programs that are cited below. We have full time staff that can provide both the pre-purchase and post-purchase housing counseling. We are a member of the State of Wisconsin's committee that is working on developing a procedural guide for implementation of the program.

Our current homeownership programs include:

1. **GAP Program:** No interest, deferred payment loans to LMI First time homebuyers for down payment/closing costs. We coordinate the purchase with local lenders who provide the purchase financing. Repaid funds are placed in a revolving loan and reused by new applicants.
2. **Self-Help Housing:** We have coordinated two projects where homeowners work together to build their own homes. CCHA provides most of the funding through grants coordinates both the financing and the construction.
3. **Lease to Purchase:** The Authority purchases properties using grant funds and a loan from a local lender. After the home is purchased we coordinate repairs to the home and enter into a one-year lease with a low to moderate income household. After the first year, if the family has met their obligations and has saved \$1,000 for down payment, they are allowed to assume the mortgage with the private lender and a second mortgage is taken by CCHA for the balance of the grant funds and the repair work.

RESIDENT ADVISORY BOARD ATTACMENT

Chippewa County Housing Authority invited all program beneficiaries to participate as members of the Resident Advisory Board. We sent notices in the Agency newsletter soliciting participation. The notices indicated that if no one came forward indicating an interest in participating on the Resident Advisory Board, all program participants would be considered as a part of the Board. All participants were encouraged to review the plan and make comments. We also published a notice in the local newspaper inviting comments. Three program participants called to indicate they were interested in serving on the Resident Advisory Board. A copy of the plan was mailed to the three interested participants for their review and a meeting was scheduled to review and discuss the plan as a group. Of the three, only one participant appeared for the meeting. He offered no comments on the plans for changes or improvements.

As a result of this limited participation, we still consider all program beneficiaries to belong as members on Advisory Board.
