Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Housing Authority of the County of Humboldt has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 (QHWRA) and the ensuring HUD requirements.

The Housing Authority of the County of Humboldt has, for many years participated in a process of goal setting and performance review. The needs of the communities within the Housing Authority's jurisdiction are being addressed through numerous programs and partnerships outside of the Section 8 Tenant Based program. The ability for the Housing Authority of the County of Humboldt to construct or acquire affordable housing is severely limited due to Article 34 of the State of California Constitution. Article 34 requires that low rent housing projects developed, constructed, or acquired in any manner by any State public agency receive voter approval. Instead of embarking in an expensive and lengthy campaign to convince the voters to pass such a referendum, the Housing Authority has chosen to form alliances or partnerships with other non-profit housing providers to aid in the financing of low cost housing developments. In 1998, for example, the Housing Authority floated a mortgage revenue bond issue to finance 32 affordable senior citizen apartments in the City of Arcata California, in alliance with Humboldt Bay Housing Development Corporation.

Other programs outside of the Section 8 Tenant Based Program include Mortgage Revenue Bond issues for development of multifamily housing and single family homeownership and rehabilitation

and the Mortgage Credit Certificate program for homeownership. Since the Housing Authority of the County of Humboldt's only HUD funded program within its housing portfolio is the Section 8 Tenant Based Program, the Board of Commissioners decided for the purposes of the QWRA mandates, to concentrate its goal setting on bringing the agency into compliance. To that end, the following is our Mission Statement and goals and objectives for the next five years.

MISSION STATEMENT

The Housing Authority of the City of Eureka will select families based on the following preferences within each bedroom size category:

- A. Veterans - (required by State law)
- B. Families that reside or work within Humboldt county at the time of their application
- C. Families displaced as a result of a disaster (the disaster can be either a nationally declared one or one caused by local circumstances i.e. fire.)

All preferences either singularly or in combination shall be treated equally.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons. (mandated)

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

Suggestions:

- preference for victims of domestic violence.

Section 15.00 Recertifications

The sections dealing with flat rents and formula rents were highlighted and discussed -

15.3 FLAT RENTS IN PUBLIC HOUSING:

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the formula amount.
- B. The amount of the flat rent will be determined by a market analysis.

- C. A fact sheet about formula rents that explains the types of income counted, the most common types of income excluded, and the categories allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the formula-based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.
- F. The dates upon which the Housing Authority of the City of Eureka expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, Housing Authority of the City of Eureka will send a reexamination letter to the family offering the choice between a flat or a formula rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Housing Authority of the City of Eureka may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Housing Authority of the City of Eureka representative, they may make the selection on the form and return the form to the Housing Authority of the City of Eureka. In such case, the Housing Authority of the City of Eureka will cancel the appointment.

15.4 THE FORMULA METHOD OF RENTS PAID BY RESIDENTS RESIDING IN THE PUBLIC HOUSING PROGRAM

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Housing Authority of the City of Eureka will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of monthly income;
- B. 30% of adjusted monthly income; or

The family will pay the greater of the total tenant payment or the minimum rent of \$50.

There was discussion about the flat rent and formula method rent.
-no suggestions were made

The meeting was adjourned.

The next meeting was set for July 29, 1999, at 5:00 p.m.

Thomas Killion - Public Housing client, CA 25-1

Staff Present:

Robert Morelli
Coreen Holm

Mr. Morelli gave a recap of the previous meeting and asked if there were any additions, subtractions, or suggested changes.

Karyn Clark suggested that objective 2 of Goal two could give the residents the opportunity to do the landscaping at the public housing sites and offer them a discount on the rent for the work done. The result could be less damage to area as the tenants will be involved in the upkeep and save the agency money.

Thomas Killion suggested the Mission statement be altered to read:

The mission of the Housing Authority of the City of Eureka is to assist low-income families with safe, decent, and affordable housing opportunities as they strive to achieve self-sufficiency and improve the quality of their lives. The Housing Authority is committed to operating in an efficient, ethical, professional manner and treating all clients with dignity and respect. The Housing Authority will create and maintain partnerships with its clients and appropriate community agencies in order to accomplish this mission.

Karyn Clark suggested a program that would have children of residents pick up trash on a daily basis and reward them on the week-end with an ice cream party (block party).

-Needs Assessment - additions to this section of the agency plan were handed out to the Committee members. Mr. Morelli reported that the rent determination section is being put together by an outside contractor.

-Capitol Improvements - suggestions included:

- changing the bathtub enclosures to roll-in showers in handicapped units
- have non-smoking units
- install secure or gang mail boxes in the public housing developments

-Community Service & Self Sufficiency - suggestions included adding:

- Humboldt Access Project

-Mentoring Programs through Humboldt State University and College of the
Redwoods

-Safety & Crime Prevention - Mr. Morelli pointed out that crime in the public housing developments is lower than in surrounding neighborhoods, and a part of a drug elimination grant the agency is receiving includes \$10,000 for surveillance cameras. Suggestion made:

-have the RIC committee send flyers to section 8 clients telling them if they have a problem with landlord or neighborhood to contact committee.

-Preferences - Mr. Morelli explained that the preferences section is a place the local agency has full discretion. The proposed preferences were discussed:

- A. Veterans
- B. Families that reside or work within Humboldt County at the time of their application
- C. Families displaced as a result of a disaster (the disaster can be either a nationally declared one or one caused by local circumstances i.e. fire.)

All preferences either singularly or in combination shall be treated equally.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

-Regarding victims of domestic violence, it was determined that the system has been manipulated and if a preference is decided upon it should state that victims of domestic violence who have been referred by another social services agency, not only by shelter letters.

- limit type of pets
- approval of pet by management

The Needs Assessment section of the agency plan and the revised Mission Statement for the Housing Authority of the County of Humboldt was given to the Committee members to add to their agency plan binders.

Mr. Morelli reported that a notice from HUD had been received stating that the agency plan was to be submitted to them in a different form. They now have a template they want completed and the agency plan will be placed in the required form after adoption.

There was discussion of the previous meeting subjects -

pet policy suggestions:

- set certain areas in the public housing developments only for dogs

admission preference suggestions:

- require referral for battered persons from a social services department, not just a shelter, showing battered person is in a valid attempt to stay away from batterer

- have the wording in the Section 8 policy and Public Housing policy regarding the preferences, minimum rents, rent calculations, and other provisions that are similar the same so as not to confuse the client or staff.
- pursue the possibility of organizing a support group for Section 8 clients for the purpose of sharing program problems, how to deal with poor landlords, and client responsibilities.

Future meetings were discussed and it was decided that there were no further issues for discussion, however, anyone who thought of additional comments could submit them to staff for consideration by the Board of commissioners. It was decided that this would be the last formal meeting of the Resident Advisory Group for the 1999 plan.

Date: September 23, 1999

To: Board of Commissioners

From: Executive Director

Subject: Recommended Changes to the Agency Plan by the Resident Advisory Committee

On September 22, 1999, the Resident Advisory Committee met to review the Agency Plans for the City of Eureka and County of Humboldt Housing Authorities along with the comments and suggestions made at the two public hearings. As a result, the Committee wishes to recommend the following changes be made to the Agency Plans.

County of Humboldt

Administrative Plan (Section 8 program):

Section 7.2 third paragraph - Replace the entire paragraph with wording that requires the tenant to give notice to terminate the lease in accordance with California State Law.

Section 11.5 B - Set the minimum rent at \$0 so as not to put a burden on the tenant to prove a hardship exemption. This would also save administrative costs.

Section 12. 3 - Add wording that would set forth a reference to State of California habitability standards in addition to HUD standards.

City of Eureka

Section 8 Administrative Plan:

To make the plans of both Housing Authorities consistent, it was recommended that the changes to the Section 8 Administrative Plan for the County of Humboldt also be made for the City of Eureka Housing Authority.

Admissions and Continued Occupancy Policy for Public Housing:

Section 9.6, 9.7 - Removal from the Waiting List - The Resident Advisory Committee felt it was a good idea to attempt a contact for those persons on the waiting list by telephone in addition to the attempt made by mail.

Section 13.3 - Minimum Rent - The committee was somewhat divided on this issue. It appreciated staff's position of charging something for rent at the public housing development since the only real income for the operations is derived from the tenant rents received. However, this section does allow for a hardship exception which would suspend the minimum rent until the hardship no longer exists. Does the effort and administrative cost to determine the hardship outweigh the loss in a \$50 a month rent? It was determined that a \$50 a month rent was certainly reasonable and the tenant can claim a hardship which, upon proof, can suspend the minimum rent. Therefore, it was recommended that the Commission of the Eureka Housing Authority keep the minimum rent for the Public Housing program.

Late charges Section 13.7 - The Resident Advisory Committee recommends the elimination of late charges since in the public hearings, it was pointed out that under California State law, these charges cannot be upheld. However, a service fee of \$10 for bad checks is recommended.

Section 17.0 - Inspections - The Committee felt that language should be added to limit the inspection to the purpose for which it was identified in the notice. This would protect the resident from a warrantless search.

No other recommended changes were suggested for the Agency Plans. However, the Boards of Commissioners are reminded that other recommendations were made by the Resident Advisory Committee and are contained within the minutes of their meetings.
