**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

*A FY 2003 Annual Plan for the Housing Authority of the City of Fresno has been prepared in compliance with Section 511 of the Quality Housing and Work Responsibility Act (QHWRA) of 1998 and the ensuing HUD requirements. The Plan describes the Housing Authority, its mission and strategy for addressing the housing needs of low-income and very-low income families in the City of Fresno.*

*The Housing Authority of the City of Fresno shares an Executive Director and staff with the Housing Authority of Fresno County. Both Housing Authorities are public housing agencies as defined in the United States Housing Act of 1937, as amended, and in 24 C.F.R. Chapter VIII. Both agencies have been organized under Section 31000, et seq., of the California Health and Safety Code.*

*The primary objective of the City and County Housing Authorities is to provide decent, safe, and sanitary housing to low-income families at an affordable price. Our mission is to provide this housing within an environment that fosters the advancement of low-income families from a position of dependency to one of self-sufficiency.*

*The Housing Authority has the responsibility for planning, financing, constructing, purchasing, and managing properties using a variety of affordable housing programs. As the manager of rental properties, the Housing Authority performs all the functions of a private owner, including selection of residents, rent collection, and property maintenance. Over 6,200 people live in properties managed by the City and County Housing Authorities. Additionally, we administer Section 8 rental assistance to*

*13,101 families living in housing that is privately owned. Overall, the Housing Authorities provide assistance to people living in 15,446 housing units located throughout Fresno City and County.*

*Federal laws establish the rent structure of the housing programs administered by the Housing Authority and require that family income be verified annually. Federal Regulations also impact the selection of program participants, occupancy, lease and grievance procedures.*

*This Annual Plan addresses those policies and procedures for the public housing and Section 8 Housing Assistance Payment programs that have been modified as a result of QHWRA. The three most significant items addressed in the FY 2003 Annual Plan are 1) the Agency goal of increasing the number of affordable housing units, 2) the Agency's expanded focus on deconcentration in affordable housing, and 3) the implementation of a Section 8 project based voucher program.*

*In our Five-Year Plan, the Housing Authority of the City of Fresno recognizes the need for housing for large families. Our goal of developing additional affordable three-bedroom housing has been established to address this need. The Housing Authority received an award of tax credits from the state of California for the construction of an affordable housing complex in central Fresno in the year 2000. The project was completed in Spring, 2002. Information taken from the City's Consolidated Plan and included in the Housing Needs section supports this goal.*

*Our Five-Year Plan also recognizes the need to modernize public housing units and to demolish obsolete public housing. To this end, the Housing Authority developed and has begun to implement a plan for the partial demolition and modernization of one local public housing complex. This plan, designed to improve the quality and marketability of the complex, will increase the size of many remaining units and provide amenities such as open green space, a tot lot, and a community center.*

*The Housing Authority also continues to promote self-sufficiency among assisted households. The Family Self Sufficiency and Building Stronger Families programs address this need, as noted in the Five-Year Plan, serving over 2,000 families in Fresno City and County.*

*The Housing Authority's response to HUD's strategic goal of improving the community's quality of life and economic vitality was amended in the year 2000 to include our intent to cooperate with the local redevelopment agency. Since this time, the partnership between the Housing Authority and the Redevelopment Agency has resulted in the rehabilitation of over three hundred homes. This partnership will continue, and many more families will receive assistance with their rehabilitation projects.*

*In 2002, the Housing Authorities collaborated in partnership with the City of Fresno and submitted an application to HUD for the Lead Hazard Control Program. The Housing Authorities also took the lead in preparing the application to HUD for the Fresno/Madera Continuum of Care.*

*In addition, the Housing Authority of the City of Fresno has applied for additional twelve hundred vouchers in FY 2002. This amount included 625 as our Fair Share allocation, 500 Welfare to Work and 75 Mainstream Disability vouchers. If funded, the City Authority will have 7,281 vouchers available for distribution to qualified families.*

*The Housing Authority's Plan has been reviewed by a Resident Advisory Council. The Council met and discussed the Plan before it was submitted to the Board of Commissioners. Their comments have been summarized and are included as Attachment ca006j01.*
