Resident Satisfaction Survey Follow-up Plan

The PHA scheduled a meeting with Hueneme Village residents to discuss their issues regarding 1)safety, 2)communication, and 3)neighborhood appearance. Though refreshments and door prizes were advertised for the meeting, only five households were represented. Also present at the meeting were the Crime Prevention Officer/Crime Analyst, one of the Senior Police Officer, and a representative from Neighborhoods for Learning, an organization that provides programs to households with children 0 to 5 years of age. The survey results indicate that sixteen (16) of twenty-nine (29) survey results were returned.

Safety

The survey results indicated that lighting and crime prevention programs were areas of concern for Hueneme Village residents. Staff had previously budgeted for exterior lighting in the development. To date, six of the exterior security lights have been installed. The entire project will be completed in FYE 06/2003.

The City is divided into grids. Staff representing the Police Department indicated that the Hueneme Village grid is a safe grid. Residents were encouraged to report any crimes because, if nothing is reported, nothing can be done. Further, staff made an effort to recruit a leader to start a Neighborhood Watch Program. None of the attendees voiced interest in taking that responsibility.

P.D. staff presented handouts to the participants on a variety of topics and also promoted a customer service survey trifold for the residents to complete.

Communication

PHA staff emphasized, and will continue to do so, that public housing residents are the most protected class of residents known. It was emphasized that the PHA staff has an open door policy and anyone is welcome to come in to discuss any matter without concern for retaliation. PHA also solicited suggestions on whether a more appropriate day or time, or enticement would get more residents to participate in meetings. No suggestions were offered. PHA will continue efforts at encouraging resident participation.

Neighborhood Appearance

Residents indicated that they would like the PHA to consider replacement of playground equipment and sprucing up of that area. PHA is requesting \$35,000 in 2003 Capital Fund Annual Statement to be used for this purpose.

FIVE-YEAR PLAN PROGRESS STATEMENT

HUD Strategic Goal 1: Increase the availability of decent, safe, and affordable housing.

Though the PHA does not operate a homeownership program, the PHA is making referrals to the City's Community Development Department's homeownership program of households at or near zero HAP. This program, known as the Individual Development Account, will evaluate households at or near zero HAP to accumulate funds that will be matched with other sources to obtain a down payment for homeownership.

As standard practice, the PHA provides voucher mobility awareness (and follow-up mobility counseling as needed).

The PHA is seeking the approval of a larger percentage of CFP funds in operations in order to improve vacancy rate. Other sources of funding are currently being used to address capital needs.

HUD Strategic Goal 2: Improve community quality of life and economic vitality.

Security improvements are currently underway at Hueneme Village with the installation of exterior security lighting.

HUD Strategic Goal 3: Promote self-sufficiency and asset development of families and individuals.

The Commission on Human Concerns is currently partnering with the PHA to provide counseling in a program known as "Beyond Welfare."

HUD Strategic Goal 4: Ensure Equal Opportunity in Housing for all Americans.

The PHA has fair housing literature visible and readily available for distribution. HUD Fair Housing literature is distributed and reviewed at briefing.

The City, in partnership with the County of Ventura, contracts with the Fair Housing Council of San Gabriel Valley to provide services to the community.

PHA immediately responds to accessibility requests by persons with disabilities of any kind.
