## **ii. Executive Summary of the Annual PHA Plan**

[24CFR Part 903.79(r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Housing Authority of the City of Long Beach  
Summary of Five Year Plan for Fiscal Years 2000 – 2004  
And  
Annual Plan for 2003 – 2004

The mission of the Long Beach Housing Authority is to provide high quality housing assistance for Long Beach's low -income household through:

- Effectively and efficiently utilizing resources.
- Promoting a positive image through excellent customer service and clear and open communication.
- Continually educating staff and clients.

Within the scope of the Housing Authority's mission, specific goals have been established:

- The Housing Authority will continue to apply for additional vouchers whenever the opportunity is presented.
- The Housing Authority will continue to improve management to provide better service to its customers.
- The Housing Authority will continue to reach out to additional property owners.
- The Housing Authority will continue to promote self -sufficiency and asset development of assisted households.

There is a great need for housing assistance in Long Beach. As of the 2000 census, 25,479 households were at 30 percent or less of median income, and another 20,000 were at 50 percent or less of median income. Median income for the Los Angeles -Long Beach metropolitan statistical area is currently at \$50,300.00 for a family of four; 30 percent of median is \$16,900. A typical rent for a two -bedroom apartment in the central part of Long Beach is \$731.00. If a family of four has an income at 30 percent of median, the family could not pay rent and pay for other necessities as well. Additionally, while the median income for LA -Long Beach is \$50,300, in Long Beach alone the median income for a family of four is only \$37,270, which demonstrates the need for assistance in our city.

The Housing Authority's waiting list was opened in 1997, and still contains families. The waiting list is open as of this writing, and will be closed on May 31, 2003. The waiting list will be opened again on August 1, 2003, and will remain open.

The Housing Authority intends to address these needs by utilizing the following strategies:

- Maximizing the number of affordable units available by establishing payment standards that will enable families to rent in a broad market area as possible.
- Marketing the program to landlords to make the program acceptable to them.
- Within means available, provide counseling to the extremely low -income applicants who have a difficult time finding affordable housing, even with their voucher.
- Make the project based use of Section 8 vouchers an option in all areas of the City as opportunity arises.

Additionally, the Housing Authority attempts to address the needs of certain segments of the local population by having adopted certain preferences for selection from the waiting list:

- Veterans and veterans' family members.
- Families and those unable to work because of age or disabilities.
- Residents of and those who work in the City of Long Beach.
- Families displaced by the untimely termination of assistance due to foreclosure of housing revenue bonds.
- Homeless families referred to the Housing Authority by City staff at the City's Multi-Service Center for the homeless.

The Housing Authority enacted a Section 8 homeownership program, and will continue with efforts to make that option available to Section 8 participants.

2003-2004 LBHARAB Meeting Agenda and Curriculum with RAB Comments  
May 1, 2003

These comments were prepared by Susanne Browne, Legal Aid attorney who assisted with the meeting.

\*\*\* **RAB COMMENTS ARE IN ITALICS AND BOLD**

**The Plan Components**

- I. Targeting Assistance to Persons at or below 30% Area Median Income
  - A. What does it mean to target assistance?
  - B. What is Area Median Income (AMI)?
    - 1. In LB it is approximately \$50,300 per year for a family of 4
    - 2. 30% of this is approximately \$16,900 per year for a family of 4
  - A. HUD requires PHA to target 75% of their Sec. 8 vouchersto families who are at or below 30% AMI
  - B. HUD require targeting so that those who really need housing (those with very low incomes) receive vouchers
  - C. Do you think the HA should be exceeding the 75% target? ***NO. 75% is a good number.***
  - D. Should the HA employ admissions preferences for those with economic hardships (those paying more than 50% of their income on rent)? ***NO***
  - E. Query: what percent of those on the waiting list are at or below 30% AMI? LBHA does not know. LBHA says it is not required to keep this information.
  
- I. Conducting Activities to Affirmatively further fair housing (AFFH)
  - A. The HA is required to AFFH
  - B. Do you think the HA should counsel Sec. 8 tenants as to the location of units outside of poverty areas or areas of minority concentration and assist them in locating those units? ***YES, definitely.***
  - C. Do you think the HA should market the Sec. 8 Program to owners outside of areas of poverty or minority concentration? ***YES, definitely.***
  - D. Do you have any other ideas re: how the HA can meet its AFFH obligations? ***YES. (1) The HA should engage in a public relations program to encourage and lordsto rent to Sec. 8 tenants. Landlords need to know that Sec. 8 tenants are good tenants. Sec. 8 tenants have more to lose than regular tenants because if they act improperly they can lose their vouchers. Therefore, Sec. 8 tenants are usually good, well behaved tenants. (2) The HA should advertise more about the Sec. 8 program so that more landlords know about it. A lot of landlords do not even know about the***

*program. This is one reason that they do not rent to Sec. 8 tenants. (3) The HA should give landlords a guarantee that it will cover the cost of property damage by Sec. 8 tenants. This will encourage owner participation. (4) There should be more contact between Sec. 8 landlords (both existing landlords and new landlords) because this will encourage landlord participation and satisfaction with the program.*

- I. Voucher Search Time
  - A. What is voucher search time?
  - B. Voucher search time is very important in today's tight housing market
  - C. LBHA gives voucher holders 120 days to find a unit. It will grant extensions up to 180 days for illness or disability and even longer extensions when appropriate.
  - D. Do you think this is enough time? **NO. The HA should give 180 day extensions for more people. The 180 day extensions should not be limited to illness and disability. It is very hard to find housing right now and 120 days may not be enough time for a lot of people. The HA should grant 180 day extensions whenever a family has a good reason for needing an extension (e.g., large families and families with poor credit histories often need additional search time). The HA should grant families extensions when they need them.**
  - E. Is it too much time? **NO.**

- I. Admissions Preferences
  - A. Admissions preferences are very important because they determine who gets vouchers and who does not
  - B. Handout: What RABs should know about PHA Admissions Preferences
  - C. Here is a list of potential preferences
    - 1. Involuntary displacement (disaster, government action, action of housing owner, inaccessibility, property disposition) - **YES**
    - 2. Victims of domestic violence - **YES. The RABs said that there should be a preference for domestic violence victims. The RABs said that such a preference should have restrictions attached to it to ensure that the preference is not abused. In other words, RAB members want to be sure the preference is used for those who are truly victims of domestic violence. Therefore, the RAB recommended that victims of domestic violence be required to provide confirmation of domestic violence by providing copies of restraining orders or other relevant court orders, proof of case management for domestic violence, or proof that the applicant was residing in a battered women's shelter or other similar housing.**
    - 3. Families living in substandard housing - **NO**
    - 4. Homelessness - **YES. LBHA currently sets aside 20 vouchers per year for homeless persons. The RABs said this number is too low. RAB members said it should be increased to 50 vouchers or more per year. RAB members explained that this is because those who are homeless are the most in need. RAB members also said that more vouchers should go to the homeless because Sec. 8 is intended, in part, to end homelessness.**

*The RAB members additionally decided that homelessness should be used as a general preference for Section 8 applicants who are on the waiting list. In other words, in addition to setting aside a certain number of vouchers for the homeless (50 or more per year), LBHA should also use homelessness as a preference for those persons on the waiting list. Such a general preference would affect the order in which applicants are pulled from the waiting list.*

5. Families with a high rent burden (spending more than 50% of their income on rent) - **NO**
  6. Working families & those unable to work because of age or disability - **NO**
  7. Veterans and veterans' families - **YES**
  8. Residents who live and/or work in the jurisdiction - **YES**
  9. Those currently enrolled in educational, training or upward mobility programs - **NO**
  10. Those previously enrolled in educational, training or upward mobility programs - **NO**
  11. Victims of reprisals or hate crimes - **NO**
  12. Participants in the witness protection program - **YES, but this preference should be modified to include 2 additional groups of people: (1) persons who have witnessed crimes whose lives are in danger; and (2) victims of gang violence whose lives are in further danger.**
- D. Can you think of any other preferences that should be added to this list? **See answer #12 above.**
- E. Which preferences do you think the HA should adopt? **See above.**
- A. Last year, the HA used the following preferences:
1. Involuntary displacement
  2. Homelessness
  3. Veterans
  4. Residents who live and/or work in the jurisdiction
  5. Participants in the witness protection program
- A. Do you disagree with any of the preferences LBH used last year? **See above.**
- I. Waiting List organization
- A. Once applicants make it on the waiting list, do you think they should be selected based upon:
1. The date and time of their application (first come, first serve), or
  2. By drawing, lottery or other random order technique
- Applicants should be selected based upon date and time of their application.**
- I. Minimum Rent
- A. What is minimum rent?
- B. What do you think the LBH's minimum rent should be?
1. \$0.00
  2. \$1.00 - \$25.00
  3. \$26.00 - \$50.00
- A. LBH currently has a minimum of rent of \$50.00. Do you agree with this? **Yes. \$50.00 is OK.**
- I. Home Ownership Program
- A. Description of program
- B. What do the RAB members think of the program? **It sounds like a great program. When the HA uses up the 20 vouchers set aside for this program (20 set aside out of 6,000) it should designate more vouchers for this program.**
- C. How would you improve the program or change it? **No ideas were given.**
- I. Family Self-sufficiency Program
- A. Description of the program
- B. What is the required size? 1,100 families.
- C. Is the PHA maintaining its program size required by HUD? LBH currently has 1,025 families enrolled.
- D. If not, what steps is the PHA taking to meet its size?

E. How would you improve or change the program? *No ideas were given.*

3. In what manner did the PHA address those comments? (select all that apply)

- Considered comments, but determined that no changes to the PHA Plan were necessary.
- The PHA changed portions of the PHA Plan in response to comments  
List changes below:
- Other: (list below)

-The above comments and suggestions were noted and welcomed. Suggestions will be considered by the Housing Authority in the coming year.
