VOUCHER ISSUANCE AND BRIEFINGS

[24 CFR 982.301, 982.302]

INTRODUCTION

The PHA's goals and objectives are designed to assure that families selected to participate are equipped with the tools necessary to locate an acceptable housing unit. Families are provided sufficient knowledge and information regarding the program and how to achieve maximum benefit while complying with program requirements. When eligibility has been determined, the PHA will conduct a mandatory briefing to ensure that families know how the program works. The briefing will provide a broad description of owner and family responsibilities, PHA procedures, and how to lease a unit. The family will also receive a briefing packet, which provides more detailed information about the program including the benefits of moving outside areas of poverty and minority concentration. This chapter describes how briefings will be conducted, the information that will be provided to families, and the policies for how changes in the family composition will be handled.

A. ISSUANCE OF VOUCHERS [24 CFR 982.204(d), 982.54(d)(2)]

When funding is available, the PHA will issue vouchers to applicants whose eligibility has been determined. The number of vouchers issued must ensure that the PHA stays as close as possible to 100 percent lease-up. The PHA performs a monthly calculation **manually** to determine whether applications can be processed, the number of vouchers that can be issued, and to what extent the PHA can over-issue (issue more vouchers than the budget allows to achieve lease-up).

The PHA may over-issue vouchers only to the extent necessary to meet leasing goals. All vouchers, which are over-issued, must be honored. If the PHA finds it is over-leased, it must adjust future issuance of vouchers in order not to exceed the ACC budget limitations over the fiscal year.

B. BRIEFING TYPES AND REQUIRED ATTENDANCE [24 CFR 982.301]

Initial Applicant Briefing

A full HUD-required briefing will be conducted for applicant families who are determined to be eligible for assistance. The briefings will be conducted in **groups meetings**. Families who attend group briefings and still have the need for individual assistance will be referred to **Housing Specialist**.

Briefings will be conducted in English. **Individual briefings will also be conducted in Spanish.**

The purpose of the briefing is to explain how the program works and the documents in the voucher holder's packet to families so that they are fully informed about the program. This will enable them to utilize the program to their advantage, and it will prepare them to discuss it with potential owners and property managers.

The PHA will not issue a voucher to a family unless the household representative has attended a briefing and signed the voucher. Applicants who provide prior notice of inability to attend a briefing will automatically be scheduled for the next briefing. Applicants who fail to attend **one** scheduled briefings, without prior notification and approval of the PHA, may be denied admission based on failure to supply information needed for certification. The PHA will conduct individual briefings for families with disabilities at their home, upon request by the family, if required for reasonable accommodation.

Briefing Packet [24 CFR 982.301(b)]

The documents and information provided in the briefing packet for the voucher program will comply with all HUD requirements. **The PHA also includes other information and/or materials, which are not required by HUD.**

The family is provided with the following information and materials

The family must terminate its lease with the current owner by giving a proper notice as required by the lease terms, and/or obtain permission from the owner for an early termination date by signing a "Mutual Recision of the Lease" form . This briefing includes incoming and outgoing portable families.

Owner Briefing

Briefings are held for owners annually. All new owners receive a personal invitation and current owners are notified by mail. Prospective owners are also welcome. The purpose of the briefing is to assure successful owner participation in the program. The briefing covers the responsibilities and roles of the three parties.

Signature Briefing

All new owners may be required to attend a signature briefing with the family head at the office or at the unit to execute contracts and leases. Other owners will be encouraged to attend signature briefings to reduce future conflict between the owner and tenant. Interested owners who request to sit in on scheduled family briefings to obtain information about the voucher program will be allowed to do so if the request is made within 1 days of the scheduled briefing.

C. ENCOURAGING PARTICIPATION IN AREAS WITHOUT LOW INCOME OR MINORITY CONCENTRATION

At the briefing, families are encouraged to search for housing in non-impacted areas and the PHA will provide assistance to families who wish to do so.

F. TERM OF VOUCHER [24 CFR 982.303, 982.54(d)(11)]

During the briefing session, each household will be issued a voucher which represents a contractual agreement between the PHA and the Family specifying the rights and responsibilities of each party. It does not constitute admission to the program which occurs when the lease and contract become effective.

Expirations

The voucher is valid for a period of at least sixty calendar days from the date of issuance. The family must submit a Request for Approval of the Tenancy and Lease within the sixty-day period unless an extension has been granted by the PHA.

If the voucher has expired, and has not been extended by the PHA or expires after an extension, the family will be denied assistance. The family will not be entitled to a review or hearing. If the family is currently assisted, they may remain as a participant in their unit if there is an assisted lease/contract in effect.

Suspensions

When a Request for Approval of Tenancy is received, the PHA **will** deduct the number of days required to process the request from the 60 day term of the voucher.

Extensions

The PHA will extend the term up to 90-days from the beginning of the initial 60-day term, if the family needs and request an extension as a reasonable accommodation to make the program accessible to and usable by a family member with a disability. If the family needs an extension in excess of the initial 60-day term, the PHA will extend the voucher term for the amount of time reasonably required for said reasonable accommodation.

A family may request a written request for an extension of the voucher time period. All requests for extensions must be received prior to the expiration date of the voucher.

Extensions are permissible at the discretion of the PHA up to a maximum of an additional 90-days primarily for these reasons:

Extenuating circumstances such as hospitalization or a family emergency for an extended period of time, which has affected the family's ability to find a unit within the initial sixty-day period. Verification is required.

The PHA is satisfied that the family has made a reasonable effort to locate a unit, including seeking the assistance of the PHA, throughout the initial sixty-day period. A completed search record is required.

\$ASQC00702003200304300339-05

The family was prevented from finding a unit due to disability accessibility requirements. The Search Record is part of the required verification.

Assistance to Voucher Holders

Families who require additional assistance during their search may call the PHA Office to request assistance. Voucher holders will be notified at their briefing session that the PHA periodically updates the listing of available units and how the updated list may be obtained.

The PHA will assist families with negotiations with owners and provide other assistance related to the families' search for housing.

Hardship Request for an Exception to Minimum Rent

1. The Minimum Rent shall be \$ 50.00 per month, but a hardship exemption shall be granted to residents who can document that they are unable to pay the \$ 50.00 because of a long-term hardship (over 90 days). Examples under which residents would qualify for the hardship exemption to the minimum rent would include but not be limited to the following:
 - The family has lost eligibility for or is applying for an eligibility determination for a Federal, State or local assistance program;
 - The family would be evicted as result of the imposition of the minimum rent requirements;
 - The income of the family has decreased because of changed circumstances, including loss of employment;
 - A death in the family has occurred; or
 - Other circumstances as determined by PHA

The minimum rent hardship exemption is retroactive to October 21, 1998, so if any resident who qualified for the hardship exemption was charged a minimum rent since that time, the resident may be entitled to a retroactive credit.

B. MINIMUM RENT [24 CFR 5.616]

Minimum Rent

"Minimum rent" is **\$50**. Minimum rent refers to the Total Tenant Payment and includes the combined amount a family pays towards rent and/or utilities when it is applied.

Hardship Requests for an Exception to Minimum Rent

The PHA recognizes that in some circumstances even the minimum rent may create a financial hardship for families. The PHA will review all relevant circumstances brought to the PHA's attention regarding financial hardship as it applies to the minimum rent. The following section states the PHA's procedures and policies in regard to minimum rent financial hardship as set forth by the Quality Housing and Work Responsibility Act of 1998. HUD has defined circumstances under which a hardship could be claimed. (24 CFR 5.630)

Criteria for Hardship Exception

In order for a family to qualify for a hardship exception the family's circumstances must fall under one of the following HUD hardship criteria:

The family has lost eligibility or is awaiting an eligibility determination for Federal, State, or local assistance, including a family with a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act, and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

The family would be evicted as a result of the imposition of the minimum rent requirement;

The income of the family has decreased because of changed circumstances, including loss of employment, death in the family, or other circumstances as determined by the PHA or HUD

PHA Notification to Families of Right to Hardship Exception

The PHA will notify all families subject to minimum rents of their right to request a minimum rent hardship exception. "Subject to minimum rent" means the minimum rent was the greatest figure in the calculation of the greatest of 30% of monthly adjusted income, 10% of monthly income, minimum rent or welfare rent.

If the minimum rent is the greatest figure in the calculation of Total Tenant Payment, PHA staff will include a copy of the notice regarding hardship request provided to the family in the family's file.

The PHA notification will advise families that hardship exception determinations are subject to PHA review and hearing procedures.

\$ASQCO0702003200304300339-07

The PHA will review all family requests for exception from the minimum rent due to financial hardships.

All requests for minimum rent hardship exceptions are required to be in writing.

The PHA will request documentation as proof of financial hardship.

The PHA will use its standard verification procedures to verify circumstances which have resulted in financial hardship.

Requests for minimum rent exception must include a statement of the family hardship that qualify the family for an exception.

Suspension of Minimum Rent

The PHA will grant the minimum rent exception to all families who request it, effective the first of the following month.

The minimum rent will be suspended until the PHA determines whether the hardship is:

Covered by statute

Temporary or long term

"Suspension" means that the PHA must not use the minimum rent calculation until the PHA has made this decision.

During the minimum rent suspension period, the family will not be required to pay a minimum rent and the housing assistance payment will be increased accordingly.

If the PHA determines that the minimum rent is not covered by statute, the PHA will impose a minimum rent including payment for minimum rent from the time of suspension.

Temporary Hardship

If the PHA determines that the hardship is temporary, a minimum rent will not be imposed for a period of up to 90 days from the date of the family's request. At the end of the temporary suspension period, a minimum rent will be imposed retroactively to the time of suspension.

The PHA will offer a repayment agreement to the family for any such rent not paid during the temporary hardship period. (See "Owner and Family Debts to the PHA" chapter for Repayment agreement policy).

Long-Term Duration Hardships [24 CFR 5.616(c)(3)]

If the PHA determines that there is a qualifying long-term financial hardship, the PHA must exempt the family from the minimum rent requirements for as long as the

\$ASQCO0702003200304300339-07

hardship continues. The exemption from minimum rent shall apply from the first day of the month following the family's request for exemption.

Retroactive Determination

The PHA will reimburse the family for any minimum rent charges which took effect after October 21, 1998 that qualified for one of the mandatory exceptions.

If the family is owed a retroactive payment, the PHA will provide reimbursement in the form of a cash refund to the family.

The PHA's definition of a cash refund is a check made out to the family.

Definition of “Substantial Deviation” and “Significant Amendment or Modification”

The Longmont Housing Authority accepts the Department of Housing and Urban Developments definition of Substantial Deviation and Significant Amendment or Modification as per PIH Notice 99-51 (HA)

Voluntary conversion Required Initial Assessments

Longmont Housing Authority has reviewed the operations of its public housing units and has determined that converting the public housing units to tenant-based assistance would benefit the Longmont community by creating more opportunities for assistance to more families within our community. Based on the cost of running the public housing project with only six units attached is a financial trial due to the small sum of units in inventory. In addition, the time required to report all necessary data for the six public housing units is very time consuming which is at times, challenging to LHA due to the limited size of our staff. In conclusion, conversion of the development will be appropriate because removal of the development would meet the necessary conditions for voluntary conversion as described in CFR 972.200 (c).

Component 10 (B) Voluntary Conversion Initial Assessments

- a. How many of the PHA’s developments are subject to the Required Initial Assessments? **One Public housing development is subjected to the required initial assessment.**
- b. How many of the PHA’s developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects)? **N/A**
- c. How many Assessments were conducted for the PHA’s covered developments? **One assessment was conducted for the one PHA development.**
- d. Identify PHA development that may be appropriate for conversion based on the Required Initial Assessments:

DEVELOPMENT NAME	NUMBER OF UNITS
Low Rent Public Housing (scattered sites)	6

- e. If the PHA has not completed the Required Initial Assessments, describe the status of these assessments: **A brief summary of the Required Initial Assessments for Longmont Housing Authority Public Housing program will accompany this form (component 10 (B))**
