The Mission of the Cochise County Housing Authority is to develop, promote and administer an assisted housing program with Cochise County. To provide decent, safe and sanitary housing for low income families in an efficient and economical manner consistent with local and federal goals and objectives; to efficiently administer projects and programs as approved by the Annual Contributions Contract with HUD.

#### B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS. (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

X PHA Goal: Expand the supply of assisted housing Objectives:

X Apply for additional rental vouchers: We currently assist a large population of elderly and disabled applicants. We may apply for additional vouchers for special need populations when we feel that we

complete surveys on services they have received. We hope to be able to take the information received from these surveys and find our weaknesses and strengths and complete strategies on how we can improve customer service.  Concentrate on efforts to improve specific management functions: (list; e.g., public housing finance; voucher unit inspections)  Renovate or modernize public housing units: Demolish or dispose of obsolete public housing:		can maintain our lease up rate at 100% or higher. We have a very large transient population and have not been able to obtain 100% lease-up.
Acquire or build units or developments Other (list below)  X PHA Goal: Improve the quality of assisted housing Objectives: Improve public housing management: (PHAS score) X Improve voucher management: (SEMAP score) We will not have official scores on SEMAP until the end of this year. We have taken extra measures to insure that our scores will be high and we will continue to strive for excellence in all that we do. X Increase customer satisfaction: The Cochise County Health and Social Services Department will be asking all clients that come to our offices to complete surveys on services they have received. We hope to be able to take the information received from these surveys and find our weaknesses and strengths and complete strategies on how we can improve customer service.  Concentrate on efforts to improve specific management functions:		Leverage private or other public funds to create additional housing

## ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Cochise County Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The Cochise County Housing Authority administers Certificate and Voucher programs to approximately 404 families. Although the Housing Authority is small, we assist clients in a County that encompasses over 6200 sq. miles. The County shares a border with Mexico, which means we issue assistance to a large Hispanic population. We also provide 43% of our housing assistance to the Elderly and Disabled.

The Elderly, Disabled and working families are given a high preference on our waiting list. Clients in this category which are at or below 30% of median income are housed under the Section 8 program within three to six months. Clients that do not fall in this lower income level but qualify with a higher preference are also housed, but with a longer waiting period. We try to assist these clients by providing them housing once we meet the HUD requirement of 75% of our population being housed at or below 30% of median income.

The Cochise County Housing Authority will continue to strive to assist the low income families of Cochise County. We have implemented an Emergency Home Repair Program for Low to Moderate Income homeowners. We hope in the next three years to begin a Voucher Homeownership Program for a small percentage of our Voucher participants.

#### A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

## Strategy 2: Conduct activities to affirmatively further fair housing

- X Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- X Market the section 8 program to owners outside of areas of poverty /minority concentrations
- X Other: (list below)

Educate new participants at their briefing about what discrimination is and how to file a complaint if they are ever party to an act of discrimination.

Other Housing Needs & Strategies: (list needs and strategies below)

#### (2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

- X Funding constraints Large jurisdiction (6200 sq miles), funding from Section 8
  Program and small amount from CDBG)
- X Staffing constraints Only have funding for staff of three
- X Limited availability of sites for assisted housing Limited available housing in some areas rents are very high do not work with FMR's.

	Extent to which particular housing needs are met by other organizations in the
	community
	Evidence of housing needs as demonstrated in the Consolidated Plan and other
	information available to the PHA
X	Influence of the housing market on PHA programs – rents are high, also many
	areas have very old housing stock or older mobile homes.
X	Community priorities regarding housing assistance – <b>Most City agencies are</b>
	looking at Tax Credit Projects for Affordable Housing. This does not assist
	the very low income household or working poor who do not qualify under
	60% income limits. There are elderly units in some of the smaller
	communities. County Government is not looking to develop housing at this
	time.
	Results of consultation with local or state government
X	Results of consultation with residents and the Resident Advisory Board – <b>limited</b>
	participation, no ideas for new housing.
	Results of consultation with advocacy groups
