## **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The City of Mesa Housing Services Division has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the following mission statement to guide the activities of the City of Mesa Housing Services Division:

The mission of the City of Mesa Housing Services Division is to provide decent, safe, affordable housing to Mesa residents. We provide and maintain safe, quality housing in a cost-effective manner. By partnering with others, we offer rental assistance and other related services to our community in a non-discriminatory manner.

We have also adopted the following goals and objectives for the next five years:

**Goal One:** Manage the City of Mesa Housing Services Division's existing affordable housing program in an efficient and effective manner.

**Objective:** The City of Mesa Housing Services Division shall make our affordable housing units more marketable to the community as evidenced by an increase in external and internal property improvements.

1. The City of Mesa Housing Services Division shall promote a motivating work environment with a capable and efficient team of employees to operate as a customer-friendly and fiscally prudent leader in the assisted housing industry.

Goal Two: Provide a safe and secure environment in the City of Mesa Housing Services Division's affordable housing site.

Objectives:

1. The City of Mesa Housing Services Division shall reduce its evictions due to violations of criminal laws by 20% by December 31, 2000 through aggressive screening procedures.

Goal Three: Expand the range and quality of housing choices available to participants in the City of Mesa Housing Services Division's tenant-based assistance program.

Objectives:

1. The City of Mesa Housing Services Division shall establish a program to help people use its tenant-based program to become homeowners by December 31, 2000.
2. The City of Mesa Housing Services Division shall achieve and sustain a utilization rate of 98% by December 31, 2000, in its tenant-based program.
3. The City of Mesa Housing Services Division shall attract 100 new landlords who want to participate in the program by December 31, 2004.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives, we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- We have adopted the following local preferences—for applicants who live or work in the City of Mesa; for working families employed at least 20 hours per week; for heads of household who are full-time students; for heads of household and/or spouses who are 62 years or older; and for heads of household and/or spouses who are disabled.
- We have adopted an aggressive screening policy for our affordable housing to ensure to the best of our ability that new admissions will be good neighbors. In our Section 8 Program, we are screening applicants to the fullest extent allowable while not taking away the ultimate responsibility from the landlord. Our screening practices will meet all fair housing requirements.
- We have implemented a tenacious deconcentration policy.
- Applicants will be selected from the waiting list by preference and in order of the date and time they applied.
- We have established a minimum rent of \$50 for the Section 8 Program.
- We have established flat rents for our affordable housing units.
- In an attempt to encourage work and advancement in the workplace, we are not requiring interim recertifications if a resident or Section 8 participants have an increase in income. The increase will be reported at the next regular recertification.
- We are going to utilize the published FMR's as our payment standard for the Section 8 Program.

***In summary, we are on course to improve the condition of assisted and affordable housing in Mesa.***
