C. Strategy for Addressing Needs

Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency’s reasons for choosing this strategy.

The Calhoun Housing Authority in partnership with the Department of Community Affairs just completed the development of 56 affordable units in this area. The permanent financing loan just closed this year. All apartments are now leased up. We will continue to promote these new units as affordable units available for the low income in our area. We are excited about the success of this project and hope to possibly build more in the future.

(1) Strategies

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
