C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

We are required to state how we intend to address our community's housing needs to the maximum extent practical. While we wish we could meet the needs that exist in our jurisdiction, we are not optimistic about achieving this objective. The problem is that we lack the resources to address our housing needs. Neither the Housing Authority of the City of Gary nor the Federal Government has the resources necessary to accomplish our objective. The only practical thing we can do is to apply for the grant opportunities made available by the U.S. Department of Housing and Urban Development over the course of the next year. Whatever possible, we will respond to HUD NOFA's (Notice of funding Availability) to increase the amount of affordable housing in Gary.

(1) Strategies
