5-YEAR PLAN
PHA FISCAL YEARS 2000 - 2004

[24 CFR Part 903.5]

A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The PHA's mission is: (state mission here)

The Housing Authority's vision is to ensure that all neighborhoods in the City of Glendale are quality, livable places that are free from blight, where residents feel safe, and can access resources and services which enhance their ability to support themselves, their families and the community.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

PHA Goal: Expand the supply of assisted housing

Objectives:

Apply for additional rental vouchers:

1. Apply for each fair-share rental voucher NOFA made available by HUD; and,
2. Apply for 200 Section 8 Welfare-to-Work rental vouchers; and
3. Apply for additional 17 Shelter Plus Care rental units.

Reduce public housing vacancies:

Leverage private or other public funds to create additional housing opportunities:

The Redevelopment set-aside fund for housing will provide approximately \$5.5 million to the Housing Authority for financial assistance to help promote the

construction of an anticipated 33 units of affordable housing for lower income seniors and families.

- Acquire or build units or developments
- Other (list below)

PHA Goal: Improve the quality of assisted housing

Objectives:

- Improve public housing management: (PHAS score)
- Improve voucher management: (SEMAP score)
- Increase customer satisfaction:
 1. Increase outreach and marketing products to attract new owner participants to the rental assistance program;
 2. Create a newsletter to assist program families with essential information about program services and requirements, and promote economic self-sufficiency opportunities;
 3. Increase the number of program forms and instructions written in second-languages to be responsive to the number of families where the primary language of the home is not English.
- Concentrate on efforts to improve specific management functions: (list; e.g., public housing finance; voucher unit inspections)
 4. To make improvements in the management systems of administration and secure audit services to review the operation's internal systems and technologies.
- Renovate or modernize public housing units:
- Demolish or dispose of obsolete public housing:
- Provide replacement public housing:
- Provide replacement vouchers:
- Other: (list below)

The Authority will continue to further the Housing Integrity Compliance program to eliminate fraud and waste of Section 8 resources. The program will aggressively pursue the collection of Section 8 assistance obtained fraudulently by program tenants, and continue to work collaboratively with the County District Attorney's Office to seek legal restitution from terminated tenants.

PHA Goal: Increase assisted housing choices

Objectives:

- Provide voucher mobility counseling:
- Conduct outreach efforts to potential voucher landlords
- Increase voucher payment standards

The Housing Element for the City quantifies the housing needs for lower income households. Some of the key finds include:

5. There is a continuing influx of larger families in the City;
6. Overcrowding is increasing;
7. Vacancy rates are at a historical low,
8. There is a significant gap between the cost of housing and the ability of residents to pay (48% of renters have extreme rent burdens)

In response to these findings, the Housing agency will seek enhanced payment standards from HUD to ensure that rental vouchers provide choice to program tenants and help deconcentrate lower income households in the southern portion of the City.

- Implement voucher homeownership program:
This new proposed use of Section 8 funds is still in development at HUD. The housing agency hopes to provide \$350,000 to assist 10 households with ownership assistance.
- Implement public housing or other homeownership programs:
- Implement public housing site-based waiting lists:
- Convert public housing to vouchers:
- Other: (list below)

HUD Strategic Goal: Improve community quality of life and economic vitality

- PHA Goal: Provide an improved living environment
Objectives:
 - Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments:
 - Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:
 - Implement public housing security improvements:
 - Designate developments or buildings for particular resident groups (elderly, persons with disabilities)
 - Other: (list below)
 9. Continue linkage of the Section 8 tenant-based program with the City's code enforcement program to abate habitability violations and take sanctions or take other administrative actions where program owners are not in compliance with the municipality's housing ordinances and standards.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

- PHA Goal: Promote self-sufficiency and asset development of assisted households
Objectives:
 - Increase the number and percentage of employed persons in assisted families:
The housing agency continues to support the Family Self-Sufficiency initiative and is a partner with the Verdugo Jobs Center jointly operated by the Workforce Investment Board and the California Employment Development Department. The goal of the agency's Family Self-Sufficiency Program is to prepare program families to enter the workforce by providing job training and other employment preparation experiences, and the coordination of supportive services to help lift families out of poverty.
 - Provide or attract supportive services to improve assistance recipients' employability:
 - Provide or attract supportive services to increase independence for the elderly or families with disabilities.
- Other: (list below)
 - a.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans
