ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Mission of the Housing Authority of Nicholasville is to provide and maintain adequate, safe, quality affordable housing in a cost-effective manner. By partnering with others, we offer rental assistance to our community in a non-discriminatory manner, which provides a suitable living environment and economic opportunities free of discrimination.

We have also adopted the following goals and objectives: Goal One: Manage the Housing Authority of Nicholasville's existing units in an efficient and effective manner thereby qualifying as at least a standard performer. The objectives to Goal One 1.) Make our units more marketable to the community as evidenced by an increase in our waiting list by increasing the curb appeal of the units, increasing customer satisfactions, and making the units more energy efficient; 2.) Increase the availability by becoming more efficient in our management and maintenance practices, which will be evident by lower vacancies and turnover rates. Goal Two: Explore available opportunities to meet the community needs of the elderly and/or disabled residents by adding more one (1)-bedroom units. The objective to Goal Two is to explore private funding and other sources to support the growing need.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission. The plans, statements, budget summary, policies, etc. set forth in the Annual Plan, taken as a whole, outlines a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan and the needs of our community.

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan: No substantial deviations

B. Significant Amendment or Modification to the Annual Plan:

The Housing Authority of Nicholasville addresses the following requirement of 24 CFR 903.7(r) regarding agency plans containing a locally derived definition of "substantial deviation" and "significant amendment or modification" as follows:

"Substantial deviations or significant amendments or modifications are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require review that has met the full public process requirement (including Resident Advisory Board review) and formal approval of the Board of Commissioner."
