**This plan is prepared to comply with HUD regulations. It applies to the Office of Community Development in that it (OCD) administers a Section 8 housing assistance program. The OCD does not own or operate any “Public Housing” and as such has not included those sections in this plan. Most public housing activities in East Baton Rouge Parish are administered by the Housing Authority of East Baton Rouge Parish (HAEBRP) and will be included in its PHA plan when it is submitted. This plan is prepared only for the activities administered by the OCD that consist of its Moderate Rehabilitation and New Construction programs. Waiting list information is contained in this plan for informational purposes but it should be noted that the waiting list is prepared for and maintained by the HAEBRP. The plan restates the priorities assigned to various housing groups that were originally discussed in the Comprehensive Housing Affordability Strategy and in subsequent Consolidated Plans which remain the main sources for the information on housing programs administered by the OCD.**

In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact."
