ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Quality Housing and Work Responsibility Act of 1998 requires all housing authorities to submit an Agency Plan in accordance with the U. S. Department of Housing and Urban Development's (HUD) required format. The Agency Plan is comprised of a Five Year Plan and an Annual Plan.

The Five Year Plan includes the Housing Authority of the County of Riverside's mission statement, and the goals and objectives for a five year period beginning July 1, 2000..

The Housing Authority of the County of Riverside has been designated a high performing agency by HUD. As such, the Housing Authority's submission of a streamlined Annual Plan includes the following mandated components:

- ☞ A statement of housing needs of the low and very-low income families who reside in the jurisdiction served by the Housing Authority.
- ☞ A statement of financial resources available for the support of the federal public housing and tenant-based assistance programs.
- ☞ A statement of the Housing Authority's policies governing eligibility, selection and admission of applicants.
- ☞ A statement of the Housing Authority's rent determination policies.
- ☞ A statement of capital improvements needed.
- ☞ A statement of any planned demolition and/or disposition of public housing.

- ☞ A statement of the Housing Authority's safety and crime prevention measures.
- ☞ A statement of the Housing Authority's policies and rules regarding ownership of pets in public housing.
- ☞ Civil rights certification.
- ☞ Results of the most recent fiscal year audit.

In the development of the Agency Plan, the Housing Authority solicited input from its program participants through meetings at each public housing site and the formation of a Resident Advisory Board. The Resident Advisory Board, consisting of five public housing residents and seven Section 8 participants, met with Housing Authority representatives on November 18, 1999 and December 8, 1999 to assist and make recommendations regarding the Plan.

As part of the planning process, the Housing Authority examined existing operations and needs, and designed strategies to address those needs.
