*PHA Fiscal Years 2000-2004*

*(24 CFR Part 903-5)*

Second box: (state mission here)

Help for family self sufficient participants in finding and most probably giving a statement or certificate of good standing. This will help clients have a better chance to rent the house or apartment of their choice. Simply because of the respect for reputation. Statements of recommendations such as the following:

--If nothing else, just a word of good character statement for the person as a section 8 tenant, such as (this client has lived in the ..... **Apartments**, in Long Beach for several years with good standing, both with the housing authority department and landlord or owner...

We proudly recommend..... who is a citizen to you, because he or she has a pass background as an outstanding tenant in the community.

In order to help this client maintain upward bound career, employment, and vocational and career goals and to help in getting a solid foundation of self sufficiency to the family.

Why? Because we believe that the tenant will continue to be an attribute to the community in which they live.

**QUESTION:**

**What can the housing authority do to help?**

For families with children who need an authority figure with a voice that will be heard because the family needs more room for the children to develop while parent or parents or working and they need economic living quality equal to that of which will help families also in their pride and outlook because of the welfare reform. Helping families to be sufficient in this area may never happen, unless someone does something different.

There are often empty housing seen in the Long Beach area, which have had For Sale signs on them, for sometimes, an entire year. There is one, in particular, that says section 8 not welcome, or not allowed. Why: We don't know, unless we ask the landlord.

Perhaps, because of the conduct of past section 8 client or tenant, or because of housing requirements. I have personally, have not found the Housing Authority moving requirements, etc., to be to extreme.

More that likely if a FSS client, or tenant, who has been given a good word statement or a certificate of good standing as a good reference record will have more security in the chance for adequate and affordable housing, in the area they want to live in. Families would be encouraged to do even better in becoming self sufficient.

The quality of life, would improve and the chance of credibility for eligible families looking for a suitable living. With help the FSS client can stand against the bad section 8 reputations. Some tenants deserve to get good housing because they work for it. They need authority figures, on your side as well, to give them a push towards better living, rather than being lumped into the stigma as a tenants into drug abuse, are being seen, automatically, as a property abuser.

I'm willing to volunteer to help towards this a mission as a goal.

**What percentage of the housing tenants who want help to move, by getting a good tenant statement, would abuse that right.**
