### Progress in Meeting Mission and Goals

The Big Rapids Housing Commission has progressed in achieving our mission and many of the goals outlined in our 5-Year Plan.

We continue to be the area's affordable housing of choice. We provide and maintain safe, quality housing in a cost-effective manner. Partnering with others we offer rental assistance and other related services to our community in a non-discriminatory manner.

We have managed our existing public housing program in an efficient and effective manner thereby qualifying as at least a standard performer. Our designated status for the fiscal year 2002 is High Performer.

The Big Rapids Housing Commission is in full compliance with applicable statutes and regulations as supported by the recent audit.

The Big Rapids Housing Commission is maintaining an occupancy and rents collected rate acceptable by HUD regulations.

We have obtained funds to refurbish two historical buildings downtown to provide additional affordable senior housing to area residents. We are approximately 35% complete and anticipate the buildings to be ready for occupancy in April and May of 2003.

The Big Rapids Housing Commission and the City of Big Rapids Police Department have executed an agreement continuing the East Side Community Officer's presence on Big Rapids Housing Commission's property. This program, along with our extensive application screening process and strict enforcement of our lease has extremely reduced the crime rate within our developments.

The Big Rapids Housing Commission continues to promote a motivating work environment with an efficient team of employees operating as a customer-friendly and fiscally prudent leader in the affordable housing industry.

Our active Family Self-Sufficiency Program promotes economic opportunity for the families and individuals residing in our housing complex. We currently employ seven (7) of our housing commission residents.

We continue to manage Stepping Stones Childcare Center. This endeavor helps many residents fulfill one of the biggest barriers they face when trying to find suitable employment; quality, affordable childcare.

The Big Rapids Housing Commission will continue to strive in meeting the mission and goals outlined in our 5-Year Plan.
