[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The 2003 Agency Plan addresses implementation of strategies to improve our Public Housing and Section 8 Housing Choice Voucher Programs. No major policy changes are planned. We received elderly designation in 2000 and this has improved the quality of life for our residents. We signed contracts for the use of energy performance contracting to supplement our Capital Fund resources. We continue to assess the need for additional resident security and have taken the following initial steps to help reassure residents: the security system for the entrance locks has been updated and the new entrance to Nan McKay highrise has been completed and allows for more control of the entryway.

iii. Annual Plan Table of Contents
