C. Name and title of appointing official(s) for governing board (indicate appointing official for the next position): Mayor Robert Demuth – City of Worthington

Required Attachment E: Membership of the Resident Advisory Board or Boards

List members of the Resident Advisory Board or Boards: (If the list would be unreasonably long, list organizations represented or otherwise provide a description sufficient to identify how members are chosen.)

Pearl James – Elderly Housing
Beverly Scharlepp – Elderly Housing
Darlene Engstrom – Elderly Housing
Judy Johnson – Elderly Housing
Melissa Parshall – Section 8
LaVonne Williams – Family Housing

Invitation was extended on a project-wide basis. Individuals volunteered.
Members from the Elderly Housing project also serve as floor monitors.

Required Attachment F: Comments of Resident Advisory Board or Reviewing Individuals;

The Worthington Housing Authority received the following comments:

1. I feel each apartment complex area should have a responsible hired resident to clean up trash, broken toys, etc. each day or every other day.
2. I feel the maintenance has improved greatly from when I moved back out here than it was 2 years ago.
3. Playground area needs some up-dating. New sand, equipment painted, frame around sand boxes are in need of repair.
4. Wooden areas around duplexes need scraping and a fresh coat of paint. Some front doors (metal) need fresh paint. Also back doors.
5. Instead of replacing carpet in units we could have them cleaned every couple of years. Mine Could use it!
6. Residents need an annual reminder of the "One Strike" policy.

Board response: Maintenance issues will be addressed as soon as weather permits. Carpet cleaning by the HRA Will be done on a semi-annual basis. Administratively, better communication efforts will be made regarding all Policies of the HRA. Re: # 1, Maintenance Staff is already assigned this responsibility. If additions are to be made this would be a personnel issue with budgetary impact. To be reviewed.

Required Attachment G: Brief Statement of Progress in Meeting the Five-Year Plan Missions and Goals.

The Worthington Housing Authority is reviewing this plan for the third time, including 2002 accomplishments and 2003 goals. The goals are reviewed on an on-going basis, and as funding and other resources become available, will be addressed more aggressively.

Goals and their status are as follows:

Goal One: Manage the Worthington Housing Authority's existing public housing program in an efficient and effective manner thereby qualifying as at least a standard performer.

Progress: The Worthington Housing Authority Public Housing Program has earned a standard performance status; Section 8 is considered a high performance program. Efforts will continue to reach the high performance standard for both programs.

Goal Two: Provide a safe and secure environment in the Worthington Housing Authority's public housing developments.

Progress: The Authority continues to work with the local law enforcement center in identifying and addressing problems of crime within public housing. A new program, "Crime Free Housing" has been initiated by the local law enforcement center and the Authority has enrolled. This, along with the "One Strike and You're Out" policy are positive steps in addressing the safety issues in housing.

Goal Three: Expand the range and quality of housing choices available to participants in the Worthington Housing Authority's tenant-based program.

Progress: The Worthington Housing Authority Housing Choice Voucher Program includes 192 subsidy allocations. This program, administered through a six county area, allows for housing stability for those in need. Numbers under lease vary 188 to 190, however, contract authority is impacted by the porting to larger communities where rents are considerably higher. The HRA was subject of a review in the spring of 2002 with results being very favorable. SEMAP High Performance award is encouraging to those who strive for positive management.

Many new landlords have become part of the program. Educational efforts will continue to make this program a success. Outreach to include an unserved county in our area will continue. The goal of 95% occupancy has been accomplished.

An application for Shelter Plus Care Vouchers is in the review status. Notification is expected later this year. This project brings together the social service agencies, mental health professionals, and those clients who may not be served through the regular programs of Section 8. We are excited about this potential expansion of the program.

Required Attachment H: Deconcentration and Income Mixing:

Worthington HRA Projects

001 – 104 Units of Elderly/Disabled/Income Eligible are not considered under this objective.

Family Housing – Projects 002, 004, 005 total 32 units of variable bedroom size, scattered site throughout the city. Due to the limited numbers, de-concentration and income mixing are not feasible. Tenants are housed based on family need and availability to meet those needs.
