[24 CFR Part 903.7]

**i. Annual Plan Type:**

**Standard Plan**

**Streamlined Plan:**

- High Performing PHA**
- Small Agency (<250 Public Housing Units)**
- Administering Section 8 Only**

**Troubled Agency Plan**

**ii. Executive Summary of the Annual PHA Plan**

The Archuleta County Housing Authority began administering the Section 8 Rental Assistance Program in 1990. The Housing Authority currently administers 59 vouchers and certificates over a three county area. La Plata, Archuleta and San Juan counties have both the basis of tourism and rural economies.

With a tourism based economy, jobs are seasonal and periods of layoffs between jobs is very common. Consequently, especially in La Plata county, there is a transient population. Families move here in hopes of a better lifestyle, but soon are forced to move due to the high cost of living versus low wages. The cost of housing is especially disproportionate when compared to the local wages. Homeownership is extremely difficult for most working families to obtain due to the skyrocketing real estate market over the past number of years.

Housing in this community is extremely limited. Statistics currently show the vacancy rate for La Plata county rentals to be at 1.4 percent compared with 3.5 percent as recent as September, 1999. This is one of the lowest vacancy rates in Colorado. The only other communities that are below this vacancy rate in Colorado are Eagle and Pitkin counties.
