### C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **INTHE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

We will continue to expand the supply of affordable housing in our service area. In 2003 we will re-submit an application to the NCHousing Finance Agency for development of an elderly apartment complex for the Richmond county area. If funded the development will receive project-based assistance. There have been many factory closings in our area over the past two years, causing many families to become homeless. Since 2000, our Section 8 waiting list has increased by approximately 600 families (total waiting list is 1459) with additional families applying weekly. All of our present 564 vouchers have been issued, in effect causing even the homeless to wait for housing. We will make application for additional Fair Share Housing Choice Vouchers and any reallocated voucher that become available. If funded the vouchers will help to reduce the number of families waiting for housing and reduce the wait time for homeless families that cannot be served through transitional housing or other means. Our Board of Director's approved implementation of the Housing Choice Vouchers for Homeownership Program. Therefore, we will be moving forward with that program which will incorporate our Housing Counseling Program and Family Self-sufficiency Program. We have submitted a letter of interest to our local HUD Office in regard to volunteering as a model agency for the homeownership program. In March 2003 we plan to begin rehabilitation of a home in Wadesboro, NC (Anson County) which we plan to use as transitional housing for the homeless. At the end of 2002, a mobile home was donated to our agency. We plan to begin using this mobile home to temporarily house homeless men, as our other transitional facilities serve women and children.

### Sandhills Community Action Program, Inc. Section 4 Progress Report

As suggested by our Resident Advisory Board, we are continuing our work towards implementation of the Housing Choice Vouchers for Homeownership Program. We have submitted a letter of interest to our local HUD officer regarding volunteering to act as a model for the homeownership program.

In 2002 Sandhills Community Action Program secured a donated mobile home, in which we plan to provide temporary housing to homeless single men or 2-parent households with children.

In our efforts to increase the supply of affordable housing, we have submitted an application to the NCHousing Finance Agency to develop an elderly apartment complex in Ellerbe (Richmond County). Our initial application was not funded. However, we have met with the funding source and plan to resubmit the application.

We also submitted an application to expand our transitional housing program into Anson County (currently serving Moore, Richmond and Montgomery). We have purchased a 3600 sq. ft. home for this purpose and have secured a grant for the rehabilitation of the property.

In 2002, we completed rehabilitation of the property at 602 Rockingham Road. The home is now being used as a transitional housing for homeless mothers and their children. This facility began serving the homeless in March 2002 and along with others operational under the Supportive Housing Program, is providing the participants with intensive case management as well as support services.

Our Agency continued its counseling services as a HUD approved Housing Counseling Agency, providing information and referral to those with housing related issues. During 2002, we had one additional employee to become a certified housing counselor. We are continuing efforts towards reinforcing of our already strong housing counseling program in order to

more efficiently serve our Section 8 program participants who are interested in the Section 8 Vouchers for Homeownership Program.

The Section 8 Staff has attended workshops sponsored by the South East Regional Section 8 Housing Association. These workshops help to build the skills necessary to promote a housing program, which maintains quality and integrity, while maintaining a high level of standards and professionalism in the day-to-day management of the program.

We have purchased new Section 8 software program that has streamlined efforts of the staff for better efficiency.

Our Agency continues to lead the Sandhills Area Continuum of Care. We meet monthly with each county level support service team to discuss the needs of clients within our service area. These meetings are instrumental in exposing gaps and/or duplications in services provided.

### Section 4 PHA Policies Governing Eligibility

**Sandhills Community Action intends to Project Base 38 vouchers in 2003, for Jackson Terrace Apartments, for the elderly. Jackson Terrace Apartments are located at the intersection of Hwy. 24 and Anderson Street in Carthage, NC.**

**In Moore County and Carthage in particular there is a shortage of affordable rental housing. Therefore, we feel that project -based is an appropriate action in our effort to pursue housing resources other than public housing or Section 8 tenant -based assistance. Also, Jackson Terrace Apartments are for the elderly (62 and older), which is consistent with our plan to target available assistance to the elderly.**
