F. Suitabilityfortenancy

The Rowan County Housing Authority determines eligibility for participation and will also conduct criminal background checks on all adult household members, including live -in aides. The Rowan County Housing Authority will deny assistance to a family because of drug -related criminal activity or violent criminal activity by family members. This check will be made through state or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. If the individual has lived outside the local area, the Rowan County Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC).

The Rowan County Housing Authority will check with the Statesex offender registration program and will ban for life any individual who is regist ered as a lifetime sex of fender.

Additional screening is the responsibility of the owner. Upon the written request of a prospective owner, the Rowan County Housing Authority will provide any factual information or third party written information they have relevant to a voucher holder's history of, or ability to, comply with material standard lease terms or any history of drugtrafficking.

	6.4 TermoftheVoucher	
	The initial term of the voucher will be HousingChoiceVoucher. 30 days an dwill be stated on the	

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will not exceed 120 calendard ays from the initial date of issuance without an extraordinary reas on. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their sea rch efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 60 days, which ever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extensionallowing the family the full 120 days search time. If the Housing Authority det ermines that additional search time would be a reasonable accommodation, the Housing Authority will request HUD to approve an additional extension.

Upon submittal of a completed request for approval of tenancy form, the Rowan County Housing Authority will—suspend the term of the voucher. The term will be in suspension until the date the Housing Authority provides notice that the request has been approved or denied. This policy allows families the full term (60 days, or more with extensions) to find a unit, not penalizing them for the period during which the Housing Authority is taking action on their request. A family may submit a second request for approval of tenancy before the Housing Authority finalizes action on the first request. In this case the susp—ension will last from the date of the first submittal through the Housing Authority's action on the second submittal. No more than two requests will be concurrently considered.

The Family Self Sufficiency Program has become extremely difficult and expensive to administer with only minimal results. Given the reductions in operating subsidy and the increase in operating expenses, the Housing Authority is considering cancellation of the program.

DeconcentrationPolicy

ThefollowingisanextractfromouradoptedAdmissionsandContinued OccupancyPolicy

10.4 DECONCENTRATIONPOLICY

It is the Rowan Co unty Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higherincomefamilies into lowerincome developments and lowerincome families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non -discriminating manner.

The Rowan County Housing Authority will affirmatively market our housing to all eligible income groups . Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residin g in each of our developments and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

10.5 DeconcentrationIncentives

The Rowan County Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

10.6 OfferofaUnit

When the Rowan County Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the incometargetinggoal.

TheRowanCountyHousingAuthoritywillcontactthefamilyfirstby telephonetomaketh eunitoffer.Ifthefamilycannotbereachedby telephone,thefamilywillbenotifiedofaunitofferviafirstclassmail.The familywillbegivenfive(5)businessdaysfromthedatetheletterwas mailedtocontacttheRowanCountyHousingAuthority regardingtheoffer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documen ted in the tenant file. If the family rejects the offer of the unit, the Rowan County Housing Authority will send the family a letter documenting the offer and the rejection.

10.7 RejectionofUnit

The Rowan County Housing Authority will determine how many lo cations within its jurisdiction have available units of suitable size and type in the appropriate type of development. This plan is based on the distribution of vacancies.

Theapplicantwillbeofferedaunitinthelocationwiththehighestnumber of vacancies. If the offer is rejected, the applicant will be offered as uitable unit in the location with the second highest number of vacancies. If that unit is rejected, a final offer will be made in the location with the third highest number of vacancies.

Ifmorethanoneunitoftheappropriatetypeandsizeisavailable,thefirst unittobeofferedwillbethefirstunitthatisreadyforoccupancy.

The Rowan County Housing Authority will maintain are cord of units offered, including location, date and circumstances of each offer, each acceptance or rejection, including the reason for the rejection.

When an applicant rejects the final unit offer the Housing Authority will remove the applicant from the waiting list.

If in making the offer to the fam ily the Rowan County Housing Authority skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their pla ce on the waiting list and will not be otherwise penalized.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and child car e (for those working or goingtoschool). The family will be offered the right to an informal review of the decision to alter their application status.
