**Medina Metropolitan Housing Authority**  
**Annual Plan for Fiscal Year 2003**

**Executive Summary**

The Medina Metropolitan Housing Authority (MMHA or the "Authority") Annual Plan includes components for both the Public Housing and Section 8 Programs.

For Public Housing (PH), the Authority plans to continue the modernization of apartments as called for in the Modernization Needs Assessment. In addition, the Authority plans to complete an energy audit to determine, what, if any additional energy efficiency activities might be planned for the future.

The Authority also plans to continue to work with advocacy groups of Special Populations to assure a sufficient waiting list for the development. Regular meetings will continue, as well, with the Resident Advisory Board (RAB).

The Authority is also committed to keeping its staff trained on new legislative initiatives as well as innovative management techniques and legal issues pertaining to rental housing. As such, all possible training initiatives will be reviewed for merit and staff will be trained as resources allow.

For Section 8 (S8), Authority staff will aggressively market the program to landlords. The Authority increased the number of landlords participating in the program by 10% in fiscal years 2001 and 2002. A similar increase is sought for fiscal year 2003.

The Authority will also apply for additional Vouchers, as funding opportunities become known to it. This includes Welfare to Work Vouchers, Mainstream, and other special increments.

Most importantly, the Authority will continue its Home Ownership Program for its Family Self Sufficiency (FSS) clients or a new base of clients, should the FSS participants not be able to demonstrate financial ability. The Authority hopes, too, to maintain its expanded FSS Program with funding from the local department of Human Services, HUD, or other sources of funding.

Each of the items noted in this Executive Summary are designed to help the Authority meet its fourth year goals and objectives as outlined in the Five Year Plan.

## **Statement of Progress in Meeting the Five Year Plan Mission and Goals**

The following represents the Medina Metropolitan Housing Authority Statement of Progress in Meeting the Five Year Plan Mission and Goals.

### **Goal #1: Expand the Supply of Assisted Housing**

**Progress:** Each year, the MMHA has applied for additional Housing Choice Vouchers. It's baseline number of units has expanded to 506 as a result of those efforts. In addition, the MMHA has added rental units to its management inventory, increased the number of landlords participating in the HCV Program, and expanded the working relationships with other government and social service agencies. Finally, the MMHA has provided the technical assistance to enable the local ADAMH Board to begin construction of 11 units of housing designated for persons with chronic mental illness; occupancy for this development is slated for November of 2003.

### **Goal #2: Improve the Quality of Assisted Housing**

**Progress:** The MMHA has increased its PHAS score as it relates to the Public Housing Units' physical inspection results. It also has improved its SEMAP score (the most recent submission is anticipated to yield a High Performer Status) Resident Satisfaction scores (PHAS) are at their highest point. Modernization of public housing units continues as well.

### **Goal #3: Increase the Assisted Housing Choices**

**Progress:** Landlord outreach efforts have led to the largest pool of landlords in the Agency's history. In addition, the MMHA has linked its management of a state sponsored rental subsidy program for clients with severe mental illness to its Federal HAP program; this has resulted in additional units and landlords for the clients.
