Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summaries and policies set forth in the Annual Plan all lead towards the accomplishments of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives are consistent with, but go much further than, the Consolidated Plan of the City of Danbury.

We have established an aggressive screening procedure and orientation program which involves residents in the selection of their neighborhoods.

We have worked with the local lending institutions to promote home ownership had established the first set aside for Public Housing Residents as first time home buyers with the CHOP program (Creative Housing Opportunities for People). Since its inception in 1990 over 80 resident families of the Housing Authority of the City of Danbury have become home owners. This was the concept for the First Time Home Buyers program through the Connecticut Housing Finance Authority.

We established the first regional housing authority in New England to allow Section 8 program participants to utilize their vouchers in any community in the Greater Danbury area. This was done prior to HUD allowing this to occur. The Executive Director and established working relationships with each of the surrounding towns prior to HUD adopting the regional concept. Thus implementing a deconcentration program in 1990.

The housing authority, through one of its non profit corporations, built and still operates the first Single Room Occupancy facility for homeless individuals in the State of Connecticut.

We established the first set aside for disabled people under the Section 8 Program, working with the local social service providers to provide housing and care for

disabled people. This was started in 1987 and was the fore runner of the Shelter Plus Care national program.

We have established a minimum rent of \$0.

We have hired residents for many openings at the housing authority. Currently over 75% of the staff of the Housing Authority of the City of Danbury are current or former residents of the housing authority.

We have utilized the HACD Corp, a subsidiary of the housing authority to purchase and rehabilitate homes for use within the Section 8 Program, to ensure an adequate base of housing stock for this program.

We have established a program where any low income family with a child that has an elevated lead blood level will be given a priority for admission to our developments. All of our units are deemed to be "lead safe".

The Housing Authority of the City of Danbury will continue to be a leader in the fight for affordable housing and equal opportunities for all people.

DECONCENTRATION POLICY

It is the Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

RESIDENT ADVISORY BOARD COMMENTS

There were two comments from the Resident Advisory Board as follows:

Comment 1: An added incentive is needed for head of household/spouse when either is a full-time student. The Housing Authority has provided a \$480.00 allowance per year in public housing. This is referenced in the Admissions and Continued Occupancy Policy.

Comment 2 states the Comprehensive Grant Program Public Hearing should be held at one of the Federal Developments. It was explained to the Advisory Board the Public Hearing has always been held at Ives Manor a CHFA project because of its central location. If any further Public Hearings are held with regard to the Comprehensive Grant Program or Capital Fund they will be held at one of the Federal Developments.
