ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

As a High Performing Agency the NHA has elected to not include the Executive Summary in its Annual Plan.

iii. Summary of Changes from last years' Agency Plan

The plans, statements, budget summary, policies, etc. set forth in this plan all lead toward the accomplishment of our goals and objectives. Here is a brief narrative summary of any major changes in program and policies discussed in last year's PHA plan.

Local Preference Points were changed to allow applicants that may have more than one preference to have more points than someone with only one preference which in turn puts the applicant with the greatest need higher up on the waiting list.

(See Indicator #3; Policies on Eligibility, Selection and Admissions in Agency Plan)

We amended our Public Housing Admissions and Continued Occupancy Policy and our Section 8 Administrative Plan to reflect that when the Newberry Housing Authority closes its waiting list there will be exceptions in which the NHA opens the waiting list. This includes applicants who are in emergency situations such as **Involuntary Displacement** due to disaster (fire, flood, tornado), or Victim of Domestic Violence which has recently occurred or of a continuing nature. These exceptions will have to be verified in writing through a State or Local Agency Department Head on Company Letterhead which can be verified through other documentation from that Agency before an application will be accepted.

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The Newberry Housing Authority is part of the entire effort undertaken by the city to address our jurisdiction's affordable housing needs. While we cannot, ourselves, meet the entire need identified here, in accordance with our goals included in this Plan, we will try to address some of the identified needs by using appropriate resources to maintain and preserve our existing stock. When appropriate and feasible, we will apply for additional grants and loans from federal, state and local sources, including private sources to help add to the affordable housing available in our community. We intend to work with our local partners to try to meet these identified needs.

The Newberry HA mission statement and goals and objectives fit right in with Newberry County's Consolidated Plan. As for the Annual Plan, it also fits right in with Newberry County's Consolidated Plan in that:

In the Public Housing Program, the NHA has adopted several policies over the last few years that promote and encourage self-sufficiency, such as adding to our deductions for working families, as well as, deferring rent increases for qualified residents that transition from welfare to work. We also established flat rents, based on our existing FMR's and Reasonableness system that has been established through our Section Housing Choice Voucher Program, to assist in keeping rents lower, which will in turn encourage employment and self-sufficiency.

In the Section 8 Housing Choice Voucher Program, as an incentive to aid in self-sufficiency and encourage employment the NHA is not requiring any income increases until the next regular re-certification, unless the family was on -0- income.

STATEMENT OF THE NEWBERRY HOUSING AUTHORITY'S PROGRESS IN MEETING THE MISSION AND GOALS OUTLINED IN CURRENT 5-YEAR PLAN.

The Newberry Housing Authority staff feel that great progress is being made in meeting its mission and goals set forth in its initial 5 year plan in that we have maintained an excellent rating in the ever-changing scoring system, both in our Public Housing and our Section 8 Housing Choice Voucher Programs.

In the Public Housing Program, the NHA has adopted several policies over the last few years that promote and encourage self-sufficiency, such as adding to our deductions for working families, as well as, deferring rent increases for qualified residents that transition from welfare to work. We also established flat rents, based on our existing ceiling rent policy, to assist in keeping rents lower, which will in turn encourage employment and self-sufficiency.

In the Section 8 Housing Choice Voucher Program, as an incentive to aid in self-sufficiency and encourage employment the NHA is not requiring any income increases until the next regular re-certification, unless the family was on -0- income.

Coupling the above policies with its dedicated staff, the Newberry Housing Authority has been right on course with the progression of meeting its mission and goals.

NHA's Admissions Policy on Deconcentration

The NHA's admission policy is designed to provide for deconcentration of poverty and income mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects.

Gross annual income is used for income limits at admission and for income-mixing purposes.

Skipping of a family on the waiting list specifically to reach another family with a lower or higher income is not to be considered an adverse action to the family. Such skipping will be uniformly applied until the target threshold is met.

The NHA will gather data and analyze, at least annually, the tenant characteristics of its public housing stock, including information regarding tenant incomes, to assist in the NHA's deconcentration efforts.

The NHA will use the gathered tenant incomes information in its assessment of its public housing developments to determine the appropriate designation to be assigned to the project for the purpose of assisting the NHA in its deconcentration goals.
